RE: Federal Coronavirus Relief Fund Acceptance

Honorable President Ossing and Councilors:

Enclosed for your acceptance is the Federal Coronavirus Aid, Relief and Economic Security Act (CARES Act) funding for \$3,511,279.00 that has been allocated to the City of Marlborough by the Commonwealth of Massachusetts.

The funds have been authorized for expenses between March 1, 2020 through October 29, 2021 and covered all costs associated with the Board of Health, PPE supplies, unemployment claims, HVAC, and cleaning of city buildings.

Thank you in advance for your cooperation.

Sincerely,

Arthur G. Vigeant

Mayor

Re: Federal Coronavirus Relief Fund

The federal Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") includes funds for Massachusetts governments to use to pay costs incurred in responding to the COVID-19 outbreak. This memo describes how your city or town can access funds for that purpose.

#### Background

The CARES Act authorized \$150 B through the Coronavirus Relief Fund for state and local governments, including \$2.7 B for Massachusetts. Aside from large local government units (Boston and Plymouth County), funds have been sent in the first instance to the state, with the expectation that the state will use funds for its own expenses and those of municipalities.

The Executive Office for Administration and Finance ("A&F") has established an expendable trust to hold the federal funds and is authorized to spend from that trust on the basis of the federal law.

#### Eligible Uses

Under federal law, eligible uses must meet three conditions. They must be:

- 1. "Necessary expenditures incurred due to the public health emergency with respect to ... COVID-19"
  - a. Funds may not be used to substitute for lost revenue
- 2. Not budgeted as of March 27, 2020 when the CARES Act was enacted
  - a. May not supplant state or municipal spending
- 3. Incurred on or after March 1, 2020, up to December 30, 2020

For further context on costs that A&F anticipates municipalities may incur, see the attached list of potential uses (Attachment A). If your municipality contemplates the use of funds outside these parameters, please contact the Division of Local Services (DLS) at LocalGovCaresAct@dor.state.ma.us and we will follow up to discuss your needs further.

Note that these eligible uses are as currently described in federal law and relevant guidance from the US Treasury. If these uses are modified by future federal actions, A&F will revisit the process and procedures described in this guidance.

#### Intersection with Other Funding Sources

Eligible uses of the federal Coronavirus Relief Fund may overlap with allowable uses of other federal grants and reimbursements. A&F will be working with the Command Center,\* state agencies, and municipalities to optimize the use of federal funds.

As a condition of accepting federal Coronavirus Relief Fund money, municipalities must maximize Federal Emergency Management Agency ("FEMA") reimbursements. In other words, for costs that appear eligible under the federal Coronavirus Relief Fund as well as for FEMA reimbursement, municipalities must apply for FEMA reimbursement.<sup>†</sup> Federal dollars cannot under any circumstances be claimed twice for the same spending. DLS will issue further guidance on establishment of appropriate fund structures for both anticipated FEMA reimbursement and CARES Act funds.

To the extent that municipalities are unsure of their precise needs or need money for cash flow purposes, they are free to request funds from the federal Coronavirus Relief Fund, with the understanding that unspent amounts will need to be returned to the Commonwealth.

While this approach may be a little complicated due to possible multiple funding sources for similar expenses, providing municipalities with funding now eliminates or reduces FY20 deficits and helps with cash flow issues.

#### Available Funds

A&F has determined that initially 25% of total federal Coronavirus Relief Fund dollars to the Commonwealth will be directly available for municipalities. After subtracting amounts for Boston and Plymouth County municipalities, funds have been allocated in proportion to population. The attached chart indicates total eligible amounts for each municipality to be distributed in this FY20 round and a subsequent FY21 round later in the calendar year.

At this time, cities and towns are asked to estimate their FY20 COVID-19 expenses. Municipalities who request less than the amount for which they are eligible do not forego the opportunity to ask for additional funds at a later date. Municipalities will be asked to estimate their COVID-19 expenses in FY21 still within the same ceiling. In other words, the ceiling is the preliminary total amount available for FY20 and FY21, but at this point all you are being asked to do is estimate your FY20 COVID-19 expenses.

<sup>\*</sup> The Command Center, headed by Health and Human Services Secretary Marylou Sudders, is the coordinating entity for the administration's response to the COVID-19 outbreak.

<sup>†</sup> For further information on the FEMA reimbursement process, please see MEMA's resource page: https://www.mass.gov/info-details/covid-19-federal-disaster-declaration.

Note that to the extent actual expenditures are less than the amount requested, at this time A&F expects that municipalities will be required to return the balance of unspent funds to the Commonwealth.

This approach is intended to get money out to municipalities quickly, and to allow adjustments over the coming months. A&F and DLS will continue to monitor the situation and may make additional funds available at a later date. Please contact DLS at

<u>LocalGovCaresAct@dor.state.ma.us</u> if your FY20 expenditures are likely to exceed the eligible amounts in the first round. Municipalities located in Plymouth County should contact county officials for information about the Coronavirus Relief Fund.

#### Dispersal of Funds

Municipalities, through their chief executive officer, should complete the <u>web-based application</u> form. The application asks for estimates of FY20 incurred or anticipated expenses for each category listed in Attachment A. Based on these estimated amounts, the application will calculate an Estimated Request amount based on an assumed FEMA reimbursement rate for each category. Municipalities may request an amount above or below the Estimated Request using the Other Request field.

Further, municipalities must return the certification (see Attachment B) through the web-based application form and agree to document costs and to return unspent funds, if any. The application deadline is Friday, June 5, 2020, but submissions will be reviewed and approved on a rolling basis.

DLS will provide guidance regarding local accounting requirements (e.g., treatment of funds, general ledger entries, etc.) via a Bulletin.

#### Audit Provisions and Documentation

Federal Coronavirus Relief Fund expenditures are subject to audit by an Inspector General within the U.S. Department of the Treasury. Documenting that costs were eligible uses are essential to managing compliance risk and to minimizing the possibility that the costs are deemed ineligible, thereby requiring that the municipality and the state may need to return funds to the federal government.

A&F will establish a bimonthly reporting process to monitor incurred spending relative to estimates, and to ensure that documentation is adequate to minimize compliance risk.

For now, we ask that you document costs clearly with respect to the date and nature of the expense incurred so that together we can best manage resources in the interests of the residents of Massachusetts. In general, we will be asking that you document expenses with the same specificity as for FEMA reimbursements. A&F will follow up with further guidance as necessary.

Thank you for your cooperation as we work together to protect the interests of all our residents.

#### Attachment A- Potential Municipal Uses

Note that the state and municipalities should coordinate on appropriate funding source where more than one source is potentially available for the purpose. For purposes of calculating the Estimated Request, costs in categories denoted with an asterisk (\*) are assumed to be ineligible for FEMA reimbursement but FEMA has final approval for eligibility determination. Cost in all other categories are assumed to be reimbursed by FEMA at a rate of 75 percent.

- Core municipal services, in a declared state of emergency
  - o First responder costs, including:
    - Direct staffing costs Overtime, additional hires, and/or backfilling staff who test positive
    - Quarantine/isolation costs for first responders who may be infected and should not put household members at risk – or who should be kept apart from potentially infected household members
      - Including hotel/motel space, sanitization of first responder vehicles, etc.
  - o Temporary staff to backfill sick or quarantined municipal employees including:
    - City/town management
    - Phone/administrative support
    - Janitorial
    - Police, fire, EMT
    - Trash collection
    - Other
  - o Staff for compliance and reporting associated with this funding
  - Accelerated telework capacity infrastructure, subscriptions for meeting services, hardware (laptops)\*
  - Hiring and training, including training for employees and contractors hired for COVID-19 response
  - o PPE, including first responders, grocery store employees, gas station attendants and others who interact with public
  - o Sanitation and Refuse Collection\*
  - Food inspection\*
  - o Cleaning/disinfection of public buildings
    - Municipal buildings, including fire stations
    - Public housing
    - Specialized cleaning equipment
    - Air filtration / HVAC
  - o School distance learning, to the extent not funded from other sources, including
    - Planning and development, including IT costs\*
    - Incremental costs of special education services required under individual education plans (IEPs) in a remote, distance, or alternative location\*
    - Food for families that rely on food through the school system\*
  - Costs of debt financing related to COVID-19 investments short-term borrowing and construction carrying costs\*

- Health insurance claims costs in excess of reasonably budgeted claims costs, and directly related to COVID-19 medical costs
- Expanded public health mission
  - Boards of health staffing needs to the extent not addressed with public health funding
  - o Use of public spaces/building as field hospitals
  - Shelter for those who are homeless or otherwise have nowhere they can go without significant risk to themselves or other household members, and are at high risk of or recovering from COVID-19
  - o Food banks / food pantries need tied to COVID-19\*
  - o Travel expenses for distribution of resources
  - o Transporting residents to COVID-19 medical and testing appointments
  - Signage and communication including translation services
  - o Educational materials related to COVID-19
  - o Testing for COVID-19
- Services and supports to residents in their homes
  - o Grocery and/or meals delivery modeled on COA activities
    - Expanded participation
    - Replacement of meals delivery volunteer staff (often retirees)
  - Wellness check-ins with vulnerable elders\*
  - Short-term rental or mortgage support\*
  - o Prescription drug delivery\*

#### Attachment B - CERTIFICATION

- I, [Insert name of signatory], am the chief executive of [insert name of municipality], and I certify that:
  - 1. I have the authority on behalf of [insert name of municipality] to request payment from the Commonwealth of Massachusetts. At this time, I am requesting payment in the amount of [\$X reflecting current estimate of eligible FY20 costs] for fiscal year 2020 costs in connection with section 601 of the Social Security Act, as added by section 5001 of the Coronavirus Aid, Relief, and Economic Security Act, Pub. L. No. 116-136, div. A, Title V (Mar. 27, 2020) ("section 601").
  - 2. I understand that the Commonwealth will rely on this certification as a material representation in making a payment to [insert name of municipality].
  - 3. As required by federal law, [Insert name of municipality]'s proposed uses of the funds provided as payment in response to this request will be used only to cover those costs that
    - a. are necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19);
    - b. were not accounted for in the budget most recently approved as of March 27, 2020, for [insert name of municipality]; and
    - c. were incurred during the period that begins on March 1, 2020, and ends on December 30, 2020.
  - 4. I will report bimonthly on incurred expenses in a form prescribed by the Secretary of Administration and Finance, and will cooperate with the Executive Office for Administration and Finance in creating and retaining appropriate documentation to demonstrate that the proposed uses meet the requirements of section 601.
  - 5. I will coordinate with the Executive Office for Administration and Finance in optimizing federal funds from section 601 and other potentially available federal sources. In particular, I will prioritize and coordinate application for FEMA reimbursement where available.
  - 6. To the extent actual expenditures are less than the amount requested per item 1 above, I agree to return the balance of unspent funds to the Commonwealth. If the United States Department of the Treasury recoups funds from the Commonwealth based on a determination they were used by [insert name of municipality] in a manner not in compliance with section 601, I agree that the Commonwealth may recover funds from the city or town through an assessment or deduction from the city or town's periodic unrestricted local aid distribution.

#### MEMORANDUM

TO: Municipal Chief Executives

FR: Heath Fahle, A&F FFO

**DT:** June 1, 2021

RE: Deadline Extension for the Coronavirus Relief Fund – Municipal Program

The Commonwealth of Massachusetts created the Coronavirus Relief Fund – Municipal Program (CvRF-MP) to make up to \$502 million in federal resources available to municipalities to respond to the public health emergency caused by the Coronavirus Disease (COVID-19). This memorandum provides an updated deadline for the conclusion of CvRF-MP and other related details.

#### Conclusion of CvRF-MP

On December 17, 2020, the Executive Office for Administration & Finance (A&F) announced the CvRF-MP Reconciliation Period for municipalities to access the remaining portion of the total amount available to them on a reimbursement basis. The deadline for this period was originally scheduled to end January 29, 2021. This deadline was later extended until the end of February 2021 and then to June 30, 2021.

This memorandum announces the final extension of the program deadline to 4pm on Friday, October 29, 2021.

Municipalities with a remaining balance of their allocation can apply for reimbursements until that date. This deadline provides cities and towns with more time to access CvRF-MP funds and gives the Commonwealth the ability to reallocate unexpended balances instead of returning them to the federal government.

In general, A&F expects municipalities to receive the beneficial use of CvRF-MP resources (i.e., goods delivered, services rendered) by October 29, 2021.

A&F may, in certain limited circumstances, pre-approve use of CvRF resources if the beneficial use will take place between October 30, 2021 and December 31, 2021. However, this pre-approval will need to occur by October 29, 2021 so the Commonwealth can account for unexpended balances and re-allocate those funds to essential public needs instead of reverting to the federal government.

#### Eligible Uses & Compliance

Managing compliance risks remains a key focus for A&F. Municipalities should remain cognizant of these concerns over the coming months. For example, CvRF eligible expenses must

be necessary due to the COVID-19 public health emergency. This standard may be more difficult to satisfy as COVID restrictions ease.

The concurrent availability of multiple federal funding sources for similar expenses creates significant administrative challenges. Municipal officials are advised to take all reasonable steps to simultaneously manage CvRF-MP, the American Rescue Plan Act Coronavirus Local Fiscal Recovery Fund (CLFRF), the FEMA Public Assistance grant program, and other federal grants.

#### **Next Steps**

Municipalities are reminded of the two distinct workstreams associated with CvRF-MP, including:

- Reconciliation Period Applications Municipalities apply for reimbursement for CvRFeligible expenses as described in the <u>program guidance</u>. As noted above, this application process will conclude on October 29, 2021.
- Quarterly spending reports The US Department of the Treasury requires quarterly spending reports for CvRF. Municipalities should continue to submit quarterly spending reports until September 2, 2022. Please review the <u>program guidance</u> for more information.

Council President Ossing Marlborough City Council 140 Main Street Marlborough, MA 01752

RE: Coronavirus Local Fiscal Recovery Fund (CLFRF)

Honorable President Ossing and Councilors:

Enclosed for your acceptance is the Coronavirus Local Fiscal Recovery Fund package for \$11,835,814.00 that has been allocated to the City of Marlborough through the American Rescue Plan Act of 2021 (ARPA), Pub. L. No. 117-2.

These funds can only be used for four broad purposes; 1) addressing the public health emergency and/or negative economic impacts; 2) investment in water, sewer or broadband infrastructure; 3) revenue loss due to the pandemic; and 4) premium pay for essential workers.

It is our intent is to use the large majority of these funds for investment in water and sewer projects.

Thank you in advance for your cooperation.

Arthur G. Vigeant

Mayor

Sincerely,

**Enclosures**

#### **MEMORANDUM**

**TO:** Municipal and County Chief Executives

FR: Executive Office for Administration & Finance Federal Funds Office (FFO)

**DT:** June 3, 2021

RE: Coronavirus Local Fiscal Recovery Fund (CLFRF) Eligible Uses

On March 11, 2021, the President of the United States signed into law the American Rescue Plan Act of 2021 (ARPA), Pub. L. No. 117-2. This law provides resources through the new Coronavirus Local Fiscal Recovery Fund (CLFRF) to local governments to respond to the public health emergency caused by the Coronavirus Disease (COVID-19). This fund is administered by the US Department of the Treasury (hereafter, "US Treasury" or "Treasury").

