

Marlborough Fire Department Organizational Structure & Shift Coverage

- 1 Fire Chief
- 1 Administrative Assistant
- 4 Deputy Chiefs
- 4 Captains
- 8 Lieutenants
- 60 Firefighters

The Department operates 24 hours a day utilizing 4 groups of firefighters with each group working two 10-hour days, followed by two 14-hour nights, and then 4 days off before repeating the 8 day cycle.

We maintain a “minimum staffing” of 10 firefighters, 2 lieutenants, and 1 captain per shift to staff the city’s 3 fire stations housing a compliment 3 front-line pumpers, 1 ladder truck, and 1 rescue truck. Each piece of apparatus is manned with 2 firefighters and pumpers are also staffed with an officer. When increased staffing permits, a 2nd ladder truck is placed in service.

During simultaneous incidents or those requiring additional equipment or manpower, the Department recalls off duty manpower by use of a pager system.
