

# SWEEPING OUR WAY TO A CLEANER MARLBOROUGH

## Department of Public Works Annual Street Sweeping Program

*Street Sweeping Days · Monday - Friday*

*Street Sweeping Hours · 4 AM – 3:30 PM*

*Please park your vehicles off of the streets to make sweeping easier when you know they will be in your area. The sweeper will not return to clean areas where vehicles were blocking the gutter.*

→ *The City does not sweep sidewalks. We encourage residents to sweep the sand and debris into the gutters as soon as possible following the winter.*
