10-5-20 – Order No. 20-1008108: Communication from Mayor Vigeant with proposed amendments to the City Code, Chapter 125, PERSONNEL:

Section 125-10 Starting Minimum Rate, by inserting a new section 125-10 (C) Notwithstanding anything contrary in this chapter, for all other employees (non-union) in order to reflect an employee’s prior experience or performance, the Mayor is authorized to waive any (2) two steps on a salary schedule established under this chapter, at time of hiring or during employment; and also to add

Section 125-18 Vacations, by inserting a new section 125-18 (A) (4) Notwithstanding anything contrary in this chapter, for all other employees (non-union) in order to credit an employee’s experience in prior public or private employment, the Mayor is authorized to grant an increase of up to one (1) additional week of annual vacation time which may be made effective at any time of employment, pro-rated per completed month in that calendar year and thereafter received annually.

Any increase in annual vacation time above one week shall require City Council approval.

Chair Dumais called the meeting to order at 6:30PM.

Councilor Doucette supported the proposal with an amendment that would authorize the Mayor to waive two steps on the salary schedule but only at the time of hiring and to strike the words, ‘or during employment’ and to authorize the Mayor to grant an increase of up to one additional week of vacation but only at the time of hiring and not at any time of employment and any additional waiving of steps and vacation time would require City Council approval.

Councilor Landers supported the Mayor’s proposal re steps but did not support adding vacation time except during initial employment or when the appointment is being renewed.

Councilor Irish supported the Mayor’s proposal with sunset clause.
Councilor Ossing supported granting authorization to the Mayor to waive two steps and to grant a week of vacation but only at the time of hiring given the potential for abuse.

Councilor Navin agreed with granting the Mayor some flexibility at the time of hiring, agreeing with President Ossing.

Councilor Perlman stated she is less concerned about the timing than the transparency—because taxpayer dollars are involved there should be a reporting mechanism to the City Council, not necessarily when negotiations are ongoing but when the Mayor uses this authorization so that councilors know when the steps are waived or vacation time is granted.

Councilor Oram agreed with Councilor Perlman regarding the reporting mechanism as councilors should be aware when inequities exist as it might be necessary to have salary surveys on a more regular basis to ensure equity between new hires and longstanding employees.

On a motion by Councilor Doucette, seconded by Chair, the committee recommends approval of Section 125-10C as amended by deleting the words, ‘or during employment’ which would authorize the Mayor to waive two steps but only at the time of initial hiring and to remove the word ‘any’ in new section 125-18 (A)(4)Vacations which will authorize the Mayor to grant an increase of up to one (1) additional week of annual vacation time which may be effective at (strike out the word ‘any’) time of employment. Vote 3-0

Motion made and seconded to adjourn;
Meeting adjourned at 7:03PM

**Order No. 20-1001007995B: Application for Special Permit by WP Marlborough MA Owner LLC, 339 Boston Post Road East to construct a multifamily dwelling residential project.**

Applicant began the meeting with a PowerPoint highlighting the changes to the plans which include a 25% reduction of the project, eliminates one of the four buildings, reduces the unit count from 188 to 140, adjusts the setback on Rt.20 from 50 feet to 120 feet, and removes the satellite parking lot. In addition, this amended plan will leave 70% of site as greenspace—the riding ring will become a walking trail for residents with interior maintained under a meadow management plan monitored by the Conservation commission and the southeastern parcel will be restricted open space. The chair then read thru the amended Special Permit decision submitted by applicant and highlighted the changes: adding language to make it clear the applicant would hire an independent Erosion Control Expert as specified in the Conservation Commission conditions; adding in the final design of the site’s access driveways would incorporate designs planned by MADOT and approved by both MADOT and the City Engineer; the applicant would conduct a traffic signal warrant analysis; the applicant would provide payment not to exceed $35,000 to be used for installation of an in-line sewage grinder at the Boston Post Road pump station near site; and that on-site storage of snow would be removed from site if it created a shortage of parking spots for residents.

After discussion by voting committee members and others, it was decided that the next steps would be to have formal plans submitted to Site Plan with comments from department heads to come to this committee and then set up meeting to continue discussion. Conservation Officer Ryder, as a member of Site Plan discussion, will determine if this also needs to go back to Conservation Commission for review. Applicant did not speak in opposition to this procedure.

Councilor Doucette moved to extend the time limit to February 28, 2021; the motion was seconded. 
Roll Call vote: Councilor Landers-yes, Councilor Doucette-yes, Councilor Wagner-yes, Councilor Navin-yes, Councilor Robey-yes.

Councilor Doucette moved to adjourn; it was seconded. Roll Call: Councilor Navin-yes, Councilor Landers-yes, Councilor Wagner-yes, Councilor Doucette-yes, Councilor Robey-yes. The meeting adjourned at 8:27 PM.

The City Council of the City of Marlborough hereby GRANTS the application for a Sign Special Permit to Andrade/Lisa Realty LLC – Dunkin’ Donuts (the “Applicant”) for the property located at 269 East Main Street, Marlborough, Massachusetts, as provided in this Decision and subject to the following Procedural Findings, Findings of Facts and Conditions.

PROCEDURAL FINDINGS
