“SCRPT”

Senior Citizen Residential Property Tax Work-Off Program FY'27

The City of Marlborough values the wealth of skills and knowledge possessed by its senior residents. The “SCRPT” program provides seniors the opportunity to share their skills in service to the community and receive a \$1,500 abatement on their property taxes. The success of the program depends on the co-coordinated efforts of the various city departments requesting services, the program coordinator (COA Director) who matches the volunteers, the Assessor’s office that administers the abatement process and the Treasurer’s office where payments are submitted.

Attached is the application and related documents that must be completed and **returned in person to the Marlborough Senior Center by Friday, March 13th by 12:00pm**. Please complete and sign the SCRPT application. Please bring your license or other government issued ID with you for submission. We recommend that you call in advance to be sure a staff person who can verify the CORI information will be available to accept your packet. Please keep the first two pages of this packet for your information.

If there are more applicants than jobs available a lottery drawing will be held on Wednesday, March 18th at 10:30am. (You do not need to be present.)
