

Design Our Drug and Alcohol Awareness Logo Contest!

The City of Marlborough Youth Commission was established to identify gaps in youth services and help facilitate partnerships to ensure that young people thrive and become future productive members of our community.

One area of great importance is the need for drug and alcohol awareness for our young people in the City of Marlborough. We would like to ask your help in creating a campaign that shows the positive reasons why young people should stay away from drugs and alcohol.

But we need your help! If you are creative and love to work with words and colors and fonts, you may be just the person to design our new website logo.

Who Is Eligible?

All residents of Marlborough who are middle school and high school age can submit an entry to this contest.

What Do I Need to Do?

First of all, be creative and have fun! Your logo should reflect the “feeling” we want the site to convey, which is all about youth, energy, positive reasons for staying away from drugs. The color and design are up to you and you can employ a graphic or typographical treatment, but you *must* include “A healthy Me is Drug Free, City of Marlborough” in your logo. **All submissions should be created using a vector-based graphic program (like Adobe Illustrator or Corel Draw).** For judging, you should send a hard copy of your design that will fit on an 8 ½ x 11 inch sheet of white paper mounted to a piece of card stock or art board (9” x 12”). Make sure to tape the entry form to the back of your board. You should also submit your design in either png or jpeg format, along with the native file, via email youthcommission@marlborough-ma.gov. Make sure to include your name in the subject line.

Why Should I Enter?
