To all our Friends:

The staff at the Center remains dedicated to ensuring we all navigate these unusual times helping one another. There are a few programs in place that we want to be sure you are aware of:

- The Senior Center Transportation Program is still up and running. We are taking advantage of all the stores that are offering “Senior Friendly” hours. What that means is our bus is rolling early! This also means the stores are clean and fully stocked first thing in the morning!

- Alternatively, if you are not an early riser, we do have a team of volunteers ready to do your shopping and/or pharmacy pickups. Just call the Center and we can arrange it for you.

- Breakfast and Lunch Delivery is available through the Marlborough Public Schools. Simply go to your closest Elementary School Bus stop and tell the Bus Driver how many meals you need. If you do not want to go to the bus stop, call the closest Elementary school and tell them what you need, they will meet you curbside outside the school with your meals. School Department: 508-460-3509 Jaworek School ext. 3506 - Kane School ext. 3507 - Richer School ext. 3504

- FISH is still providing transportation to ‘routine’ medical appointments only. (Call your medical provider first, to be sure your appointment is still scheduled.) **DO NOT** call FISH if you are showing signs of cough, fever, running nose or respiratory issues as they cannot provide transportation for these types of appointments.

- The Marlborough Community Hotline number: 508-251-5622 provides information and assistance regarding City services and updates on COVID-19. This is **NON-EMERGENCY** number.

- **911 remains the number for ALL EMERGENCIES.**

If you have any questions or simply need to talk with someone please call us at the Center, we are here for you! 508-485-6492.
