Re: Marlborough Public Library Naming Rights

Dear Council President Clancy:

Please find enclosed a proposed revision of the City Code to allow the Board of Library Trustees to name public assets located in and at the Marlborough Public Library.

The City Council established a naming rights ordinance for all new public facilities and streets in 1986. The proposed ordinance would keep this in place while allowing the Library Trustees some flexibility to name places or collections within the Library.

Supporters of the Library have organized a capital campaign to raise private funds to defray the cost of the library renovation and addition project. Allowing potential donors to name collections or spaces at the Library will likely assist their efforts to raise funds. Upon City Council approval of this ordinance, the Library Trustees would develop a naming rights policy to apply to all potential naming rights proposals.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Arthur Vigeant
Mayor
