City Council President Edward J. Clancy
Marlborough City Council
140 Main Street
Marlborough, MA 01752

Re: Fiscal Year 2018 Budget Recommendation

Honorable President Clancy and Councilors:

As Mayor of the City of Marlborough, it is my duty and privilege to present my budget recommendation for Fiscal Year 2018. Over the course of the past few months, City Department heads and I have worked together to develop a comprehensive budget that reflects our priorities as a community.

The FY18 budget totals \$156,990,717 and represents a 4.9 percent increase over last year's total operating appropriation and, as a result, we anticipate a real estate tax increase of less than 3 percent next year. The increases this year are largely due to a combination of increased debt service because of investments we are making in our infrastructure, increasing health care costs, and growing MWRA costs.

Last year, we experienced an increase in debt service which was anticipated for several years. Due to upgrades to our wastewater treatment plants and Assabet Valley Regional Technical High School's renovation project as well as our borrowing to build the Senior Center, revitalize our parks and playgrounds, and improve Marlborough's roads. We can afford these upgrades because of years of prudent fiscal constraint, significant economic growth, and our long-term financial planning.

Health Insurance

The major cost driver this year is healthcare. Our health insurance premium costs increased seven percent this year, following an eight percent increase in FY17, and a six percent increase in FY16. These increases are unsustainable.

While state leaders are attempting to control health care costs and I appreciate Governor Baker's willingness to lead on this issue, we must act in the meantime to reduce costs for our employees, our retirees, and Marlborough taxpayers.

There are ways to reduce costs for both the City's share and the employee's share by creating tiers for health care providers, new copayments and deductibles. By designing a more flexible health insurance plan, we will be able to reduce costs borne by taxpayers and reduce employee's costs as

well. We will continue to offer excellent, comprehensive health insurance coverage, but we must begin to have the serious conversation about reducing costs.

As you know, the City Council has adopted the provisions of municipal health reform which enables us to make changes to health insurance coverage to achieve savings for taxpayers. This, in addition to my success in working with our unions to remove health insurance copay amounts from union contracts means we have more tools at our disposal to save on health care costs in future years.

I intend to implement changes to our health insurance to prevent another high increase in Fiscal Year 2019.

Public Safety

This year, my budget includes increasing the size of the Marlborough Police Department by two new full-time police officers. I agreed with former Chief Leonard's and Chief Giorgi's recommendation to add personnel to the department. We have had several retirees in recent months, and I have directed Chief Giorgi to replace the retirees with new officers in addition to hiring two new officers. We are experiencing growth throughout the City, particularly on the western side of the city and adding two officers will enable the police to provide additional coverage to those areas. I have also expressed to Chief Giorgi my concerns with traffic throughout Marlborough and with the added personnel he is planning increase our directed traffic patrols.

The Marlborough Fire Department has many vacant positions that are funded again this year. I'm pleased to report that 4 candidates are currently training in the Brookline Fire Academy and should be on duty in the next few months.

We have also begun implementing the reorganization plan that was recommended by Chief Breen. We recently eliminated the positions of Deputy Chief in lieu of two Assistant Chiefs. Assistant Chiefs Fred Flynn and Jeff Gogan are already working in their non-union, positions. Chief Breen has moved onto the next step in the reorganization to appoint four new Battalion Chiefs. Once this process is complete, he will move to the captain and lieutenant positions. Meanwhile, we continue to wait for the Legislature to approve our home rule petition to withdraw from civil service and will be hiring a significant number of new firefighters by year's end.

Please note that due to the revocation of civil service, we have increased the contract services budget for Human Resources. This increase will help fund the cost of implementing examinations and assessment centers, if needed, to follow the new hiring processes agreed to by the City and police and fire unions.

This year, the City of Marlborough lost one of our most widely respected, hardest working, and longest tenured employees in Emergency Management Director Don Cusson. Every day we miss Don and his infectious enthusiasm for serving the people of Marlborough. Since his passing, City departments discover more and more responsibilities that Don assumed that exceeded his job description as Emergency Management Director. He exemplified what we look for in a City employee: quiet dedication and a commitment to getting the job done.

We have eliminated the Emergency Management Budget because the long-term plan is to appoint a member of the Marlborough Fire Department into that role. We moved the account that funded Blackboard Connect/Reverse911 into the IT Budget.

Marlborough Public Schools

The Marlborough Public Schools continue to move forward. Investing in our schools has been one of my priorities and, thanks to your partnership, we have made consistent and substantial increases in funding to our public school system.

I want to thank my colleagues on the school committee and the school administration for understanding the City's financial constraints this year. The committee has forwarded an increase of less than three percent to the Fiscal Year 2017 budget.

We should be very proud of the investments we have made in Marlborough Public Schools in recent years and the results are clear: our school system grows stronger every year. We have a nationally recognized STEM program, students and teachers are accomplishing great things every day.

State Aid, Revenue & Expenses

The current budget proposal uses the figures from Governor Baker's budget proposal, which has a reduction of approximately \$790,000 in total state aid at this point in the budget process compared to the Fiscal Year 2017 actual budget. The House and Senate still have to complete their budget review and approvals.

The account for Massachusetts Water Resources Authority (MWRA) water is up 18.4 percent due to increased MWRA costs, chemical costs, and increased testing frequency as mandated by MassDEP.

Other Budget Highlights

- In recent fiscal years, the City utilized funding available through our cable trust monies to reduce the City's portion of the Information Technology budget, but as we have exhausted those monies available, the IT budget is again coming out of our regular operating budget.
- Several salary accounts have significant increases over the prior year. This is due to ongoing adjustments we have made to nonunion salaries in the City. I thank you for your support in making our Department Head salaries more competitive with comparable municipalities.

I look forward to working with you and answering any questions you may have on this proposal. Every department is available to appear before you and discuss their offices in greater depth.

Thank you in advance for your consideration.

Sincerely,

Arthur G. Vigeant
Mayor

RE: City Council's Receipt of Mayor's Annual Budget

Dear Mayor Vigeant:

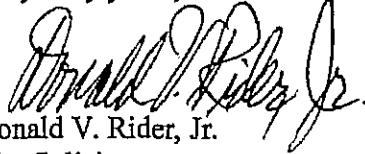

You have inquired as to how Massachusetts law determines the date of a city council's receipt of a mayor's annual budget.

In pertinent part, Mass. Gen. Laws c. 44, § 32 provides that a city council must take action, whether by approval, reduction or rejection, with respect to any amount recommended in a mayor's annual budget "within forty-five days after the receipt of the budget." Section 32 does not itself define how "the receipt of the budget" is determined, nor has there been occasion for a court to supply that definition. However, a proper reading of § 32 is that a city council receives the annual budget on the date when the mayor submits it to the city clerk on behalf of the city council.

Therefore, if you submit your annual budget to the Marlborough City Clerk, in her capacity as Clerk of the Marlborough City Council, on Thursday, April 20, 2017, that date would be the date of receipt by the Council. In turn, the Council would be required by § 32 to take action within 45 days of April 20, 2017, i.e., on or before June 4, 2017. However, since that date will be a Sunday, Mass. Gen. Laws c. 4, § 9 dictates that the Council's 45-day deadline would fall "on the next succeeding business day," i.e., Monday, June 5, 2017.

Thank you for your attention to this matter.

Very truly yours,

Donald V. Rider, Jr.
City Solicitor
