

The Grove Conservation Land

This 16.2 acre parcel is located directly on Ft. Meadow Reservoir. The land is mostly wooded with the exception of a grassy meadow, perfect for picnicking. There is a trail system that makes its way around the property and is great for a short hike. Several openings along the reservoir and a canoe access off the parking area make fishing and fully enjoying the water easy. (swimming NOT permitted)

Explanation

-  Trail
-  Pond / Stream
-  Trail Head
-  Parking Area
