High Priority (2 votes)

- III. Drawdown erosion occurring at drainage pipes
- IV. Lawn management education – herbicides/fertilizers/best management practices
- V. Public communication

1. Discuss each topic as follows:

- a. What is/are issues (s) we need to address specifically for each topic – narrowing down the scope for a topic if needed.
- b. What information do we already have? What information do we need to gather? Who has or can gather information best?

2. Once we've done this for each topic

- a. Assign a topic to a group of one, two or three people to begin outlining issues and gathering information- (come prepared to pick at least one or more topics to work on)
- b. Subgroups coordinate with each other and meet on their own as needed to come up with some recommendations or questions to bring back to the larger group at a subsequent meeting.

4. Set date for next meeting in April.

5. Prepare for subsequent meetings.
Have subgroups report to Pam, Priscilla and Gary on progress made, a week before the next meeting to help establish the next meeting agenda.
