Letter from the Director

Year in Review

As I look ahead to the end of the fiscal year on June 30, I am also thinking of the end of the first year of the Library's Long Range Plan. This plan has helped us identify our priorities for the next five years, 2013 - 2017. Year one has been filled with examples of how we are working on these priorities, including:

- Redesigning our Children's Room to make it friendlier and more welcoming to all the children and families that use the space.

- Updating our collections so we have newer, more current materials on the wide variety of topics that Marlborough residents request. This work is ongoing, but we have made a lot of progress

Margaret Cardello,
Library Director

this year.

- Our Home Delivery service has helped us better serve the senior citizens in Marlborough who love the library but can't come anymore. One recently told us, "I can live without television but not books."

- Expanding library weekend hours in June to support those still in school. We will now switch to our summer schedule on July 6 and resume regular hours on September 7.

- Our Conversation Circle grant will help us to work with residents who want to improve their English language conversation skills.

- Expanded programming for Children and Teens which helps us attract even more young people to the library. Promoting a lifelong love of reading and learning is at the core of what we do every day at the Library.

If you would like to read a copy of our Long Range Plan, you can pick one up at the Library or go to www.marlboroughpubliclibrary.org to see what we will be working on in the years to come!

New Computers @ the Library

Thanks to Mayor Vigeant and the City Council, the Marlborough Public Library has recently updated all our computers. All public computers now have flat screen monitors that sit on top of the desks. No more craning or squinting to see the old screens! All the computers have Windows 7 and Office 2013 and are connected to the printing station across from the circulation desk. The computer in the periodical room can now connect to the internet. The computers

down in the Children's Room have been updated with new games. There is now a new computer for parents so they can remain close to their children while browsing the internet. Currently, one children's computer is connected to the printer upstairs, but in the near future, all children's computers will be connected to a printing vending station on the same floor. A big thanks also goes out to the City's IT department for helping set up all of our new computers!

Dearly Missed, Marge Parker

1936-2012

On New Year's Eve, Marjorie (Marge) Parker passed away. She was an integral part of our library, working at the circulation desk for almost 20 years! She was always quick with a witty joke or a sticker for the kids. Last October, she retired due to illness and spent the remaining months surrounded by family and friends. We miss her lots, and know you do, too!

Adult & Reference Services

Our Constantly Growing Collection

The reference department continues to grow our collections and branch out into new programs for adults. The past few months have seen many areas of our non-fiction collection growing rapidly, such as computers, job-hunting, photography, and crafts. Other areas to look at for new materials in the coming months include interior design, gardening, and home improvement.

All new materials are easy to find in the heart of the first floor, in the designated section right behind the computers. You can also virtually browse our shelves for new materials by searching for "New!" in an advanced, numeric search for call numbers; include part of the Dewey decimal number for non-fiction or the first letter of an author's last name for fiction to narrow your search. If that list is a little too daunting (we really do have a lot of new books!), you can see what new books come in weekly by visiting the ["NEW ITEMS!"](#) link on our homepage (www.marlbroughpubliclibrary.org), which takes you to Wowbrary, a new items newsletter. While you're there, you can sign up to receive a weekly e-mail with all the newest titles so you never have to miss a new arrival again.

In the month of April, as part of our celebration of National Library week and the theme of "Communities Matter," the reference department will be conducting a survey to hear back from you about programming for adults and the music collection. Look for the brief survey at the circulation desk or visit <http://tinyurl.com/blz4xr6>. We look forward to hearing from you!

Growing Your Family Tree With Genealogy

On March 25th from 7-8pm in the Bigelow Auditorium, we welcomed Jeff Carpenter, a local genealogist, to give a presentation on "DNA and Its Application to Genealogy." Carpenter became interested in DNA after getting surprising results from having his own DNA tested. Genealogy is a very popular topic these days and the ways to conduct research are constantly growing and changing. Check out the various genealogy resources we have available in our archives, such as Vital Records to 1850, High School Yearbooks for Marlborough High and Assabet Regional Vocational High School, and The Marlborough Enterprise on Microfilm, among others. There are also a number of books to help you get started on your research including *The Complete Idiot's Guide to Genealogy* by Christine Rose and Key Germain Ingalls (New! 929.1072 Ros), *The Everything Guide to Online Genealogy: Use the Web to Trace Your Roots, Share Your History, and Create a Family Tree* by Kimberly Powell (NEW! 929.1028), and *New England Court Records: A Research Guide for Genealogists and Historians* by Diane Rapaport (929.374 Rap). Come see us at the Reference desk and we can help you get started with the right resources!

