

MARLBOROUGH PUBLIC LIBRARY

Home Delivery Service

VOLUNTEER DRIVER APPLICATION

Dear potential volunteer driver,

Thank you for your interest in driving for the Marlborough Public Library's Home Delivery Service.

The program serves Marlborough residents who have permanent or temporary physical limitations or transportation challenges. The service provides materials delivered to their homes once per month.

Your duties will be to pick up new materials from the library, drop them off at the patron's home and then return previously borrowed materials to the library. You may drive for one or more people.

This application is the first step in applying for a volunteer driver position with this program. The second step is a CORI (Criminal Offender Record Information) check.
