

## **For the past 25 years, Aflac has been committed to helping protect City of Marlborough employees!**

While major medical insurance pays doctors and hospitals, Aflac pays cash benefits directly to you. Benefits that are paid regardless of any other insurance.

Please take a minute to view this interactive web page designed specifically for the City of Marlborough. Here you will find video presentations that explain the need for each plan, as well as brochures with detailed benefit information. Look around and explore all that Aflac can do for you.