On May 10, 2021, the US Treasury issued the <u>Interim Final Rule</u> (IFR) (i.e., eligibility guidelines) document for CLFRF. The "key takeaways" regarding eligibility uses of CLFRF are outlined in this memo. This memo should be used as a brief outline of the relevant Treasury guidance. For specific eligibility questions, municipalities should refer to Treasury's published materials.

Of note, unlike with the CARES Act Coronavirus Relief Fund – Municipal Program (CvRF-MP), A&F's Federal Funds Office (FFO) and the Division of Local Services (DLS) will not make individual eligibility determinations regarding the use of CLFRF for specific expenses. The responsibility for such determinations falls on the municipality or county, as they are the "prime recipient" of the funding. Municipalities and counties should refer to the IFR when making such determinations. This varies from CvRF-MP, as the Commonwealth was the prime recipient of the relevant CvRF-MP funding, which was then "sub-granted" to eligible municipalities (the "subrecipients").

#### Eligible Uses

Treasury has identified five core areas for deploying funds:

- 1. **Public health spending**. This includes COVID-19 mitigation efforts, medical expenses, behavioral health, and certain public health and safety staff.
- 2. Economic impacts of the public health emergency. These include efforts to mitigate economic harm to workers, households, small businesses, affected industries, and the public sector.
- 3. Lost public sector revenue. Payments may be used to fund government services to the extent of revenue reductions from the pandemic (further information on this eligible use can be found here).
- 4. **Premium pay for essential workers**. Funds may be used for additional support for those who have faced the greatest health risks because of their service in critical infrastructure sectors (further information on this eligible use can be found in the IFR, pages 40-46).

- Water, sewer, and broadband infrastructure. Recipients may invest to improve access
  to clean drinking water, support wastewater and stormwater infrastructure, and expand
  access to broadband internet.
  - a. Wide range of eligible water and sewer infrastructure projects specifically, all that would otherwise be eligible to receive financial assistance through the Environmental Protection Agency's (EPA) Clean Water State Revolving Fund (CWSRF) or Drinking Water State Revolving Fund (DWSRF).
  - b. Broadband projects must provide service to unserved and underserved households and businesses. Eligible projects are expected to be designed to deliver, upon project completion, service that reliably meets or exceeds symmetrical upload and download speeds of 100 Mbps

#### Potential eligible uses within these five core areas include the following expenses:

- Direct COVID-related costs (testing, contact tracing, etc.)
- Public health and safety staff
- Hiring state and local government staff up to the number of employees to pre-pandemic levels
- Assistance to unemployed workers, including job training
- Contributions to UI systems
- Small business assistance
- Nonprofit assistance
- Assistance to households
- Aid to impacted industries
- Expenses to improve efficacy of public health or economic relief programs
- Survivor's benefits

#### CLFRF funding cannot be used to:

- Replenish a "rainy day" fund or other reserve fund
- Make a deposit to a pension fund

#### Addressing Disparities in Public Health Outcomes

Additional uses are eligible for populations within a "Qualified Census Tract" (QCT) - a low-income area as designated by the Department of Housing and Urban Development. The recipients of such services are presumed eligible without an individual determination of COVID-19 impact due to Treasury's presumption of adverse impacts from COVID-19 to all populations located within a QCT. Services targeted towards these populations and funded through CLFRF can include all eligible uses listed above, as well as those that:

- Address health disparities and the social determinants of health
- Invest in housing and neighborhoods
- · Address educational disparities
- · Promote healthy childhood environments

Recipients (municipalities and counties) have the ability to generate their own definition of "disproportionately impacted populations or communities", so long as the recipient can "support their determination that the pandemic resulted in disproportionate public health or economic outcomes to the specific populations, households, or geographic areas to be served."

#### **Transfers**

Counties and municipalities are able to transfer CLFRF funding other governmental, private, and non-profit organizations. The IFR stipulates that the transferee becomes the subrecipient and the transferor (in this scenario, the county or municipality), as the prime recipient, is responsible for ensuring that transferred funds used in compliance with guidelines laid out in the IFR and maintains responsibility for all relevant spending reporting requirements.

Counties and municipalities are able to transfer their award to the Commonwealth without such subrecipient restrictions applying, however. In this scenario, the Commonwealth becomes the prime recipient of the funding and Treasury adjusts award amounts for the "original" recipient accordingly. For such a transfer to be initiated, the county or municipality must submit a formal request to Treasury.

Re: Grant acceptance for MPD-community outreach

Dear President Ossing and Councilors:

Enclosed for your acceptance is a grant for \$2,000.00 from the Cummings Community Giving program through Cummings Properties LLC and their affiliate New Horizons of Marlborough.

This gift will help fund community outreach programs for the Marlborough Police Department.

We are grateful to the Cummings Community Giving program and Michael Burnell and Paul Bracken who each selected the MPD as their chosen recipient.

If you have any questions, please do not hesitate to contact me or Chief David Giorgi.

Sincerely,

Arthur G. Vigeant

Mayor

Mayor Arthur G. Vigeant City Hall 140 Main Street Marlborough, MA 01752

#### Dear Mayor Vigeant:

The Marlborough Police Department has received two donation checks in the amount of \$1,000.00 each from Cummings Community Giving as presented by Cummings Properties LLC which is affiliated with the New Horizons facility in Marlborough. The gift donation was made in the honor of and at the recommendation of two New Horizon employees and Marlborough residents- Michael Burnell and Paul Bracken. The donation has been offered to the department as Cummings Community Giving seeks to recognize and support the communities where colleagues and employees of their company reside. In addition, the donation significantly aids the department's ability to offer community outreach programs to residents of the City and is a genuine gesture of support welcomed by our officers.

Attached is a copy of the two letters which our department received from Cummings Community Giving, a Notice of Grant Award, as well as copy of the checks. I am requesting that the donation be forwarded to the City Council for approval. Should you have any questions, please do not hesitate to let me know.

Sincerely,

David A. Giorgi Chief of Police

November 22, 2021

Chief David Giorgi Marlborough Police Department 355 Bolton Street Marlborough, MA 01752

Congratulations! Cummings Properties is delighted to present Marlborough Police Department with a \$1,000 donation to be used for the area of greatest need.

This gift is in honor of, and is being made at the recommendation of: Paul Bracken, 750 Farm Road #212, Marlborough, MA 01752-6408

Through Cummings Community Giving, our firm seeks to recognize and support the communities where colleagues in its real estate division and its affiliated New Horizons retirement communities (Marlborough and Woburn) live. Along with this gift, please accept our heartfelt appreciation for your valuable work, as well as our very best wishes for your organization's continued success.

Please contact Communications Admin Cindy Carey at 781-569-2335 or <a href="mailto:cxc@cummings.com">cxc@cummings.com</a> with questions. More information about Cummings Community Giving is available at <a href="https://www.cummings.com/charity">www.cummings.com/charity</a>.

Ryan P. Egan EXECUTIVE SECRETARY

December 16, 2021

Council President Ossing Marlborough City Council 140 Main Street Marlborough, MA 01752

RE: Proposed Zoning Amendment to Jefferson Street area

Honorable President Ossing and Councilors:

Enclosed for your review and consideration for adoption is a proposed zoning map ordinance amendment regarding a portion of the Jefferson Street area.

All of one side of Jefferson Street, the first few lots on the bottom of Highland adjacent to the rail trail and a small portion of Lincoln Street are currently zoned Commercial Automotive and single family residential is not allowed. I suggest taking the initiative to preserve this area for residential and neighborhood business and prevent additional automotive or other uses not appropriate in this limited area by changing the zoning as outlined in the enclosed proposed amendment to the zoning ordinance. Please see enclosed map and note that there is still an area for Commercial Automotive that will not be affected.

The suggested changes are part of our overall revitalization of Lincoln Street and the French Hill neighborhood that has been underway for some time and is an expansion of the recently adopted Neighborhood Business zoning.

I suggest this proposed zoning change be initiated in accordance with MGL c. 40A, s. 5 and advertised as soon as possible, while moving it through the subcommittee process for further review. I am available for any questions that may arise.

Sincerely,

Arthur G. Vigeant

Mayor

#### ORDERED:

THAT, PURSUANT TO SECTION 5 OF CHAPTER 40A OF THE GENERAL LAWS, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MARLBOROUGH THAT CHAPTER 650 OF THE CODE OF THE CITY OF MARLBOROUGH, AS MOST RECENTLY AMENDED, BE FURTHER AMENDED AS FOLLOWS:

- I. The Zoning Map established by Chapter 650, Zoning, Article III Establishment of Districts, Section 650-8 "Boundaries Established; Zoning Map" is hereby amended as follows:
  - a. The zoning map amendments set forth herein shall be as shown on the map attached herewith entitled "Proposed Zoning Change Commercial Automotive to NB & RB";
  - b. The land shown on said attached map as "CA to NB" shall be included in the Neighborhood Business (NB) District. Said land includes the following:

City Assessor Map 56, Parcels 147, 148, 150, 151, 152, 153, and land within the rail trail corridor including the former rail spur; and

c. The land shown on said attached map as "CA to RB" shall be included in the Residence B (RB) District. Said land includes the following:

City Assessor Map 56, Parcels 154, 155, 156, 157, and 158.

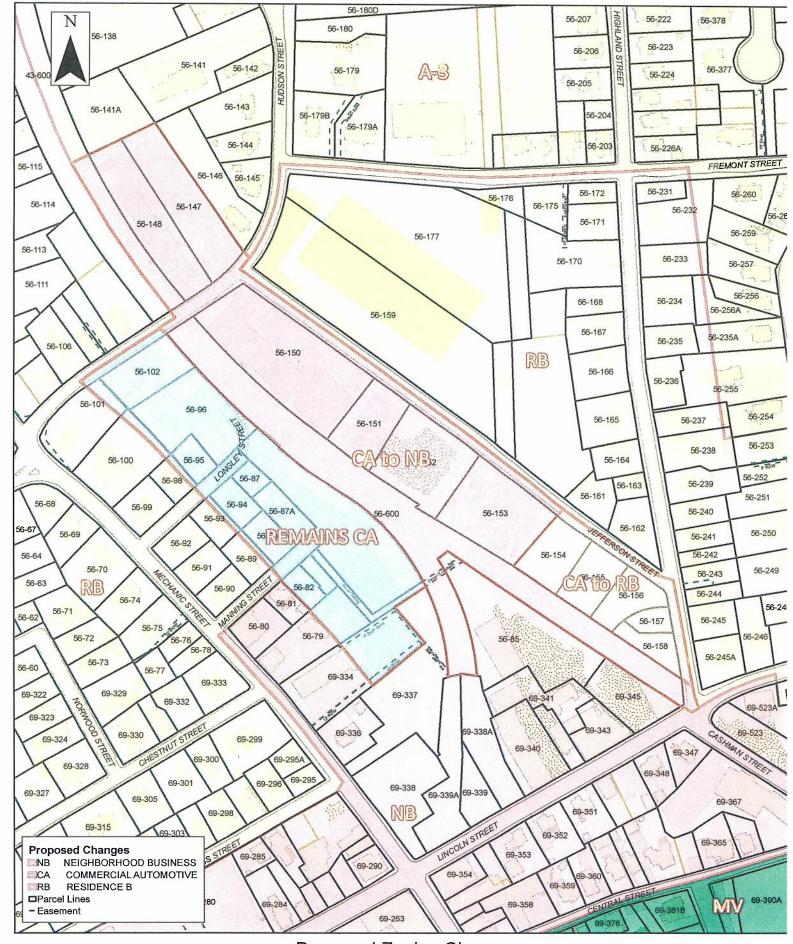

II. The effective date of these amendments shall be the date of passage.

Michael H. Ossing, President Marlborough City Council City Hall 140 Main Street Marlborough, MA 01752

Re: City Council Order No. 21-1008404

Development Agreement with BH GRP TCAM Owner, LLC ("Owner")

RWMUOD Sub-District 2

Dear Honorable President Ossing and Councilors:

As requested, I provide this letter as to the legal form of the above-referenced proposed development agreement. Enclosed is a copy of the proposed agreement for consideration.

In reviewing the agreement as to legal form, I recommend and incorporated a significant number of revisions to the proposed language, working with counsel for the Owner, based upon differences between this document and the 2013 development agreement between the City and Atlantic-Marlboro Realty, LLC in the original overlay district, and other similar agreements. Enclosed please find a red-line showing the incorporated revisions for the City Council's information.

While I have prepared the document in legal form, I note a couple of highlighted sections where I recommend the City Council's review and/or clarification of the substantive terms, as follows:

- Section 3.02, Public Access and Connectivity: As the "Public Safety Payment" is now a two-part payment, confirm whether it is the First or the Second payment that will be the basis for commencing City's evaluation regarding street acceptance. The Owner has proposed it be the "First Public Safety Payment."
- Exhibit C, Transportation Mitigation: Recommended clarification of the mitigation benchmarks linked to "development". The Owner has proposed the revisions shown in the red-line, which are acceptable as to legal form. However, I note these for the City Council's consideration.

As the City Council is aware, Ord. 650-33(C) requires a super-majority (2/3) vote, in order to approve both the master plan and the development agreement. A proposed order is enclosed.

Please contact me if you have any questions or concerns.

Respectfully,

Jason D. Grossfield City Solicitor

Enclosures

cc: Arthur G. Vigeant, Mayor

#### DEVELOPMENT AGREEMENT

This Developm	ent Agreement (the	: " <u>Developn</u>	nent Agree	ment") is	entered in	to as of	the
day of	, 2021, by BH	GRP TCAM	I Owner, L	LC, a Del	laware lim	ited liabil	lity
company (hereinafter	with any nominee,	successor,	or assign,	the "Ow	mer") and	the City	of
Marlborough, Massach	usetts (the "City").						

