RE: Reconstruction of Route 85 – Design Public Hearing

Dear Property Owner,

You are receiving this letter because you own property that is immediately adjacent to the planned reconstruction of Route 85 that is tentatively scheduled to begin in 2017. MassDOT will be hosting a Design Public Hearing for this project in Memorial Hall within City Hall on December 1, 2015 at 7:00 pm. The Design Public Hearing is an extremely important opportunity for you to raise any concerns you may have about the project. Preliminary design plans will be available at this hearing that show proposed impacts to properties. These plans are also available on the Public Works page of the City's website within a folder labeled Route 85 Reconstruction.

I strongly urge you to read the enclosed information about the hearing and submit timely comments if you have any concerns.

Please do not hesitate to contact me at 508-624-6910 extension 33200 if you have any questions or need any additional information.

Thank you,

Evan Pilachowski, P.E.
City Engineer
