RE: West Hill Road Reconstruction – Neighborhood Meeting

Dear West Hill Road Residents,

The Department of Public Works (DPW) will be hosting a neighborhood informational meeting relating to the West Hill Road Reconstruction project on Wednesday, March 2, 2016 at 7:00 pm in Memorial Hall in City Hall. The meeting will be moderated by City Council President Edward Clancy. At this meeting, DPW will be presenting the latest version of the project plans, explaining the remaining design process and what you can expect during construction, and answering questions.

We encourage you to attend this meeting to raise any questions and concerns to make sure the City completes the best possible project on West Hill Road. If you cannot make it to the meeting, we are happy to speak with you on the phone or in person at your convenience. If you have any questions or concerns, do not hesitate to contact me, Mark Dascoli, Project Manager for this project, or Chris LaFreniere, Project Engineer for this project, at 508-624-6910 extension 33200.

Sincerely,

Evan Pilachowski, P.E.
City Engineer

cc: Arthur G. Vigeant, Mayor
City Council
John L. Ghiloni, DPW Commissioner