#### RECITALS

WHEREAS, Owner is the owner of approximately 120 acres of land located at 100, 110, 250 and 350 Campus Drive, Marlborough, Middlesex County, Massachusetts, as more particularly described in **Exhibit A** attached hereto (the "Property"), which Property comprises two tracts of land bisected by a private way known as Martinangelo Drive (the tract of land to the north of Martinangelo Drive being referred to herein as the "Residential Site" and the tract of land to the south of Martinangelo Drive being referred to herein as the "Campus Site"); and

WHEREAS, the Owner's title to (i) the Residential Site is pursuant to a deed recorded with the Middlesex South District Registry of Deeds (the "Registry") in Book 74877, Page 462; and (ii) the Campus Site is pursuant to a deed recorded with Registry in Book 74877, Page 455; and

WHEREAS, the Campus Site is subjected to a condominium form of ownership pursuant to a Master Deed dated November 10, 2004 and recorded in the Registry in Book 44111, Page 102 and a Declaration of Trust dated November 10, 2004 and recorded in the Registry in Book 44111, Page 142 (collectively, the "Condominium Documents"); and

WHEREAS, the Property may constitute one or more parcels or condominium units from time to time (each, hereinafter a "Development Parcel"); and

WHEREAS, the Campus Site is currently developed by commercial buildings comprising approximately 550,000 square feet of office space constructed as Phase I of the Campus at Marlborough master development (the "Master Development") pursuant to a June 1997 Site Plan Approval (the "Phase I Site Plan Approval"); and

WHEREAS, the development of additional commercial development has previously been authorized upon the Campus Site pursuant to a Site Plan Approval (SP-2005-0016) issued on November 22, 2005 by the Marlborough Site Plan Review Committee (the "SPRC") for Phase II of the Master Development (as modified as described below, the "Phase II Site Plan Approval", and together with the Phase I Site Plan Approval, the "Existing Site Plan Approval"), permitting the construction of an additional 650,000 square feet of office space and 2,528 net new parking spaces on the Campus Site; and

WHEREAS, on December 19, 2005, the Marlborough City Council issued a Sewer Connection Permit allowing up to 50,232 gallons per day (GPD) of wastewater discharge from Phase II of the Master Development (the "Sewer Connection Permit"), in addition to 64,875 GPD from Phase I of the Master Development, for a total of 115,107 GPD for the Campus Site, of which approximately 60,000 gallons per day (GPD) remain available for use; and

WHEREAS, although the buildings and improvements authorized by the Sewer Connection Permit and the Phase II Site Plan Approval have not yet been constructed (except for the parking facility currently under construction as described below), both of these approvals have been extended by the City Council a number of times, most recently on November 5, 2018, and were automatically tolled during the State of Emergency relating to the COVID-19 Pandemic pursuant to Section 17(b)(iii) of Chapter 53 of the Acts of 2020, such that both the Sewer Connection Permit and the Phase II Site Plan Approval remain in effect through March 9, 2022; and

WHEREAS, on July 7, 2021, the SPRC approved a modification of the Phase II Site Plan Approval to allow for the construction of an approximately 312-space (including 197 net new spaces), four-story structured parking facility containing approximately 84,200 square feet of floor area which is currently under construction (such parking facility, once completed, together with the approximately 550,000 square feet of existing office buildings, the "Existing Improvements"), and no other improvements have been constructed under the Phase II Site Plan Approval; and

WHEREAS, on June 14, 2021, the City Council rezoned the Property to be included as "Subdistrict 2" within the Results Way Mixed Use Overlay District (the "Overlay Zoning"), as set forth in Section 650-33 (originally adopted by the City on December 21, 2012 and last amended on June 14, 2021) of the Zoning Ordinance of the City of Marlborough, Massachusetts (the "Zoning Ordinance"); and

WHEREAS, the Owner now intends to complete the master-planned development of the Property by the construction of buildings and structures thereon (each, a "Component") constituting the mixed use development or "MUD" in said Subdistrict 2 to be used for a variety of uses including, without limitation, office, biomanufacturing, research and development, multifamily residential, retail and restaurant uses (the "Project"), to be located on one or more Development Parcels, all pursuant to the Overlay Zoning and in accordance with this Development Agreement; and

WHEREAS, the City has approved that certain master concept plan depicting the Project and the Existing Improvements entitled, "Master Concept Plan RWMUOD Subdistrict 2" dated October 25, 2021, prepared by VHB (the "Master Concept Plan") and included as **Exhibit B**; and

WHEREAS, as required under the terms of the Overlay Zoning, the Owner agrees to impose on the Property the limitations set forth herein, for the benefit of the City, which shall have the power to enforce the terms hereof; and

WHEREAS, the Owner and the City wish to set forth herein their agreement on the aforementioned matters; and

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Owner hereby declares the following development restrictions on the Property, and the Owner and the City agree as follows:

#### **AGREEMENT**

#### ARTICLE I. IMPLEMENTATION OF PROJECT

Section 1.01 <u>Site Plan Approval</u>. All components of the Project shall hereinafter require site plan approval from the City Council in accordance with the requirements of the Overlay Zoning. It is the intent of the parties that the Owner's (or its designee's) first application for site plan approval for a new commercial-use Component of the Project on the Campus Site under the Overlay Zoning will also include and incorporate the Existing Improvements. Approval of such a site plan by the City Council under the Overlay Zoning shall supersede the Existing Site Plan Approval, which shall then no longer govern the Existing Improvements. For the avoidance of doubt, upon such approval, the Existing Improvements will be governed by the Overlay Zoning and no longer be subject to the requirement of a Large Tract Development Lot as set forth in the Zoning Ordinance that the Campus Site be held in "common ownership."

Section 1.02 Third Party Consultants. The City Council, in connection with its review of any special permit and/or site plan review application submitted in connection with any Component(s) under the terms of the Overlay Zoning, shall be permitted to retain the experts and consultants reasonably determined by the City Council as necessary to conduct an appropriate review of any such application. The reasonable costs and expenses of such experts and consultants shall be paid by the Owner of the Development Parcel(s) upon which such Component is located. The City Council shall provide such Owner with the Council's selected name, scope of services and projected costs of the expert or consultant it proposes to retain. Such Owner shall have five (5) business days, from the date of such Owner's receipt of the City Council's proposed selection, to approve or object to that proposed selection, and any such objection shall be in writing and shall specify the reasons for objection. If the Owner fails to object, the Owner shall be deemed to have approved the City Council's selection. If the Owner objects and the basis for objection cannot be resolved, the City Council shall provide the Owner with an alternative selection. An Owner shall, within thirty (30) calendar days of such Owner's receipt, pay any invoice provided to such Owner by the City Council relating to services provided by a selected expert or consultant that has been approved pursuant to the foregoing, in connection with a special permit and/or site plan review application submitted in connection with any Development Parcel(s) owned by such Owner.

Section 1.03 Project Phasing. The Owner is currently proceeding with construction of the four-story parking structure described above to enhance and support the Existing Improvements. Additional Project phases and Components are identified on the Master Concept Plan. Although market conditions will dictate the phasing of the further development of the Property, at present it is envisioned that planning, permitting and construction of both the Residential Component and Bio-Ring Building 5, each as shown generally on the Master Concept Plan, will proceed within one (1) year of the date of this Development Agreement.

Section 1.04 <u>Sewer</u>. Notwithstanding the validity of the Sewer Connection Permit, upon application for site plan approval, and/or connection for water or sewer, of any Component of the

Project, the Owner or its designee shall make such application subject to all established laws, ordinances, rules, procedures and fees applicable for water and sewer connections in the City, as may be amended from time to time. Upon issuance of a site plan approval for the first Project Component, the Sewer Connection Permit shall be null and void, without recourse against the City for any reimbursement or monetary claim.

#### ARTICLE II. REQUIRED MITIGATION

Section 2.01 Housing. The owner/developer of the Residential Site (the "Residential Site Developer") shall make a one-time payment to the City prior to the issuance of any building permit for the construction of a residential dwelling unit on the Residential Site equal to \$300,000.00 (\$3,000.00 per residential dwelling unit,) such amounts being referred to as the "Residential Development Contribution," to be used by the City, acting by and through the City Council, to assist in the identification and implementation of zoning, economic and other strategies to foster professional, retail and commercial development initiatives or for the development of affordable housing which may include, without limitation, the preparation of a housing production plan in accordance with the rules and regulations of the Massachusetts Department of Housing and Community Development and the funding of the implementation of the goals and objectives set forth in such plan, in accordance with the Overlay Zoning. The Residential Development Contribution shall be due and payable (i) prior to the issuance of a building permit for the applicable residential dwelling unit and (ii) to any fund or funds that may be designated by the City prior to the submission of such payment. The payment of the Residential Development Contribution by the Residential Site Developer is made in recognition of the benefits to the Property of such undertakings by the City and shall be the exclusive payment required for the subject matter of this paragraph notwithstanding anything in the Zoning Ordinance to the contrary, as the same may be amended. When the payment is delivered to the City, the City Council will be notified by the Residential Site Developer, and the City Council will designate a fund (possibly Public Safety) within which to transfer this payment.

Section 2.02 <u>Transportation</u>. Analysis prepared in connection with the Project as shown on the Master Concept Plan indicates that the completion and occupancy of the Project is expected to result in a moderate decrease in peak hour traffic relative to the traffic impacts assessed in connection with the Phase II Site Plan Approval. Notwithstanding this anticipated reduction in projected peak hour traffic impacts, the Owner shall be responsible for performing all remaining transportation monitoring, funding and mitigation actions as previously required by the Phase II Site Plan Approval and as updated for the Project and referenced in <u>Exhibit C</u> attached hereto.

Section 2.03 Fire/Public Safety. Within five (5) days of the full execution of this Development Agreement, the Owner shall make an initial \$25,000 mitigation payment to the City ("First Public Safety Payment"). Thereafter, upon the earlier to occur of (i) the issuance of a certificate of occupancy for the first new commercial building within the Project or (ii) the passage of 36 months from the date of this Development Agreement, the Owner shall promptly make a second mitigation payment of \$75,000 to the City ("Second Public Safety Payment") which shall be received by the City within seven (7) days of the applicable occurrence. The proceeds of the First Public Safety Payment and Second Public Safety Payment may be used by the City to further the planning, acquisition, design and/or construction of a new fire station on the City's west side or for other public safety measures. When the payments are delivered to the City, the City Council will be

notified by the Owner, and the City Council will transfer such payments into a Public Safety Account or other account of its choosing.

Section 2.04 <u>Environmental Strategies</u>. As design of the Project is only at a conceptual stage, the Owner agrees to proactively consider implementation of a comprehensive array of environmental strategies in connection with each application for site plan approval of any new Component, in furtherance of the following goals intended to improve sustainability and to enhance protection of the adjacent natural resources:

- Reduction of individually occupied vehicles accessing the site;
- Reduction of the use of other resources used by property occupants (water, sewer, electricity), including through the incorporation of renewable energy facilities (such as solar, wind and geothermal energy sources);
- Encouragement of various program types (housing, office, service retail) to allow occupants to stay on site;
- Management and mitigation of the impacts of flooding on the site and adjacencies;
- Implementation of best practice stormwater management measures; and
- Enhancement of the quality of natural resources on and adjacent to the property.

The specific environmental strategies employed for each Component will be informed by the summary attached hereto as <u>Exhibit D</u> (the "<u>Environmental Strategies</u>") and identified in plans and documentation to be submitted to and reviewed by the Marlborough City Council in the course of the site plan approval process. In order to enhance the Property, the Owner agrees to diligently pursue and, to the extent practicable, implement at its sole cost and expense measures consistent with the Environmental Strategies.

Section 2.05 All mitigation payments or contributions made pursuant to this Development Agreement shall be non-refundable.

#### ARTICLE III. PEDESTRIAN AND VEHICULAR INTERCONNECTIVITY

Section 3.01 <u>Internal Roadways and Common Areas</u>. The Condominium Documents set forth certain easements and maintenance obligations with respect to the shared roadways and pedestrian walkways located on the Campus Site. Notwithstanding the foregoing, the Owner shall have the right to terminate or modify from time to time the Condominium Documents, provided that a replacement agreement or agreements are put in place with respect to the Property (in the Owner's reasonable discretion) to ensure the ongoing maintenance of all internal roadways in accordance with §650-33(J)(1) of the Zoning Ordinance.

Section 3.02 <u>Public Access and Connectivity</u>. Within any application for site plan approval for a Component of the Project, the Owner or applicant shall include specific plan details for pedestrian and bicycle facilities relating to that Component on the Property that are intended to be open to or accessible by the public, subject to Owner's rules and regulations. In order to enhance public safety and access outside of the internal site roadways and access drives on the Property, upon receipt of the First Public Safety Payment, the City shall (at no out of pocket cost to the City), with the cooperation of the Owner, evaluate all necessary procedures to accept Martinangelo Drive and that certain portion of Campus Drive as a public way, in order to provide uninterrupted and

continuous public access and connectivity between Forest Street and Simarano Drive. Such evaluation may include recommendations for any necessary geometric roadway improvements to separate Campus Drive from Martinangelo Drive and inspection of the roadway by the City's Department of Public Works Engineering Division. Any required improvements or significant deficiencies relative to acceptance as a public way in the roadways or utilities identified by the Engineering Division shall be reported to the Owner. Thereafter, if both parties agree to proceed, the Owner and City shall cooperate to take necessary actions to allow for acceptance by the City of this portion of the roadway, with the Owner responsible for the necessary improvements or repairs as well as for the preparation of necessary plans, deeds and documentation in accordance with established procedures, with all associated costs borne by the Owner.

Section 3.03 <u>Public Financing</u>. To assist the City in economic development activities, the Owner shall (at no out of pocket cost to the Owner) cooperate with and support the City in its application to obtain grant financing or public monies for public infrastructure improvements which monies provide a direct or indirect benefit to the Property. The City may (at its discretion and at no out of pocket cost to the City) cooperate with and support the Owner in its application to obtain any required state permits and approvals for the Project, provided that nothing herein shall limit the City's rights to review the Project pursuant to applicable law.

#### ARTICLE IV. MISCELLANEOUS

Section 4.01 <u>Term.</u> The Owner, for itself and its nominees, successors, and assigns, hereby imposes on the Property the limitations and obligations set forth in this Development Agreement. The terms hereof shall bind the Property (and any Development Parcel) for a period of thirty (30) years from the date when this Development Agreement is recorded with the Registry, which Development Agreement shall be senior in priority to any liens, encumbrances or mortgages. It is the intention of the parties that, except as otherwise set forth herein, the Development Agreement shall run with the Property for said thirty (30) years, notwithstanding any foreclosure of any lien on the Property by any entity. The Development Agreement is subject to the terms of M.G.L. Chapter 184, as hereinafter provided.

