A Calendar Full of Opportunities for Fun & Learning

Our newly renovated building is fantastic, but [our new online calendar](#) is where things are really happening! Offering a new, user-friendly application that allows you to filter by age group or program type, you can easily browse and register for a variety of programs (such as LEGO Club for kids, Teen Lazy Crafternoons, Adult Book Club and much more). Check out our online calendar of events today, and discover a multitude of options for enrichment, socializing, and just plain fun!

Room Reservations

We are thrilled to say that our new library contains spaces that can accommodate private meetings for groups, both large and small!

Study Rooms are intended for small groups of 1-4 people, can be reserved for up to two hours a day, and are available now! [Click here](#) for more information, or to reserve a room.

COMING SOON: Meeting Rooms are larger spaces that can accommodate bigger groups, meetings and events. Visit our [room reservations](#) page for more information.

Discounted Passes

We've recently introduced a new, easier-to-use discounted museum pass reservation system. Reserve passes for museums and other local attractions, such as New England Botanic Garden at Tower Hill, New England Aquarium, Ecotarium, and many more. Even better news? More of these passes are being offered as electronic "e-passes" than ever before, and don't need to be picked up or returned to us! Check out our new [museum pass reservation system](#) today!