Join our Book Club!

Visit the circulation desk for a copy of the book. E-mail Karen Mattes at kmattes@cwmmars.org with questions.

SPREADING THE LOVE OF READING, PERSON TO PERSON

On April 23, 2013, 25,000 volunteers from Berkeley to Boston and Sitka to Sarasota will give away half a million free books in more than 6,000 towns and cities across the country.

World Book Night U.S. is an ambitious campaign to give thousands of free, specially printed paperbacks to light or non-readers across America on one day. Volunteer book lovers help promote reading by going out into their communities and sharing free copies of books they love.

Some of the volunteers in our community will be picking up their books at Marlborough Public Library and sharing them in locations as diverse as VA hospitals, mass transit stations, nursing homes, schools, food pantries, and more. We at MPL are proud to be a partner in World Book Night U.S. and will be holding a pre-World Book Night reception the week before on Thurs., April 18th. See our online calendar for more details.

Children Services

Introducing New Programs!

With exciting new ideas from both new and long-time Children's Staff, our selection of weekly, monthly, and special programs is growing this spring! We hope that our expanding calendar of events will allow more children of all ages to get involved at the library.

READ TO A DOG is a wonderful opportunity for children to gain confidence in their reading skills by reading aloud to a friendly chocolate lab.

Christopher, a trained reading therapy dog from Therapy Dogs of Massachusetts, will be visiting the library on the first Saturday of each month from 10am-12pm. Beginning and experienced readers up to age 12 can sign up to read to Christopher for a 15 minute session.

In **LEGO CLUB**, children ages 5 to 12 are invited to come to the library for an hour of fantastic Lego building. This program will take place on the second Saturday of each month. Children can register for either the 1:30-2:30pm session or the 3-4pm session.

TUESDAY NIGHT BOOK PARTY is a monthly book group for children ages 10

to 12 who love to read books from all different genres. On the first Tuesday of the month from 6:30-7:30pm, join GERALYN for a fun book discussion, a snack, and an activity relating to the book. So far, the activities have included an origami project and cookie decorating. Sign up for the April 2nd meeting if you would like to read and discuss *Charlie and the Chocolate Factory* by Roald Dahl and make homemade chocolates!

Our school-year programs will run through the end of May. Please check our website for the latest updates on all of our upcoming events.

A word from the Children's Librarian:

I am honored by the warm welcome I have enjoyed as the new Children's Librarian here at the Marlborough Public Library and I am excited about the new programs we are offering to the community this spring. I bring with me a love of children and children's literature and I am enjoying getting to know our young patrons and their families. Thank you, Marlborough!

Sincerely,
Geraldyn Schultz

Spring and Summer Vacation at the Library

If you are looking for fun activities to do during April or summer vacation, join us here at the library for a wide variety of performances, story times, crafts, and more!

This year's April vacation theme is music. On April 16th at 2pm, bring the family to enjoy a screening of beloved movie musical **"Mary Poppins"**. On April 17th at 10am, children ages 2 to 5 with their parents or caregivers can join Geraldyn for **Hands on Music**, a fun musical exploration including songs,

movement, games, and musical instruments. The same day, children of all ages can drop by between 10am and 12pm for a **music-themed craft**.

The **Toe Jam Puppet Band** will be performing at the library on April 18th at 2pm. Kids 0 to 10, as well as their parents and caregivers, will love this exciting musical group. If you enjoy singing, dancing, puppetry, and storytelling, come and join us! You can find out more about the band on their website, www.toejampuppetband.com.

Our summer reading theme for 2013 is **"Dig Into Reading"**. Summer reading at the MPL will begin shortly after school ends, with an opening party on Saturday, June 22. The activities, parties, and crafts throughout the summer will cover a range of exciting, underground topics from archeology and paleontology to insects and gardening!

Stop by the Children's Room or check our website for more information as we get closer to the start of summer.

Children's Room Celebration

On Saturday, May 4 from 1-4pm, you are invited to join us for balloon animals, cake, fabulous door prizes and a drop-in craft, as we celebrate our beautifully remodeled Children's Room!

Stop by and meet our stuffed black bear and other new forest friends!

Have you seen our new birdhouses? The blue one is a question and comment box, so feel free to leave us a note.

Check Out Our Wii and DS Games!

NEW

Our collection of Wii and DS games is growing! Come take a look at the games we already have and keep an eye out for the new games that we plan to add in the near future.