Section 4.02 Successors and Assigns; Binding Effect; Enforcement. The Owner may convey any Development Parcel(s) to any successor entity(ies), upon which transfer, such new entity(ies) shall be deemed an "Owner" of such Development Parcel(s), and the use of the term "Owner" herein shall be deemed to collectively include any such successor entity(ies), including but not limited to, the Residential Site Developer. The Owner shall provide notice to the City of any such transfer which shall: identify the successor entity, the transferred Development Parcel(s), and an executed acknowledgement by the successor entity that it is bound by this Development Agreement and that the City may enforce its terms against such successor entity. Each and every term, condition and provision hereof shall be fully enforceable and binding on the City and the Property (and/or each Development Parcel, as applicable). The City shall have the right to enforce the terms of this Development Agreement against the Owner, its nominees, successors, and assigns. The City shall also have the right to enforce the terms hereof insofar as they pertain to the Owner of each Development Parcel, and its nominees, successors, and assigns. The City may elect to exercise such rights by appropriate legal proceedings for monetary and/or injunctive and other equitable relief against any violation by such Owner, including, without limitation, specific performance and/or relief requiring removal of any improvements constructed on such

Development Parcel in violation of the terms hereof (it being agreed that the City has no adequate remedy at law), and such right shall be in addition to, and not in limitation of, any and all other rights and remedies available to the City in law and in equity. A default hereunder by the Owner of a Development Parcel(s) shall not constitute a default hereunder by the Owner of any other Development Parcel(s), and the City shall have no right to enforce the terms hereof against the Owner of a Development Parcel except in the event of a violation related to the Development Parcel(s) owned by such Owner, unless the default arises from an obligation that is applicable generally to the Property. The City shall have the option to enforce the terms hereof, but does not have the obligation to do so. By its acceptance of this Development Agreement, the City does not undertake any liability or obligation relating to the condition of the Property, nor does the City's execution of this Development Agreement operate as a waiver of the requirements of any state or local laws, rules, regulations, or ordinances applicable to the use of the Property or any part thereof. The Owner of any Development Parcel(s) shall reimburse the City for all reasonable costs and expenses (including, without limitation, attorneys' fees) incurred by the City in enforcing this Development Agreement against such Owner and/or its Development Parcel(s) or in remedying or abating any violation on such Development Parcel(s), provided that such Owner is adjudged to be in violation of this Development Agreement by a court of competent jurisdiction or such Owner acknowledges the same. The provisions of this Section shall survive the expiration or earlier termination of this Development Agreement.

The Owner shall forego any actions at law or equity attempting to contest the validity or prevent the enforceability of any provisions of this Development Agreement and shall procure written acknowledgment that such forbearance shall bind any nominee, successor, or assign. Such forbearance shall not preclude the Owner from bringing any action to enforce the terms of the Development Agreement.

Section 4.03 Opportunity to Cure. Failure by the Owner of any Development Parcel(s) to perform any term or provision of this Development Agreement shall not constitute a default under this Development Agreement unless and until the defaulting Owner fails to commence to cure, correct or remedy such failure within fifteen days of receipt of written notice of such failure from the other City and thereafter fails to complete such cure, correction, or remedy within sixty days of the receipt of such written notice, or, with respect to defaults that cannot reasonably be cured, corrected or remedied within such sixty-day period, within such additional period of time as is reasonably required to remedy such default, provided the defaulting Owner exercises due diligence in the remedying of such default. Notwithstanding the foregoing, the Owner shall cure any monetary default hereunder within thirty days following the receipt of written notice of such default from the City.

Section 4.04 <u>Limitations on Liability</u>. The obligations of the Owner does not constitute personal obligations of its members, trustees, partners, directors, officers or shareholders, or any direct or indirect constituent entity or any of their affiliates or agents. The City shall not seek recourse against any of the foregoing or any of their personal assets for satisfaction of any liability with respect to this Development Agreement or otherwise. The liability of the Owner is in all cases limited to their interest in the Property at the time such liability is incurred and shall not extend to any other portion of the Property for which another owner would be liable.

Section 4.05 No Public Grant. Except as provided in Section 3.02 above, the restrictions hereby conveyed do not grant to the public in general any right to enter the Property. All rights not expressly granted hereby are reserved to the Owner of each Development Parcel, including, without limitation, fee ownership of the Property.

Section 4.06 <u>Attorney's Fees.</u> Each of the parties hereto shall be responsible for their own attorney's fees incurred in connection with the preparation and review of this Development Agreement.

Section 4.07 <u>Estoppel Certificate</u>. The City agrees from time to time to execute a certificate in form and substance reasonably satisfactory to the Owner of any Development Parcel evidencing such Owner's compliance with the terms and conditions of this Development Agreement, provided that such Owner is then, in fact, in compliance with the terms and provisions of this Development Agreement, and if not, such certificate shall specify such Owner's non-compliance, or City's inability to verify compliance status.

Section 4.08 <u>Recording</u>; <u>Amendment</u>. The Owner, at its sole expense, shall record this Development Agreement at the Registry. This Development Agreement can only be modified if such modification is in writing signed by the City, the Owner and, if applicable, the owner(s) of all Development Parcels affected by such modification.

Section 4.09 <u>Notices</u>. Any notices hereunder shall be in writing and shall be deemed duly given upon receipt if mailed by certified or registered mail, postage and registration charges paid, by overnight delivery service with receipt, or by hand delivery to the City or the Owner, as applicable, at the addresses set forth below; provided, however, that the City, the Owner and/or any Owner of a Development Parcel may, from time to time, designate an additional or substitute address for such notices (provided, that such designation must be made by notice given in accordance with the foregoing).

- Section 4.10 <u>Governing Law</u>. This Development Agreement shall be governed and construed in accordance with the laws of the Commonwealth of Massachusetts.
- Section 4.11 <u>Counterparts</u>; <u>Signatures</u>. This Development Agreement may be executed in several counterparts and by each Party on a separate counterpart, each of which when so executed and delivered shall be an original, and all of which together shall constitute one instrument. It is agreed that electronic signatures shall constitute originals for all purposes.
- Section 4.12 <u>Force Majeure</u>. The Owner shall not be considered to be in breach of this Development Agreement for so long as the Owner is unable to complete any work or take any action required hereunder due to a *force majeure* event or other events beyond the reasonable control of the Owner.
- Section 4.13 <u>City Council Approval and Authorization</u>. The City Council hereby approves the provisions of this Development Agreement, which approval shall be set forth in an order to be recorded herewith by the Owner at its sole expense, with a copy of the recorded document to be provided to the City Solicitor's Office. The City Council hereby authorizes the Mayor to execute this Development Agreement on the City's behalf, and to monitor and enforce compliance by the Owner and by the Owner of each Development Parcel with the Development Agreement's terms and conditions.

THENCE N 87° 13' 33" W 110.55 feet to a point;

THENCE N 18° 07' 14" E 679.81 feet to a point at land now or formerly of BND Realty, LLC, the last five courses following said land of Special Olympics Massachusetts, Inc.;

THENCE S 52° 29' 33" E 385.60 feet to an iron pin;

THENCE N 24° 55' 36" E 400.00 feet to an iron pin at said land of Forest Realty Trust, the last two courses following said land of BND Realty, LLC;

THENCE S 77° 37' 05" E 84.75 feet to a point;

THENCE S 78° 12' 16" E 165.60 feet to said iron pin at Simarano Drive marking the point and place of beginning, the last two courses following said land of Forest Realty Trust.

The herein described parcel containing 23.88 acres, is depicted as Lot 1A on Plan 393 of 2008 recorded at the Middlesex Registry of Deeds Southern District.

#### TRACT II:

A certain parcel of land located on the easterly sideline of Forest Street, southerly sideline of Martinangelo Drive and the westerly sideline of Simarano Drive.

Beginning at a point at the northwesterly corner of Tract II, said point being a point on a curve at the intersection of Forest Street and Martinangelo Drive;

THENCE Northerly, easterly and southeasterly and curing to the right along the arc of a curve having a radius of 25.00 feet, a length of 41.64 feet by said Martinangelo Drive to a point of tangency;

THENCE S 75° 58' 29" E a distance of 430.51 feet to a point of curvature;

THENCE Southeasterly, easterly and northeasterly and curving to the left along the arc of a curve having a radius of 460.00 feet, a length of 652.68 feet to a point of tangency;

THENCE N 22° 43' 48" E a distance of 183.04 feet to a point of curvature;

THENCE Northeasterly and curving to the right along the arc of a curve having a radius of 470.00 feet, a length of 289.57 feet to a point of tangency;

THENCE N 58° 01' 49" E a distance of 24.20 feet to a point of curvature;

THENCE Northeasterly, easterly and southerly and curving to the right along the arc of a curve having a radius of 25.00 feet, a length of 37.39 feet to a point of reverse curvature at Simarano Drive, the previous seven (7) courses bounding by said Martinangelo Drive;

THENCE	Southerly and southeasterly and curving to the left along the arc of a curve having a radius of 707.90 feet, a length of 215.58 feet to a point of tangency;
THENCE	S 53° 43' 17" E a distance of 1,041.48 feet to a point on a stone wall at land now or formerly of Jeremiah 29 LLC, the previous two (2) courses bounding by said Simarano Drive;
THENCE	S 63° 50' 08" W a distance of 75.64 feet to a drill hole in said stone wall;
THENCE	S 04° 29' 23" W a distance of 212.08 feet to a drill hole in said stone wall;
THENCE	S 04° 19' 01" W a distance of 182.90 feet to a point in said stone wall;
THENCE	S 05° 59' 39" W a distance of 81.42 feet to a drill hole in said stone wall;
THENCE	S 07° 31' 20" W a distance of 100.55 feet to a drill hole at land now or formerly of Synopsys Inc., the last five (5) courses following said land of Jeremiah 29, LLC;
THENCE	S 11° 59' 50" W a distance of 172.03 feet to a drill hole in said stone wall;
THENCE	S 10° 48' 13" W a distance of 97.40 feet to a drill hole in said stone wall;
THENCE	S 32° 52' 04" E a distance of 53.51 feet to a drill hole in said stone wall;
THENCE	S 22° 42' 21" W a distance of 261.50 feet to a drill hole in said stone wall;
THENCE	S 23° 57' 00" W a distance of 253.47 feet to a drill hole at the end of said stone wall, the previous five (5) courses following said land of Synopsys Inc.;
THENCE	partly by said land of Synopsys, Inc. and partly by land now or formerly of 445 Simarano Drive Marlborough LLC S 10° 40' 44" W a distance of 1,200.67 feet to a drill hole in a stone wall at land now or formerly of Astor Group, LLC;
THENCE	N 11° 09' 41" W a distance of 175.44 feet by said land of Astor Group, LLC to a drill hole in said stone wall;
THENCE	partly by said land of Aster Group, LLC and partly by land now or formerly of Cil Cedar, LLC N 12° 50' 20" W a distance of 231.07 feet to a point;
THENCE	N 15° 08' 40" W a distance of 274.10 feet to a point at the end of said stone wall;
THENCE	N 18° 18' 39" W a distance of 118.80 feet to a point
THENCE	N 87° 39' 22" W a distance of 204.49 feet to a drill hole;
THENCE	N 86° 27' 30" W a distance of 105.17 feet to a point;
THENCE	N 82° 27' 30" W a distance of 90.14 feet to a point;

THENCE	N 86° 57' 30" W a distance of 259.33 feet to a point, the previous seven (7) courses bounding by said land of Cil Cedar, LLC;
THENCE	partly by said land of Cil Cedar, LLC and partly by land now or formerly of CPI 261 Cedar, LLC N 85° 57' 30" W a distance of 248.86 feet to a drill hole in a stone wall;
THENCE	N 14° 18' 09" E a distance of 259.97 feet to a drill hole in said stone wall;
THENCE	N 14° 54' 29" E a distance of 287.62 feet to a point on said stone wall;
THENCE	N 83° 36' 37" W a distance of 151.25 feet to a point on said stone wall;
THENCE	N 85° 59' 27" W a distance of 158.45 feet to a drill hole in said stone wall;
THENCE	N 85° 48' 35" W a distance of 260.31 feet to a drill hole in said stone wall, the last five courses following said land of CPI 261 Cedar, LLC;
THENCE	partly by said land of CPI 261 Cedar, LLC and partly by land now or formerly Yellow Brick, LLC N 86° 16' 15" W a distance of 238.14 feet to a point in said stone wall;
THENCE	N 21° 41' 00" E a distance of 313.82 feet to a point on said stone wall;
THENCE	N 14° 49' 11" E a distance of 63.74 feet to a point on said stone wall;
THENCE	N 01° 02' 29" E a distance of 25.09 feet to a point on said stone wall;
THENCE	N 23° 24' 36" W a distance of 48.67 feet to a drill hole in said stone wall;
THENCE	N 62° 09' 55" W a distance of 420.64 feet to an iron pin at Forest Street, the previous five (5) courses following said land of Yellow Brick, LLC;
THENCE	N 27° 50' 05" E a distance of 290.79 feet to a point;
THENCE	N 25° 21' 33" E a distance of 239.45 feet to a point of curvature;
THENCE	Northeasterly, northerly, and westerly and curving to the left along the arc of a curve having a radius of 870.00 feet, a length of 254.52 feet to the point of beginning. The previous three (3) courses bounding along said Forest Street.

The herein described parcel, containing 97.28 acres is depicted as Lot 2 on Plan 1121 of 1995 recorded at the Middlesex Registry of Deeds Southern District.

## EXHIBIT B MASTER CONCEPT PLAN

[See enclosed plan]

#### **EXHIBIT C**

#### TRANSPORTATION MITIGATION

Location / Subject	Specific Requirements
Simarano Drive at Site Driveway (Campus Drive) intersection	<ul> <li>Ongoing: Once per year, monitor traffic entering and exiting site. Submit results to City Engineer's Office and MassDOT District 3 office.</li> <li>At six months, and again, at one year, after occupancy of 100k square feet (sf) of any new Project Component containing a commercial-use on the Property: Monitor traffic entering and exiting all site drives.</li> <li>At six months after occupancy of 200k, 400k, 600k sf of new Project-related commercial building development: Perform a signal warrant analysis re: necessity of signal and any necessary roadway improvements at Simarano Drive/Campus Drive intersection.</li> <li>If and when required (based on ongoing monitoring) and requested by the City Engineer: Install a signal or any necessary turning lanes at Simarano Drive/Campus Drive intersection.</li> </ul>
Ames Street / Simarano Drive at Forest Street Intersection	<ul> <li>Upon occupancy of 400k sf of new Project-related commercial building development: Submit traffic report to the City Engineer documenting the operations of this intersection and recommend improvements to address documented safety and/or operational issues.</li> <li>Upon review and approval of report by the City Engineer: Complete any necessary improvements to intersection.</li> </ul>
Simarano Drive / I- 495 Ramp Intersection	<ul> <li>Upon receipt of first occupancy permit for any Project Component containing a commercial- use: Provide \$40,000 to the City for the use in conducting a planning study of this intersection. If needed, the City Council, on advice from the City Engineer, could designate a different intersection or corridor or other use for which to designate such funds, if it was determined by the City that there was a higher priority need for such funding. Once received the City Council will transfer funds to a fund of the Council's designation.</li> </ul>
Simarano Drive Corridor	<ul> <li>Upon occupancy of 200k sf of new Project-related commercial building development: Prepare transportation planning study for entire Simarano Drive corridor for submission to the City Engineer.</li> <li>Ongoing: Reserve strip of land along Simarano Drive to permit future four-lane cross-section along its entire frontage.</li> </ul>
Transportation Demand Management (TDM) Program / other Traffic Mitigation Measures	Continuously: Continue to provide TDM services as highlighted in March 2005 Traffic Impact Study. Work with other employers in the area to form a Transportation Management Association (TMA) in an effort to reduce vehicle trips to the region as a whole.

