## <u>Residential Building Permit Application "Checklist" For 1 & 2 Family</u> <u>Building Department, City of Marlborough</u>

While this office shall make every attempt to process your application in a timely manner, we have 30 days to review your full application. Planning in advance is critical. Applications are processed in the "ORDER" in which they come in and are delayed, primarily for one of three reasons.

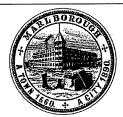

- 1. Missing, wrong, in-accurate, non-legible information
- 2. Approvals or Reviews may be required by other Municipal Departments Boards or Permit Granting Authorities
- 3. The amount of activity in this office the time you bring in your application

Depending on the nature of your project, below is a checklist of what this office requires.
