

"IF ONLY"

Produced By James Wahlberg

Join the Marlborough community to view an original 38-minute film created to raise awareness about the dangers that lie in the use and misuse of prescription and recreational drugs. The film, made possible by The Mark Wahlberg Youth Foundation and Millennium Health with the help of Recovery Centers of America, was co-written and co-produced by Mark's brother James and is meant to serve as a catalyst for conversation to encourage safe use, storage and disposal of prescription drugs.