#### EXHIBIT D

#### **ENVIRONMENTAL STRATEGIES**

Overall Site Planning, Development and Management	Strategy
Reduce urban heat island effects	New construction to explore use of light color hardscape materials, light color roofs, and installation of shade trees in development area. Minimize the removal of existing trees.
Reduce outdoor water use	Irrigation wells and/or rainwater harvesting shall be used where possible to separate irrigation systems from potable water supply. Residential project to implement lowflow, drip, or smart irrigation system. Develop a comprehensive landscaping plan for the park and utilize native, drought tolerant landscaping to reduce irrigation demand.
Stormwater management	Annual maintenance of the storm water systems to be performed per an approved stormwater management plan, with annual reporting submitted to the City Engineer.
Electric vehicle charging	Existing electric vehicle charging stations at the Campus Site to remain.  5% of total new parking for residences to be equipped for electric vehicle charging.
Site energy saving	All new site lighting shall be low energy site lighting with minimal lighting spill / dark sky fixtures.
Reduction of individual vehicular access to site	Implement Transportation Demand Management (TDM) Program, which shall include participation in the MetroWest Regional Transit Authority.
Manage landscapes using natural materials and reduce use of chemicals for landscaping and maintenance	Use native and adaptive plantings and natural fertilizers, if needed.
Individual Building Development	Strategy
Design and construction of buildings with reduced consumption of water and sewer services	All future Components will be equipped with low water use fixtures where possible.
Design and construction of buildings with very high energy efficiency	Residential Component:  Designed for ENERGY STAR certification  LED lighting in place of incandescent lighting  Equipped with programmable, smart thermostats  Energy efficient windows, appliances and bath fans throughout.
Minimize waste	Plan construction to minimize waste, and recycle construction waste when possible.  Develop and maintain onsite recycling program.
Bicycle Facilities	Install convenient on-site bicycle parking/facilities and provide appropriate striping and signage, to enhance safety and the shared use of the roadways on the Site.

14d-line

#### **DEVELOPMENT AGREEMENT**

This Deve	elopment Agreement (the "Development Agreement") is entered into as of the
day of	, 2021, by BH GRP TCAM Owner, LLC, a Delaware limited liability
company (togethe	er with its successors in interest, each anhereinafter with any nominee, successor
or assign, the "O	wner") and the City of Marlborough, Massachusetts (the "City").

#### **RECITALS**

WHEREAS, Owner is the owner of approximately 120 acres of land located at 100, 110, 250 and 350 Campus Drive, Marlborough, Middlesex County, Massachusetts, as more particularly described in **Exhibit A** attached hereto (the "Property"), which Property comprises two tracts of land bisected by a private way known as Martinangelo Drive (the tract of land to the north of Martinangelo Drive being referred to herein as the "Residential Site" and the tract of land to the south of Martinangelo Drive being referred to herein as the "Campus Site"); and

WHEREAS, the Owner's title to (i) the Residential Site is pursuant to a deed recorded with the Middlesex South District Registry of Deeds (the "Registry") in Book 74877, Page 462; and (ii) the Campus Site is pursuant to a deed recorded with Registry in Book 74877, Page 455; and

WHEREAS, the Campus Site is subjected to a condominium form of ownership pursuant to a Master Deed dated November 10, 2004 and recorded in the Registry in Book 44111, Page 102 and a Declaration of Trust dated November 10, 2004 and recorded in the Registry in Book 44111, Page 142 (collectively, the "Condominium Documents"); and

WHEREAS, the Property may constitute one or more parcels or condominium units from time to time (each, hereinafter a "Development Parcel"); and

WHEREAS, the Campus Site is currently developed by commercial buildings comprising approximately 550,000 square feet of office space constructed as Phase I of the Campus at Marlborough master development (the "Master Development") pursuant to a June 1997 Site Plan Approval (the "Phase I Site Plan Approval"); and

WHEREAS, the development of additional commercial development has previously been authorized upon the Campus Site pursuant to a Site Plan Approval (SP-2005-0016) issued on November 22, 2005 by the Marlborough Site Plan Review Committee (the "SPRC") for Phase II of the Master Development (as modified as described below, the "Phase II Site Plan Approval", and together with the Phase I Site Plan Approval, the "Existing Site Plan Approval"), permitting the construction of an additional 650,000 square feet of office space and 2,528 net new parking spaces on the Campus Site; and

WHEREAS, on December 19, 2005, the Marlborough City Council issued a Sewer Connection Permit allowing up to 50,232 gallons per day (GPD) of wastewater discharge from Phase II of the Master Development (the "Sewer Connection Permit"), in addition to 64,875 GPD from Phase I of the Master Development, for a total of 115,107 GPD for the Campus Site, of which approximately 60,000 gallons per day (GPD) remain available for use; and

WHEREAS, although the buildings and improvements authorized by the Sewer Connection Permit and the Phase II Site Plan Approval have not yet been constructed (except for the parking facility currently under construction as described below), both of these approvals have been extended by the City Council a number of times, most recently on November 5, 2018, and were automatically tolled during the State of Emergency relating to the COVID-19 Pandemic pursuant to Section 17(b)(iii) of Chapter 53 of the Acts of 2020, such that both the Sewer Connection Permit and the Phase II Site Plan Approval remain in effect through March 9, 2022; and

WHEREAS, on July 7, 2021, the SPRC approved a modification of the Phase II Site Plan Approval to allow for the construction of an approximately 312-space (including 197 net new spaces), four-story structured parking facility containing approximately 84,200 square feet of floor area which is currently under construction (such parking facility, once completed, together with the approximately 550,000 square feet of existing office buildings, the "Existing Improvements"), and no other improvements have been constructed under the Phase II Site Plan Approval; and

WHEREAS, on June 714, 2021, the City Council rezoned the Property to be included as "Subdistrict 2" within the Results Way Mixed Use Overlay District (the "Overlay Zoning"), as set forth in Section 650-33 (originally adopted by the City on December 21, 2012 and last amended on June 14, 2021) of the Zoning Ordinance of the City of Marlborough, Massachusetts (the "Zoning Ordinance") originally adopted by the City on December 21, 2012 and amended on June 7, 2021;"); and

WHEREAS, the Owner now intends to complete the master-planned development of the Property by the construction of buildings and structures thereon (each, a "Component") constituting the mixed use development or "MUD" in said Subdistrict 2 to be used for a variety of uses including, without limitation, office, biomanufacturing, research and development, multifamily residential, retail and restaurant uses (the "Project"), to be located on one or more Development Parcels, all pursuant to the Overlay Zoning and in accordance with this Development Agreement; and

WHEREAS, the City has approved that certain master concept plan depicting the Project and the Existing Improvements entitled, "Master Concept Plan RWMUOD Subdistrict 2" dated October 25, 2021, prepared by VHB (the "Master Concept Plan") and included as **Exhibit B**; and

WHEREAS, as required under the terms of the Overlay Zoning, the Owner agrees to impose on the Property the limitations set forth herein, for the benefit of the City, which shall have the power to enforce the terms hereof; and

WHEREAS, the Owner and the City wish to set forth herein their agreement on the aforementioned matters; and

NOW, THEREFORE, in consideration of the foregoing, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Owner <u>hereby declares the following development restrictions on the Property, and the Owner and the City agree as follows:</u>

#### **AGREEMENT**

#### ARTICLE I. IMPLEMENTATION OF PROJECT

Section 1.01 <u>Site Plan Approval</u>. All components of the Project shall hereinafter require site plan approval from the City Council in accordance with the requirements of the Overlay <u>DistrictZoning</u>. It is the intent of the parties that the Owner's (or its designee's) first <u>commercial</u> application for site plan approval for a new commercial<u>-use</u> Component of the Project on the Campus Site under the <u>regulations of the Overlay DistrictZoning</u> will also include and incorporate the Existing Improvements. Approval of such <u>Component of the Projecta site plan</u> by the City Council under the <u>regulations of the Overlay DistrictZoning</u> shall supersede the Existing Site Plan Approval, which shall then no longer govern the Existing Improvements. For the avoidance of doubt, upon such approval, the Existing Improvements will be governed by the <u>regulations of the Overlay DistrictZoning</u> and no longer be subject to the requirement <u>of a Large Tract Development Lot as set forth in Section 650-5B {63} of the Zoning Ordinance that the Campus Site be held in "common ownership."</u>

Section 1.02 Third Party Consultants. The City Council, in connection with its review of any special permit and/or site plan review application submitted in connection with any Component(s) under the terms of the Overlay Zoning, shall be permitted to retain the experts and consultants reasonably determined by the City Council as necessary to conduct an appropriate review of any such application. The reasonable costs and expenses of such experts and consultants shall be paid by the Owner of the Development Parcel(s) upon which such Component is located. The City Council shall provide such Owner with the Council's selected name, scope of services and projected costs of the expert or consultant it proposes to retain. Such Owner shall have five (5) business days, from the date of such Owner's receipt of the City Council's proposed selection, to approve or object to that proposed selection, and any such objection shall be in writing and shall specify the reasons for objection. If the Owner fails to object, the Owner shall be deemed to have approved the City Council's selection. If the Owner objects and the basis for objection cannot be resolved, the City Council shall provide the Owner with an alternative selection. An Owner shall, within thirty (30) calendar days of such Owner's receipt, pay any invoice provided to such Owner by the City Council relating to services provided by a selected expert or consultant that has been approved pursuant to the foregoing, in connection with a special permit and/or site plan review application submitted in connection with any Development Parcel(s) owned by such Owner.

Section 1.03 Project Phasing. The Owner is currently proceeding with construction of the four-story parking structure described above to enhance and support the Existing Improvements. Additional Project phases and Components are identified on the Master Concept Plan. Although market conditions will dictate the phasing of the further development of the Property, at present it is envisioned that planning, permitting and construction of both the Residential Component and Bio-Ring Building 5, each as shown generally on the Master Concept Plan, will proceed within one (1) year of the execution date of this Development Agreement.

Section 1.04 <u>Sewer</u>. Notwithstanding the validity of the Sewer Connection Permit, upon application for site plan approval, and/or connection for water or sewer, of any Component of the Project, the Owner or proponentits designee shall make such application subject to all established <u>laws</u>, ordinances, rules, procedures and fees generally applicable for water and sewer connections in the City-, as may be amended from time to time. Upon issuance of a site plan approval for <u>such the first</u> Project Component(s)<sub>52</sub> the Sewer Connection Permit shall be allowed to lapsenull and void, without recourse against the City for any reimbursement or monetary claim.

#### ARTICLE II. REQUIRED MITIGATION

Section 2.01 Housing. The owner/developer of the Residential Site ("(the "Residential Site Developer") shall make a one-time payment to the City prior to the issuance of any building permit for the construction of a residential dwelling unit on the Residential Site equal to \$300,000.00 (\$3,000.00 per residential dwelling unit-(,) such amounts being referred to as the "Residential Development Contribution23)," to be used by the City, acting by and through the City Council, to assist in the identification and implementation of zoning, economic and other strategies to foster professional, retail and commercial development initiatives. The Residential or for the development of affordable housing which may include, without limitation, the preparation of a housing production plan in accordance with the rules and regulations of the Massachusetts Department of Housing and Community Development and the funding of the implementation of the goals and objectives set forth in such plan, in accordance with the Overlay Zoning. The Residential Development Contribution shall be due and payable (i) prior to the issuance of a building permit for the applicable residential dwelling unit and (ii) to any fund or funds that may be designated by the City prior to the submission of such payment. The payment of the Residential Development Contribution by the Residential Site Developer is made in recognition of the benefits to the Property of such undertakings by the City and shall be the exclusive payment required for the subject matter of this paragraph notwithstanding anything in the City of Marlborough Zoning Ordinance to the contrary, as the same may be amended. When the payment is received by delivered to the City, the City Council will be notified by the Residential Site Developer, and the City Council will designate a fund (possibly Public Safety) within which to transfer this payment.

Section 2.02 <u>Transportation</u>. Analysis prepared in connection with the Project as shown on the Master Concept Plan indicates that the completion and occupancy of the Project is expected to result in a moderate decrease in peak hour traffic relative to the traffic impacts assessed in connection with the Phase II Site Plan Approval. Notwithstanding this anticipated reduction in projected peak hour traffic impacts, the Owner shall be responsible for performing all remaining transportation monitoring, funding and mitigation actions as previously required by the Phase II Site Plan Approval and as updated for the Project and referenced in <u>Exhibit C</u> attached hereto.

Section 2.03 Fire/Public Safety. Within five (5) days of the full execution of this Development Agreement, the Owner shall make an initial \$25,000 mitigation payment to the City ("First Public Safety Payment"). Thereafter, upon the earlier to occur of (i) the issuance of a certificate of occupancy for the first new commercial building within the Project or (ii) the passage of 36 months from the date of this Development Agreement, the Owner shall promptly make a second mitigation payment of \$75,000 to the City ("Second Public Safety Payment").") which shall be received by the City within seven (7) days of the applicable occurrence. The proceeds of the First Public Safety

Payment and Second Public Safety Payment may be used by the City to further the planning, acquisition, design and/or construction of a new fire station on the City's west side or for other public safety measures. When the payments are received by delivered to the City, the City Council will be notified and by the Owner, and the City Council will transfer such payments into a Public Safety Account or other account of their choosing.

Section 2.04 <u>Environmental Strategies</u>. As design of the Project is only at a conceptual stage, the Owner agrees to proactively consider implementation of a comprehensive array of environmental strategies in connection with each application for site plan approval of any new Component, in furtherance of the following goals intended to improve sustainability and to enhance protection of the adjacent natural resources:

- Reduction of individually occupied vehicles accessing the site;
- Reduction of the use of other resources used by property occupants (water, sewer, electricity), including through the incorporation of renewable energy facilities (such as solar, wind and geothermal energy sources);
- Encouragement of various program types (housing, office, service retail) to allow occupants to stay on site;
- Management and mitigation of the impacts of flooding on the site and adjacencies;
- Implementation of best practice stormwater management measures; and
- Enhancement of the quality of natural resources on and adjacent to the property.

The specific environmental strategies employed for each Component will be informed by the summary attached hereto as <u>Exhibit D</u> (the "<u>Environmental Strategies</u>") and identified in plans and documentation to be submitted to and reviewed by the Marlborough City Council in the course of the <u>Site Plan Approval site plan approval</u> process. In order to enhance the Property, the Owner agrees to diligently pursue and, to the extent practicable, implement at its sole cost and expense measures consistent with the Environmental Strategies.

Section 2.05 All mitigation payments or contributions made pursuant to this Development Agreement shall be non-refundable.

#### ARTICLE III. PEDESTRIAN AND VEHICULAR INTERCONNECTIVITY

Section 3.01 <u>Internal Roadways and Common Areas</u>. The Condominium Documents set forth certain easements and maintenance obligations with respect to the shared roadways and pedestrian walkways located on the Campus Site. Notwithstanding the foregoing, the Owner shall have the right to terminate or modify from time to time the Condominium Documents, provided that a replacement agreement or agreements are put in place with respect to the Property (in the Owner's reasonable discretion) to ensure the ongoing maintenance of all internal roadways in accordance with §650-33J(3)J(1) of the Zoning Ordinance.

