To the members of the License Board,

I would like to request an extension of hours for our liquor license. Currently I have a liquor license that allows us to start serving alcoholic beverages daily at 11:30am. I would like to request a change that would allow us to start serving at 9am Monday thru Saturday and 10am on Sundays.

We do serve brunch on Saturday and Sundays and have had many requests from our guests to have beverage service available during our brunch.

I would like the same opportunity as other businesses have in the city to provide our guests with beverage service earlier during their dining experience.

I appreciate your time and consideration concerning this matter.

Thank you!

On 07/09/16 at approximately 18:00 hrs, I was dispatched to the area of 109 Neil St for a report of an attendee of the ITAM urinated in the callers lawn. Upon my arrival, I spoke with Annemarie Taylor who described the person as a whit female with shoulder/upper back length blonde hair, wearing black yoga pants and a light teal shirt of similar material. The female was bent over in a bush and when she stood up, she pulled her pants up and walked back to the party. The bush was on the property line between the residence and the ITAM.

Off J. Gough and I conducted a walk through with negative results. I informed the event coordinator and an ITAM "official" of the complaint and they assured me they would keep an eye on those attending that there wouldn't be any further problems.

**ALCOHOLIC BEVERAGES CONTROL COMMISSION (“ABCC”) ADVISORY TO LOCAL
LICENSING AUTHORITIES REGARDING ALCOHOL-INFUSED ICE CREAM**

In response to inquiries from several Local Licensing Authorities, the Alcoholic Beverages Control Commission provides the following Advisory to Local Licensing Authorities regarding ice cream containing alcohol. Please be advised that M.G.L. c. 138 prohibits the importation, manufacturing, and sale of ice cream that contains alcohol with one limited exception.

M.G.L. c. 138, § 1, defines an alcoholic beverage as “any liquid intended for human consumption as a beverage and containing one half of one percent or more of alcohol by volume at sixty degrees Fahrenheit.” Because ice cream containing alcohol is not a liquid intended for consumption as a beverage, is not an alcoholic beverage.¹ Licenses issued under M.G.L. c. 138, including wholesalers and importers under § 18, agents and brokers under § 18A, holders of certificates of compliance under § 18B, manufacturers under § 19, and retailers under § 12 and § 15, are authorized to sell, manufacture, or import “alcoholic beverages.” Because ice cream containing alcohol is not an alcoholic beverage, these licensees are prohibited from importing, selling, or manufacturing such ice cream. Any such action is a violation of M.G.L. c. 138, § 2 and § 64.

The only exception to this prohibition is where the Alcohol and Tobacco Tax and Trade Bureau (“TTB”) has classified in writing that a particular product is a “nonbeverage product.”² Please be aware that this TTB classification is specific to each individual product a business manufactures, and not a business’s entire line of products.

What this means for Local Licensing Authorities:

- § 12 and § 15 retailers cannot lawfully sell alcohol-infused ice cream unless the retailer can produce a written classification from the TTB exempting each alcohol-infused ice cream product it sells;
- No businesses (such as ice cream parlors and food trucks) can lawfully make and/or sell alcohol-infused ice cream without producing a written classification from the TTB exempting each alcohol-infused ice cream product it sells; if they do so, they are in violation of M.G.L. c. 138, § 2.

As a reminder, all licensees must ensure that they are in compliance with the Laws of the Commonwealth of Massachusetts and that sale of alcoholic beverages take place only as authorized by applicable law.

(Issued 9-22-16)

¹ Ice cream containing alcohol is, however, alcohol, which is defined as “all alcohol other than denatured alcohol or [methyl alcohol or wood oil].” M.G.L. c. 138, §1. Such alcohol is regulated by the Liquor Control Act under M.G.L. c. 138, §2 (“No person shall manufacture, with intent to sell, sell, or expose or keep for sale, store, transport, import, or export alcoholic beverages or alcohol, except as authorized by” c. 138).

² An alcohol-infused ice cream that is classified as a nonbeverage product when the TTB considers it a “food product.” Alcohol-infused ice cream is a “food product” where only “sufficient spirits are used for flavoring purposes.” See 27 CFR § 17.133. Ice cream containing more than a trace amount of alcohol would not fall under this exception.

the license. This license had consolidated several licenses across various properties back in February 2016 and the application before the Board tonight was for only part of the property. The Board also requested that a letter from Conservation be presented showing what is required with respect to the stream that runs along the property. 5. Italian American Club Complaint

Residents Annemarie Taylor and Steven Bergstrom spoke of a number of issues that they have been having with the ITAM including parking, noise, disorderly conduct – most stemming from one event on July 9, 2016.

John Manning, Quartermaster, represented the ITAM explained they did not know about the incident at the July 9th event, but are more than happy to notify members to move cars if need be as they also have access to the DPW lot at the end of the street if needed on larger events. He explained that the ITAM had instituted a number of rules and put in place a fence to cut down on noise and disturbances over the years. Siting they can only attempt to handle what they know about and invited the neighbors to call him if issues arise and he would deal with them.

The ITAM was asked by the Board to be somewhat more proactive on the parking situation, having someone out to direct parking on the busier events and to make members aware of where they cannot park. Neighbors were asked to notify the ITAM as soon as issues arose so that they could be accountable to address them at the time.

As there is some question of when the disorderly conduct incident on July 9th occurred the Clerk has been asked to obtain a copy of the police report from the night in question.