Section 3.02 <u>Public Access and Connectivity</u>. Within any application for site plan approval for a Component of the Project, the Owner or applicant shall include specific plan details for pedestrian and bicycle facilities relating to that Component on the Property that are intended to be open to or accessible by the public, subject to Owner's rules and regulations. In order to enhance public safety and access outside of the internal site roadways and access drives on the Property,

upon receipt of the First Public Safety Contribution Payment, the City shall, (at no out of pocket cost to the City), with the cooperation of the Owner, evaluate all necessary procedures to accept Martinangelo Drive and that certain portion of Campus Drive as a public way, in order to provide uninterrupted and continuous public access and connectivity between Forest Street and Simarano Drive. Such evaluation may include recommendations for any necessary geometric roadway improvements to separate Campus Drive from Martinangelo Drive and inspection of the roadway by the City's Department of Public Works Engineering Division. Any required improvements or significant deficiencies relative to acceptance as a public way in the roadways or utilities identified by the Engineering Division shall be reported to the Owner. Thereafter, if both parties agree to proceed, the Owner and City shall cooperate to take necessary actions to allow for acceptance by the City of this portion of the roadway, with the Owner responsible for the necessary improvements or repairs as well as for the preparation of necessary plans, deeds and documentation in accordance with established procedures-, with all associated costs borne by the Owner.

Section 3.03 Public Financing. To assist the City in economic development activities, the Owner shall (at no out of pocket cost to the Owner) cooperate with and support the City in its application to obtain grant financing or public monies for public infrastructure improvements which monies provide a direct or indirect benefit to the Property. The City shall (may (at its discretion and at no out of pocket cost to the City) cooperate with and support the Owner in its application to obtain any required state permits and approvals for the Project, provided that nothing herein shall limit the City's rights to review the Project pursuant to applicable law.

#### ARTICLE IV. **MISCELLANEOUS**

Section 4.01 Term. The Owner, for itself and its nominees, successors, and assigns, hereby imposes on the Property the limitations and obligations set forth in this Development Agreement. The terms hereof shall bind the Property (and any Development Parcel) for a period of thirty (30) years from the date when this Development Agreement is recorded with the Registry, which Development Agreement shall be senior in priority to any liens, encumbrances or mortgages. It is the intention of the parties that, except as otherwise set forth herein, the Development Agreement shall run with the Property for said thirty (30) years, notwithstanding any foreclosure of any lien on the Property by any entity. The Development Agreement is subject to the terms of M.G.L. Chapter 184, as hereinafter provided.

Section 4.02 Successors and Assigns; Binding Effect; Enforcement. The Owner may convey any Development Parcel(s) to any successor entity(ies), upon which transfer, such new entity(ies) shall be deemed an "Owner" of such Development Parcel(s), and the use of the term "Owner" herein shall be deemed to collectively include any such successor entity(ies), including but not limited to, the Residential Site Developer. The Owner shall provide notice to the City of any such transfer which shall: identify the successor entity, the transferred Development Parcel(s), and an executed acknowledgement by the successor entity that it is bound by this Development Agreement and that the City may enforce its terms against such successor entity. Each and every term, condition and provision hereof shall be fully enforceable and binding on the City and the Property (and/or each Development Parcel, as applicable). The City shall have the right to enforce the terms of this Development Agreement against the Owner, its nominees, successors, and assigns. The City shall also have the right to enforce the terms hereof insofar as they pertain to the Owner of each Development Parcel-, and its nominees, successors, and assigns. The City may

elect to exercise such rights by appropriate legal proceedings for monetary and/or injunctive and other equitable relief against any violation by such Owner, including, without limitation, specific performance and/or relief requiring removal of any improvements constructed on such Development Parcel in violation of the terms hereof (it being agreed that the City has no adequate remedy at law), and such right shall be in addition to, and not in limitation of, any and all other rights and remedies available to the City in law and in equity. A default hereunder by the Owner of a Development Parcel(s) shall not constitute a default hereunder by the Owner of any other Development Parcel(s), and the City shall have no right to enforce the terms hereof against the Owner of a Development Parcel except in the event of a violation related to the Development Parcel(s) owned by such Owner-, unless the default arises from an obligation that is applicable generally to the Property. The City shall have the option to enforce the terms hereof, but does not have the obligation to do so. By its acceptance of this Development Agreement, the City does not undertake any liability or obligation relating to the condition of the Property, nor does the City's execution of this Development Agreement operate as a waiver of the requirements of any state or local laws, rules, regulations, or ordinances applicable to the use of the Property or any part thereof. The Owner of any Development Parcel(s) shall reimburse the City for all reasonable costs and expenses (including, without limitation, attorneys' fees) incurred by the City in enforcing this Development Agreement against such Owner and/or its Development Parcel(s) or in remedying or abating any violation on such Development Parcel(s), provided that such Owner is adjudged to be in violation of this Development Agreement by a court of competent jurisdiction or such Owner acknowledges the same. The provisions of this Section shall survive the expiration or earlier termination of this Development Agreement.

The Owner shall forego any actions at law or equity attempting to contest the validity or prevent the enforceability of any provisions of this Development Agreement and shall procure written acknowledgment that such forbearance shall bind any nominee, successor, or assign. Such forbearance shall not preclude the Owner from bringing any action to enforce the terms of the Development Agreement.

Section 4.03 Opportunity to Cure. Failure by the Owner of any Development Parcel(s) to perform any term or provision of this Development Agreement shall not constitute a default under this Development Agreement unless and until the defaulting Owner fails to commence to cure, correct or remedy such failure within fifteen days of receipt of written notice of such failure from the other City and thereafter fails to complete such cure, correction, or remedy within sixty days of the receipt of such written notice, or, with respect to defaults that cannot reasonably be cured, corrected or remedied within such sixty-day period, within such additional period of time as is reasonably required to remedy such default, provided the defaulting Owner exercises due diligence in the remedying of such default. Notwithstanding the foregoing, the Owner shall cure any monetary default hereunder within thirty days following the receipt of written notice of such default from the City.

Section 4.04 <u>Limitations on Liability</u>. The obligations of <u>anythe</u> Owner does not constitute personal obligations of its members, trustees, partners, directors, officers or shareholders, or any direct or indirect constituent entity or any of their affiliates or agents. The City shall not seek recourse against any of the foregoing or any of their personal assets for satisfaction of any liability with respect to this Development Agreement or otherwise. The liability of the <u>OwnersOwner</u> is in all cases limited to their interest in their applicable <u>Development Parcel(s)the Property</u> at the time

such liability is incurred and shall not extend to any other portion of the Property for which another owner would be liable.

Section 4.05 No Public Grant. Except as provided in Section 3.02 above, the restrictions hereby conveyed do not grant to the public in general any right to enter the Property. All rights not expressly granted hereby are reserved to the Owner of each Development Parcel, including, without limitation, fee ownership of the Property.

Section 4.06 Attorney's Fees. Each of the parties hereto shall be responsible for their own attorney's fees incurred in connection with the preparation and review of this Development Agreement.

Section 4.07 <u>Estoppel Certificate</u>. The City agrees from time to time to execute a certificate in form and substance reasonably satisfactory to the Owner of any Development Parcel evidencing such Owner's compliance with the terms and conditions of this Development Agreement, provided that such Owner is then, in fact, in compliance with the terms and provisions of this Development Agreement, and if not, such certificate shall specify such Owner's non-compliance, or <u>City's inability to verify compliance status</u>.

Section 4.08 <u>Recording</u>; <u>Amendment</u>. The Owner, at its sole expense, shall record this Development Agreement at the Registry. This Development Agreement can only be modified if such modification is in writing signed by the City, the Owner and, if applicable, the Owner owner(s) of all Development Parcels affected by such modification.

Section 4.09 Notices. Any notices hereunder shall be in writing and shall be deemed duly given upon receipt if mailed by certified or registered mail, postage and registration charges paid, by overnight delivery service with receipt, or by hand delivery to the City or the Owner, as applicable, at the addresses set forth below; provided, however, that the City, the Owner and/or any Owner of a Development Parcel may, from time to time, designate an additional or substitute address for such notices (provided, that such designation must be made by notice given in accordance with the foregoing).

To the City of Marlborough:

With a copy to: Goulston & Storrs PC 400 Atlantic Avenue Boston, MA 02110 Attn: Steven Schwartz, Esq.

Section 4.10 <u>Governing Law</u>. This Development Agreement shall be governed and construed in accordance with the laws of the Commonwealth of Massachusetts.

Section 4.11 <u>Counterparts</u>; <u>Signatures</u>. This Development Agreement may be executed in several counterparts and by each Party on a separate counterpart, each of which when so executed and delivered shall be an original, and all of which together shall constitute one instrument. It is agreed that electronic signatures shall constitute originals for all purposes.

Section 4.12 <u>Force Majeure</u>. The Owner shall not be considered to be in breach of this Development Agreement for so long as the Owner is unable to complete any work or take any action required hereunder due to a *force majeure* event or other events beyond the reasonable control of the Owner.

Section 4.13 <u>City Council Approval and Authorization</u>. The City Council hereby approves the provisions of this Development Agreement, which approval shall be set forth in an order to be recorded herewith by the Owner at its sole expense, with a copy of the recorded document to be provided to the City Solicitor's Office. The City Council hereby authorizes the Mayor to execute this Development Agreement on the City's behalf, and to monitor and enforce compliance by the Owner and by the Owner of each Development Parcel with the Development Agreement's terms and conditions.

THENCE	N 27° 50' 05" E a distance of 290.79 feet to a point;
THENCE	N 25° 21' 33" E a distance of 239.45 feet to a point of curvature;
THENCE	Northeasterly, northerly, and westerly and curving to the left along the arc of a curve having a radius of 870.00 feet, a length of 254.52 feet to the point of beginning. The previous three (3) courses bounding along said Forest Street.

The herein described parcel, containing 97.28 acres is depicted as Lot 2 on Plan 1121 of 1995 recorded at the Middlesex Registry of Deeds Southern District.

# EXHIBIT B MASTER CONCEPT PLAN

[See enclosed plan]

#### **EXHIBIT C**

#### TRANSPORTATION MITIGATION

Location / Subject	Specific Requirements
Simarano Drive at Site Driveway (Campus Drive) intersection	<ul> <li>Ongoing: Once per year, monitor traffic entering and exiting site. Submit results to City Engineer's Office and MassDOT District 3 office.</li> <li>SixAt six months, and again, at one year, after occupancy of 100k square feet (sf) of any new Project Component containing a commercial Project building use on sitethe Property: Monitor traffic entering and exiting all site drives.</li> </ul>
	<ul> <li>Upon At six months after occupancy of 200k, 400k, 600k sf of development related to the new Project-related commercial Project building development: Perform a signal warrant analysis re: necessity of signal and any necessary roadway improvements at Simarano Drive/Campus Drive intersection.</li> </ul>
	• If and when required (based on ongoing monitoring) and requested by the City Engineer: Install a signal or any necessary turning lanes at Simarano Drive/Campus Drive intersection.
Ames Street / Simarano Drive at Forest Street Intersection	<ul> <li>Upon occupancy of 400k sf of new Project-related commercial building development related to the Project: Submit traffic report to the City Engineer documenting the operations of this intersection and recommend improvements to address documented safety and/or operational issues.</li> </ul>
	<ul> <li>Upon review and approval of report by the City Engineer: Complete any necessary improvements to intersection.</li> </ul>
Simarano Drive / I- 495 Ramp Intersection	• Upon receipt of first occupancy permit for any element of the Project Component containing a commercial Project_use: Provide \$40,000 to the City for the use in conducting a planning study of this intersection. If needed, the City Council, on advice from the City Engineer, could designate a different intersection or corridor or other use for which to designate such funds, if it was determined by the City that there was a higher priority need for such funding. Once received the City Council will transfer funds to a fund of the Council's designation.
Simarano Drive Corridor	<ul> <li>Upon occupancy of 200k sf of new Project-related commercial building development-related to the Project: Prepare transportation planning study for entire Simarano Drive corridor for submission to the City Engineer.</li> </ul>
	<ul> <li>Ongoing: Reserve strip of land along Simarano Drive to permit future four-lane cross-section along its entire frontage.</li> </ul>
Transportation Demand Management (TDM) Program / other Traffic Mitigation Measures	Continuously: Continue to provide TDM services as highlighted in March 2005 Traffic Impact Study. Work with other employers in the area to form a Transportation Management Association (TMA) in an effort to reduce vehicle trips to the region as a whole.

#### EXHIBIT D

#### **ENVIRONMENTAL STRATEGIES**

Overall Site Planning, Development and Management	Strategy		
Reduce urban heat island effects	New construction to explore use of light color hardscape materials, light color roofs, and installation of shade trees in development area. Minimize the removal of existing trees.		
Reduce outdoor water use	Irrigation wells and/or rainwater harvesting shall be used where possible to separate irrigation systems from potable water supply. Residential project to implement lowflow, drip, or smart irrigation system. Develop a comprehensive landscaping plan for the park and utilize native, drought tolerant landscaping to reduce irrigation demand.		
Stormwater management	Annual maintenance of the storm water systems to be performed per an approved stormwater management plan, with annual reporting submitted to the City Engineer.		
Electric vehicle charging	Existing electric vehicle charging stations at the Campus Site to remain.  5% of total new parking for residences to be equipped for electric vehicle charging.		
Site energy saving	All new site lighting shall be low energy site lighting with minimal lighting spill / dark sky fixtures.		
Reduction of individual vehicular access to site	Implement Transportation Demand Management (TDM) Program, which shall include participation in the MetroWest Regional Transit Authority.		
Manage landscapes using natural materials and reduce use of chemicals for landscaping and maintenance	Use native and adaptive plantings and natural fertilizers, if needed.		
Individual Building Development	Strategy		
Design and construction of buildings with reduced consumption of water and sewer services	All future Components will be equipped with low water use fixtures where possible.		
Design and construction of buildings with very high energy efficiency			
Minimize waste	Plan construction to minimize waste, and recycle construction waste when possible.  Develop and maintain onsite recycling program.		
Bicycle Facilities  Install convenient on-site bicycle parking/facilities and provide appropriate striping signage, to enhance safety and the shared use of the roadways on the Site.			

#### ORDERED:

That the City Council of the City of Marlborough hereby approves the following:

- 1) By a super majority (2/3) vote pursuant to Chapter 650-33.C(1) of the City's Zoning Ordinance, the City Council hereby approves the Master Concept Plan presented by BH GRP TCAM Owner, LLC on a plan entitled, "Master Concept Plan RWMUOD Subdistrict 2, The Campus at Marlborough, Marlborough, MA" dated October 25, 2021, drawn by VHB; and
- 2) By a separate super majority (2/3) vote pursuant to Chapter 650-33.C(2) of the City's Zoning Ordinance, the City Council hereby approves the Development Agreement by and between BH GRP TCAM Owner, LLC and the City of Marlborough.

### City Council Sign Approval Form

12/10/2021

RE: 771 Boston Post Road East "Bay State Physical Therapy"

To City Council President and all Councilors,

Included in this form is an applicant seeking approval from City Council as it relates to the signage project at the above address.

The sign to be installed in that location is an internally illuminated sign and is not allowed per the zoning code for that location. The specific zoning code for that location has been included in this letter below.

Zoning District: Wayside Zoning

Meets Current Sign Code: NO Planning Board Variance: NO

#### § 650-37 Special Provisions Applicable to the Wayside Zoning District

Within the Wayside Zoning District, the following provisions govern. Where these provisions conflict with other sections of the Zoning Chapter, the provisions of this section shall apply. I. Signage.

- (1) Except as otherwise provided in this section, signage shall conform to the provisions of Chapter 526 of the City Code, the Sign Ordinance.
- (d) Signs, logos or cabinets should be externally illuminated where possible, otherwise with translucent or transparent faces if no reasonable alternative is possible.

RE: Bay State Physical Therapy - Sign Permit

R.K. Marlboro Commons Shopping Center

771 Boston Post Road East, Unit #6

Marlborough, MA

Dear Commissioner Htway:

This is notification that Route 20 Marlboro Properties, LLC as the owner of the above-referenced property, is aware that our tenant, Bay State Physical Therapy, will be installing new signage at this location.

Please accept this letter as the owner's authorization for Bay State Physical Therapy and its sign company, Triangle Sign Services (11 Azar Court, Baltimore, MD) to act as owner's "Agent" for the Bay State Physical Therapy sign project and to submit for any and all permits required to complete this sign project only.

Please feel free to contact me at 781-320-0001 if you have any questions.

Sincerely, RK Centers

David R. Baker

Re: Bay State Physical Therapy, 771 Boston Post Road East

Dear Mr. Lippitt,

I spoke with Pam today and she gave me the permit fee. I've enclosed the permit application for a wall sign and all corresponding paperwork. I've enclosed a check in the amount of \$50.00 (Check # 24755). Please let us know when the permit will be ready to pick up.

If you have any questions please feel free to give me a call.

Thank you

Andrew Serrato

Auditor SUZANNE M. BUMP | KATHLEEN M. FALLON | KATE FITZPATRICK | JAMES M. MACHADO | RICHARD MacKINNON, Jr. | JENNIFER F. SULLÍVAÑ

MEMORANDUM

TO:

Marlborough Retirement Board

FROM:

John W. Parsons, Esq., Executive Director

RE:

Appropriation for Fiscal Year 2023

DATE:

December 2, 2021

Required Fiscal Year 2023 Appropriation:

\$10,275,549

This Commission is hereby furnishing you with the amount to be appropriated for your retirement system for Fiscal Year 2023 which commences July 1, 2022.

Attached please find summary information based on the present funding schedule for your system and the portion of the Fiscal Year 2023 appropriation to be paid by each of the governmental units within your system. The allocation by governmental unit was determined by Sherman Actuarial Services as part of their January 1, 2021 actuarial valuation.

The current schedule is due to be updated by Fiscal Year 2024.

The amounts shown in this letter reflect an assumed payment date of July 1. The Housing Authority typically makes its payments in October, November, and December (on average assumed November 15). The adjusted payment for the Housing Authority is \$97,447.

If you have any questions, please contact PERAC's Actuary, John Boorack, at (617) 666-4446 Extension 935.

#### Marlborough Retirement Board

#### **Projected Appropriations**

Fiscal Year 2023 - July 1, 2022 to June 30, 2023

Aggregate amount of appropriation: \$10,275,549

Fiscal Year	Estimated Cost of Benefits	Funding Schedule (Excluding ERI)	ERI	Total Appropriation
FY 2023	\$13,339,488	\$10,275,549	\$0	\$10,275,549
FY 2024	\$14,034,245	\$10,650,851	\$0	\$10,650,851
FY 2025	\$14,764,888	\$11,039,737	\$0	\$11,039,737
FY 2026	\$15,533,269	\$11,442,692	\$0	\$11,442,692
FY 2027	\$16,341,339	\$11,860,220	\$0	\$11,860,220

Pension Fund Allocation	Pension Reserve Fund Allocation	Transfer From PRF to PF
\$10,275,549	\$0	\$3,063,939
\$10,650,851	\$0	\$3,383,394
\$11,039,737	\$0	\$3,725,151
\$11,442,692	\$0	\$4,090,577
\$11,860,220	\$0	\$4,481,119

The Total Appropriation column shown above is in accordance with your current funding schedule and the scheduled payment date(s) in that schedule. Whenever payments are made after the scheduled date(s), the total appropriation should be revised to reflect interest at the rate assumed in the most recent actuarial valuation. Payments should be made before the end of the fiscal year.

For illustration, we have shown the amount to be transferred from the Pension Reserve Fund to the Pension Fund to meet the estimated Cost of Benefits for each year. If there are sufficient assets in the Pension Fund to meet the Cost of Benefits, this transfer is optional.

Councilor Michael Ossing, President Marlborough City Council City Hall Marlborough, MA 01752

Re: Aubuchon Realty Company, Inc.;

Site Plan Review Application - 661 Boston Post Road East

Dear Councilor Ossing:

On behalf of Aubuchon Realty Company, Inc., I respectfully request that the City Council take action to carry over to the Council's 2022 – 2023 session its consideration of Aubuchon's site plan review application for 661 Boston Post Road East.

The City Council recently issued a special permit for Aubuchon's planned drive-through facilities and expansion of the Wayside Crossing plaza. As the property is located in the Wayside Zoning District, the City Council also serves as the site plan review authority for the project.

After filing a site plan review application with the Council on September 30, Aubuchon's representatives have met with the Site Plan Review Committee seeking comments on the proposed plans. We expect to have updated plans ready for final comments in the coming weeks, and will then seek a recommendation from the Council's Urban Affairs Committee in early 2022.

Thank you for your time and attention to this matter. Best wishes this holiday season and Happy New Year.

Sincerely,

Brian R. Falk

> Re: J&D Landscape Contractors; 101 Airport Boulevard; Special Permit Application for a Contractor's Yard

Dear Councilor Ossing:

On behalf of J&D Landscape Contractors, I respectfully request that the City Council take action to carry over to the Council's 2022 – 2023 session its consideration of J&D Landscape's special permit application for 101 Airport Boulevard (Order No. #21-1008441).

Following a public hearing before the Council on December 6, 2021, we filed a draft decision and await comments from the Site Plan Review Committee. We expect to appear before the Council's Urban Affairs Committee in early 2022 seeking a recommendation to the full Council.

Thank you for your time and attention to this matter. Best wishes this holiday season and Happy New Year.

Sincerely,

Brian R. Falk

Call to Order

November 23, 2021

1. Michelle Bodin-Hettinger called the regular meeting of the Marlborough School Committee to order at 7:30 p.m. at 17 Washington Street, Marlborough, MA. Members present included Daniel Caruso, Earl Geary, Katherine Hennessy, Heidi Matthews, and Denise Ryan. Also present were Superintendent Michael Bergeron, Director of Finance and Operations, Douglas Dias, the Assistant Superintendent of Teaching and Learning, Mary Murphy, and the Assistant Superintendent of Student Services and Equity, Jody O'Brien. Additionally, MEA Representative Eileen Barry and Student Representative Hattie Parker were present.

This meeting is being recorded by local cable, WMCT-TV, and is available for review.

2. Pledge of Allegiance: Michelle Bodin-Hettinger led the Pledge of Allegiance.

#### 3. Presentation:

#### A. MHS Student Advisory Committee Update

Members of the Student Advisory Committee presented on various topics.

The sophomore class representative, Risha Khanderia, discussed inclusion and Special Olympics at MHS. Risha is on the Special Olympics Youth Advisory Council. MHS became a finalist for the Unified Champions School Spirit contest for MA based on a video created during the pep rally. A virtual summit will be hosted in December by the council. The number of students playing unified basketball doubled this year. Best Buddies also had a strong enrollment this year and received a \$1,000.00 grant. The freshman class representative, Sarah Garner, spoke about advanced math at MHS. She shared some student feedback on these courses as well.

The junior class representative, Jessica Rosenzweig, presented on school spirit. Jessica highlighted how school spirit differed from last year to this year. Jessica shared about different events, such as Spirit Week, Dessert Theatre, and Powderpuff, as well.

School Committee
District Education Center
25 Union Street, Marlborough, MA 01752
(508) 460-3509

The senior class representative, Adham Hussein, discussed the time change for school and career center resources and opportunities at MHS. Adham explained that students have become better adjusted to the later start and release times for MHS; he provided updates on bussing/transportation as well. Adham worked with MHS Career Specialist, Amanda Chenier, to create a Google classroom page that showcases career resources and opportunities for students.

- 4. Committee Discussion/Directives: None.
- 5. Communications: None.

#### 6. Superintendent's Report:

Superintendent Bergeron updated the committee on the COVID-19 data for the City of Marlborough and MPS. He provided an accurate, up to date verbal report of the COVID-19 data for MPS that differs from the November 17<sup>th</sup> written report that was presented. He noted that most of the cases in the city were from school-aged children.

The Superintendent reported that the November 20<sup>th</sup> vaccine clinic for students aged 5-11 was a success at MHS. All 320 slots filled up quickly, but only 263 vaccines were distributed, so some individuals skipped their appointments. The second shot for this clinic will be held on December 11<sup>th</sup>. Mr. Bergeron shared that a separate clinic is going to run on December 1st and December 22<sup>nd</sup> from 4-6pm.

Superintendent Bergeron stated that the district's leadership team continued working on the strategy for improvement on November 16<sup>th</sup>. He thanked all the participants and will be presenting their work to the School Committee as part of the FY23 budget proposal.

The Superintendent reminded the committee that the mask mendate will expire on

The Superintendent reminded the committee that the mask mandate will expire on January 15<sup>th</sup>. He thinks there may not be an extension with the mask mandate since students five years old and above are able to be vaccinated. There are two more School Committee meetings after this one to discuss this topic. Mr. Bergeron will meet with John Garside from the Board of Health and Mayor Vigeant to discuss this matter further.

School Committee District Education Center 25 Union Street, Marlborough, MA 01752 (508) 460-3509

Superintendent Bergeron reported enrollment updates for the percentage of students in MPS who are receiving EL services by year; the percentage continues to steadily increase each year.

Superintendent Bergeron introduced MEA Representative Eileen Barry.

Mrs. Barry highlighted American Education Week, and thanked MPS staff and faculty.

Superintendent Bergeron wished everyone a Happy Thanksgiving.

The Superintendent shared that there are more EL 1s and 2s enrolling in MPS.

Mrs. Hennessy commented on the mask mandate expiration.

Mrs. Matthews shared that today the MIAA stated that winter sports will require masks, but this mandate will be reviewed in January.

#### A. Director of Finance & Operations Report

Mr. Dias, the Director of Operations and Finance, reported that the district is looking to sell/dispose of furniture in preparation for the K-12 furniture purchase that will be delivered in the summer of 2022.

Mr. Dias shared plans for the District to enhance the challenge course that was built over the summer. The project is expected to be completed by early December.

#### B. Assistant Superintendent of Student Services & Equity Report

Mrs. O'Brien, the Assistant Superintendent of Student Services and Equity, reported on a parent workshop that was held at Whitcomb School from 6-8pm on November 16<sup>th</sup> for families who have not had access to health insurance. Food and babysitting were advertised, and resources, including translators, were used to communicate to families that have barriers to health insurance. Mrs. O'Brien shared the logistics of this workshop in her report. Kayla Flaherty-Dawson and Rafael Silva, along with multiple Spanish and Portuguese translators, welcomed seven families. MPS plans to hold more of these workshops; the next one is projected to be in January 2023.

School Committee District Education Center 25 Union Street, Marlborough, MA 01752 (508) 460-3509

#### 7. Acceptance of Minutes:

#### A. Minutes of the November 9, 2021 School Committee Meeting

Motion made by Mrs. Matthews, seconded by Michelle Bodin-Hettinger to approve these minutes.

Motion passed 6-0-0.

#### 8. Public Participation: None.

It should be noted that members of the public may provide comment via email before the meeting to <a href="mailto:superintendent@mps-edu.org">superintendent@mps-edu.org</a>. Public participation is a time for your comments to be heard by the committee; it is not a question-and-answer session.

#### 9. Action Items/Reports

#### A. FY22 Operating Budget Transfer

Mr. Dias outlined various budget transfers in the attached document.

Motion made by Mrs. Matthews, seconded by Michelle Bodin-Hettinger to approve these transfers.

Motion passed 6-o-o.

#### B. FY22 School Calendar Adjustment

Superintendent Bergeron recommended that the February 22<sup>nd</sup> School Committee meeting be cancelled since that date falls on February vacation and the FY23 Budget Workshop will be held on February 16<sup>th</sup>. The calendar will be updated and sent out next week.

Motion made by Mrs. Hennessy, seconded by Michelle Bodin-Hettinger to approve this recommendation.

Motion passed 6-o-o.

#### www.mps-edu.org

School Committee District Education Center 25 Union Street, Marlborough, MA 01752 (508) 460-3509

#### C. Acceptance of Donations and Gifts

**Amazon.** Amazon donated \$5,000.00 to Goodnow Brothers Elementary School. Motion made by Mrs. Matthews, seconded by Michelle Bodin-Hettinger to approve this donation.

Motion passed 6-o-o.

**Hannaford Supermarket.** Hannaford Supermarket donated \$207.00 to Kane Elementary School.

Motion made by Mrs. Matthews, seconded by Michelle Bodin-Hettinger to approve this donation.

Motion passed 6-0-0.

MA DESE Early College Support Grant. MPS received this \$28,800.00 grant. Motion made by Mrs. Matthews, seconded by Michelle Bodin-Hettinger to approve this donation.

Motion passed 6-o-o.

MA DESE Food & Nutrition Program. The MA DESE Food & Nutrition Program donated \$6,133.00 to MPS.

Motion made by Mrs. Matthews, seconded by Michelle Bodin-Hettinger to approve this donation.

Motion passed 6-o-o.

Superintendent Bergeron noted that an agenda item should be added to the meeting.

Motion made by Mrs. Matthews, seconded by Michelle Bodin-Hettinger to add an agenda item about the Office Support MOU.

Motion passed 6-0-0.

### Marlborough Public Schools

School Committee District Education Center 25 Union Street, Marlborough, MA 01752 (508) 460-3509

#### D. Office Support MOU

Mrs. Matthews shared that earlier in Executive Session, the modification to the existing three-year contract for the Administrator MOU was approved, but she wanted to bring this item to the public meeting for a vote.

Motion made by Mrs. Matthews, seconded by Michelle Bodin-Hettinger to approve the MOU with the office support unit. Motion passed 6-o-o.

#### 10. Reports of School Committee Sub-Committees: None.

#### 11. Members' Forum:

Mrs. Matthews reviewed and signed the warrant.

Mrs. Hennessy congratulated those involved in Dessert Theatre.

Mrs. Hennessy also shared that Stevie's Backyard Eatery is looking for volunteers to help the organization/business for their Thanksgiving Feed a Family.

#### 12.Adjournment:

Motion made by Mrs. Matthews, seconded by Michelle Bodin-Hettinger to adjourn at 8:20 p.m.

Motion passed 6-0-0.

Respectfully submitted,

Heidi Matthews

Secretary, Marlborough School Committee

HM/jm

Approved December 14, 2021

### CONSERVATION COMMISSION Minutes

November 4, 2021(Thursday)

Marlborough City Hall – 3<sup>rd</sup> Floor, Memorial Hall

7:00 PM

Present: Edward Clancy-Chairman, Allan White, David Williams, Dennis Demers, John Skarin, Karin

Paquin and William Dunbar. Priscilla Ryder - Conservation Officer was also present.

Absent: none

**Approval of Minutes:** The minutes October 21, 2021 were reviewed and on a motion by Mr. White second by Mr. Clancy, they were unanimously approved 7-0.

#### Public hearings:

Notice of Intent (Continue from Oct. 21, 2021)

2 Minehan Lane - Department of Public Works

Tom DiPersio, City Engineer, was present and explained that the sewer contractor gave them a quote which is too much so this project will go out to bid. The plan is to remove the existing structure and pipe to the edge of the pond. Then install a new inlet structure attached to the existing pipe. They will use a machine with a large arm that can reach from the shore to the structure and also clear out the cattails and muck around the old structure as shown on the plans presented. The water runs in a small stream now into the hole so dewatering should be easy with a pump and sandbags around the work area. They may use a sump and stone pit and pump through a sedimentation tank before discharging back downstream into the drain. At this point there is no time frame. The connection with the sewer service will be part of the project for this house. There was discussion about the remaining cattails. Ms. Paquin had found information about cutting the stalks to 2-3 inches below the water level. This will essentially "drown" the plants if done at the right time. There was discussion about who would do this work, DPW will limit their work to the structure removal and new structure installation and work within the semicircle on the plan. The remaining work could be done by the neighbors or someone. The Commission decided this could be worked out in the conditions along with a note that the owners of 2 Minehan Ln should keep an eye on the outlet structure and keep it clear from clogging. Since a contractor hasn't been chosen, it was agreed that the contractor should attend a Commission meeting prior to construction. Also, that the sink holes near the driveway would need to be repaired too during this process. There being no further questions or concerns and no public input the hearing was closed. Ms. Ryder was asked to draft conditions for the next meeting.

Request for Determination of Applicability 99 Violet wood Circle -Yamir Dextre

Mr. Dextre, the unit owner, was present and explained that he would like to add a patio to his back yard. All excess materials will be removed (as he did for his deck which was approved several years ago). They will add crushed stone and sand and cement pavers. All work will be done by hand, as machinery can't get in back. Patio will be 379 sq. ft. in

size. All work is within the existing fence which is approximately on the 20' wetland buffer zone. He asked if he could take down the three pine trees that are right near the fence as well as they are threatening to snap during these windy storms. Ms. Ryder noted that she had done a site inspection and that there are plenty of young saplings in the 20' buffer zone which will grow quickly once these larger trees are removed, so there will be plenty of vegetation to replace the trees. Mr. Dunbar noted that he had also done a site visit and noted the patio would be an improvement to the back yard as the area is not growing grass and is raw. There being no further questions from the Commission or the audience, the hearing was closed. On a motion by Mr. Skarin, second by the Chairman, to issue a Negative Determination with standard conditions, the Commission voted unanimously 7-0 to approve.

#### Certificate of Compliance:

DEP 212-1213 Avalon Marlborough II - Ms. Ryder noted that she has done several
inspections of the site and finally all items that needed to be corrected have been done,
including the cleaning of the wetlands that were impacted during several rain events. All
conditions of the Order have been met and she recommended approval of a full Certificate of
Compliance. There being no further discussion, on a motion from Mr. White and second by the
Chairman, to issue a full Certificate of Compliance for this project, the Commission voted
unanimously 7-0 to approve.

#### Discussion:

- Letter dated: Sept. 24, 2021, from Control Mass. Mosquito Control, RE: Permission slip for
  water management work Millham Reservoir/Evelina Dr. Ms. Ryder noted that this area has
  been inundated by beavers and that so far 7 beavers have been trapped. The dam will then be
  breached to allow for the "lake" that was created to recede. Once that is done Mosquito
  control will investigate this area for any additional work needed to reduce mosquito
  populations.
- 342 Sudbury St. Definitive Subdivision Plan Comments to Planning Board As required the Commission reviewed the proposed subdivision plan from one lot to two lots off Sudbury St. The Commission noted that there were wetlands just off the site and the buffer zone should be shown on the plans, they also noted that the 60' natural buffer is a good idea and will preserve some trees. The Natural buffer zone should be well defined as to what can and cannot be done in this area to ensure it stays a natural buffer. Last, erosion controls should be shown on the plans as this area is near a trout stream and therefore controlling runoff into Sudbury St. and the adjacent wetland will be critical. Ms. Ryder will send a letter with same to Planning Board for their meeting on Nov. 8th.
- Desert Natural Area Proposed management update. Ms. Ryder and Ms. Paquin have been exploring the possibility of getting a grant to assist in the harvest and eventual burning of a section of the Desert Natural Area in order to restore the pitch pine scrub oak forest, as was done in 2014. They are working with the forester to determine what area to cut and how the harvest should be conducted. Details are still being gathered. Ms. Ryder wanted to be sure the Commission was kept up to speed and to hear any objections or concerns from the Commission as this is explored. There were no comments or objections. The Commission will be kept updated as more information is gathered.

#### Correspondence/Other Business/ Project updates

Chairman Clancy asked for updates which were given as follows by Ms. Ryder:

### Conservation Commission Minutes – November 4, 2021

- o 107 Simarano Dr.- Phase 2 has begun and most of the trees have been cut. No grubbing has occurred yet and they will follow the phasing plan discussed previously.
- o 149 Hayes Memorial Dr. they continue to blast, the sewer connection is being made, as they have blasted the entrance way so they can now make that connection. A portion of the site has been stabilized around the detention basin. Blasting and hauling will continue for another two months, weather permitting.

Next Conservation Commission meetings: Nov. 18th and Dec. 2, 2021

**Adjournment** - There being no further business, on a motion by Mr. White, second by the Chairman to adjourn, the Commission voted unanimously 7-0 to adjourn at 7:57 PM

Respectfully submitted,

Priscilla Ryder

Conservation/Sustainability Officer

### Marlborough Historical Commission Meeting Minutes MARLANG QUEH

#### November 18, 2021

2021 DEC 13 A II: 02

City Hall 140 Main Street Council Committee Meeting Room

Attendees: Robert Fagone, Melanie Whapham, Brendan Downey, Pamela Wilderman

Absent: Andrea Bell Bergeron

Meeting called to order 7:06 PM

- 1. The following board members present: Robert Fagone, Melanie Whapham, Brendan Downey, & Pamela Wilderman.
- 2. On the Motion to approve September 2021 minutes, the Commission voted as follows: Downey AYE Fagone AYE Wildeman AYE Whapham AYE. The motion passed.
- 3. Correspondence & Communications.
  - a. On November 13, 2021, Marlborough Historical Commission board member Alan Slattery notified the board chair via email that he is resigning his position on the Commission effective immediately. The notification was submitted with regret to the Mayor's office and the City Clerk.
  - b. Reayd Basmaji of 98 Newton St has expressed some interest in joining the MHC board after January 2022. The Chair will follow up then to begin the process if Mr. Basmaji is still interested.
  - c. There was some confusion from residents about the recent communication from the city about standards and processes involving scenic roads. The Chair sent information to the Mayor's office and the DPW about the Historical Commission's Scenic Roads signage initiative.
  - d. The DPW is committed to moving forward with scenic road signage which should help increase awareness in the community about the issue.

#### 4. Preservation by education.

- a. Communication from Karin Paquin and Billy Dunbar of the Conservation Commission Panther Trail committee. Interest in the old Marlborough sedimentation beds off Framingham Road. Particular emphasis in using the sluice (waterfalls) as a stopping point, green area along the Panther Trail and off the roadway completely. The Chair visited the site and recognized it as a "gem" of a location for the residents of Marlborough. The Chair recommends the MHC participate wholeheartedly with the Conservation Commission and the DPW to see that this initiative is pursued and supported.
- b. Historic house sign initiative. Based on the recent story published in the Community Advocate the demand from residents within the community for historic house markers has been encouraging. The Commission is still working out some particulars in reference to getting the signs manufactured and distributed once applications and checks have been properly submitted. The chair will produce a document that lays out the details and will be posted on the MHC website. A motion was made and seconded to authorize this

- action. The vote was as follows: Downey AYE Fagone AYE Wildeman AYE Whapham AYE. The motion passed.
- c. There was a conversation about better ways for the Commission to leverage the website. Examples of other Massachusetts historical commission websites were shared and it was agreed that there were features that should be added that would support the MHCs general theme of "preservation by education". In addition to make the MACRIS data more accessible there were several other recommendations made that will be discussed in future meetings.
- 5. A motion was made and seconded to adjourn the meeting at 8:19 PM. The vote was as follows: Downey AYE Fagone AYE Wildeman AYE Whapham AYE. The motion passed.

Respectfully Submitted, Brendan Downey Robert Fagone

## MINUTES MARLBOROUGH PLANNING BOARD MARLBOROUGH, MA 01752

RECEIVED
CITY CLERK'S OFFICE
CITY OF MARLEMENTICH

Call to Order

202 0EC | 0 | Coctober 18, 2021

The Meeting of the Marlborough Planning Board was called to order at 7:00 pm in Memorial Hall, 3rd Floor City Hall, 140 Main Street, Marlborough, MA. Members present: Barbara Fenby, Sean Fay, Phil Hodge, George LaVenture, Chris Russ, and William Fowler. Meeting support provided by City Engineer, Thomas DiPersio.

#### 1. Draft Meeting Minutes

#### A. October 4, 2021

On a motion by Mr. LaVenture, seconded by Mr. Mr. Russ, the Board voted to accept and file with a minor typo correction, the October 4, 2021 meeting minutes. Yea: Fay, Fowler, Hodge, LaVenture, Russ, and Fenby. Nay: 0. Motion carried.

#### 2. Chair's Business

A. Referred from City Council: Order #21-1008274C, Proposed Zoning Amendment to Chapter 650 to amend Section 61 Temporary Moratorium for Multi-Family Housing Projects.

Mr. LaVenture read the public hearing legal notice into the record.

November 8, 2021, 7:00 PM was selected for the Planning Board's public hearing on the proposed zoning amendment.

#### B. Marlborough Planning Board Subdivision Rules and Regulations

Mr. LaVenture updated the Board on discussions he had with City Solicitor Jason Grossfield. Mr. LaVenture explained Mr. Grossfield indicated in his opinion there would be no problem with the Board filing the regulations with the land court and with the registry of deeds, at this time. If Mr. Grossfield had any comments or changes that are required to be made, he would refer those back the Board for review and potential vote at a subsequent public hearing.

On a motion by Mr. LaVenture, seconded by Mr. Fay, the Board voted to refer the Planning Board Rules and Regulations approved on September 13, 2021 to Legal for filing with the appropriate offices as required and confirmation that 1) no timeline restriction between voting their approval and the filing has been violated 2) that the Solicitor's earlier communication to the Board that the approved Rules and Regulations were not in final form will not negatively impact their integrity after filing. Yea: Fay, Fowler, Hodge, LaVenture, Russ, and Fenby. Nay: 0. Motion carried.

The Board had a discussion on procedures/standards for deciding items, example: variances and zoning changes. Mr. LaVenture and Mr. Russ decided to draft information on future discussions.

C. Scenic Roads – ongoing discussion – no new information

#### D. Holiday Party discussion

On a motion by Mr. LaVenture, seconded by Mr. Russ, the Board voted to move 2D. Holiday Party Discussion to the end of the meeting. Yea: Fay, Fowler, Hodge, LaVenture, Russ, and Fenby. Nay: 0. Motion carried.

#### 3. Approval Not Required (None)

#### 4. Public Hearings (None)

#### 5. Subdivision Progress Reports

#### A. Commonwealth Heights Subdivision

The Board had a discussion referencing several items throughout multiple Planning Board meeting minutes.

Mr. LaVenture referenced the following Planning Board meeting minutes:

- December 16, 2019, page 4, 3<sup>rd</sup> paragraph. Mr. Fay set clear expectations on extensions.
- June 8, 2020, page 2, last paragraph. Mr. Fay set clear expectations on extensions.

Mr. Russ had a discussion on item 21 within the covenant and the Board's plans to communicate with Scott Weiss about the Board's potential option of rescinding the approval of the Subdivision.

Mr. Fay referenced the following Planning Board meeting minutes:

- December 16, 2019, page 4, 3<sup>rd</sup> paragraph. "Mr. Fay would be opposed to extensions of an approval if the road was not completed."
- February 24, 2020, page 3, 2<sup>nd</sup> paragraph. "Mr. Weiss indicated he has a clear understanding of the Board's expectations."
- June 8, 2020, page 2, last paragraph. "Mr. Fay expressed his conviction that he will not support any approval extensions without demonstrated construction schedule progress."

Dr. Fenby referenced the following Planning Board meeting minutes:

- June 22, 2020

The Board had a discussion on how the Board previously set clear expectations for Mr. Weiss and how they believe Mr. Weiss is in current violation of the covenant because he was supposed to be submitting regular progress reports.

Mr. Russ and the City Engineer, Thomas DiPersio discussed adequate time for roadway construction before the August 24th, 2022 deadline.

The Board discussed any potential restrictions due to COVID-19 that would affect the Board's ability to rescind the approval. City Councilor, Kathleen Robey discussed the tolling extension that was part of the Governor's executive order for the emergency declaration.

Mr. LaVenture reminded the Board, Mr. Weiss had indicated multiple times he has no plans of doing the roadway construction and that he is relying on a developer for that.

Mr. LaVenture referenced the following Planning Board meeting minutes:

December 16, 2019, page 4, 3<sup>rd</sup> paragraph. "Mr. Weiss repeated that they're not builders, and they will be looking for a partner to complete the road and houses as one process." And "Mr. Fay would be opposed to extensions of an approval if the road was not completed. Mr. Weiss will accept and commit to completing the roadway in the prescribed schedule."

On a motion by Mr. Fay, seconded by Mr. Hodge, the Board voted to send a letter to Mr. Weiss expressing the Board's concern that there has been no activity. The Board believes he is in current violation of the covenant and the Board wants to invite him to a future Planning Board meeting as a courtesy prior to commencing the process to rescind his approval. Yea: Fay, Fowler, Hodge, LaVenture, Russ, and Fenby. Nay: 0. Motion carried.

#### B. Goodale Estates – Schedule update

Mr. LaVenture read the correspondence from Kevin Gillis dated October 12, 2021 into the record.

On a Motion by Mr. LaVenture, seconded by Mr. Russ, the Board voted to accept and file the correspondence.

Yea: Fay, Fowler, Hodge, LaVenture, Russ, and Fenby. Nay: 0. Motion carried.

City Engineer, Thomas DiPersio updated the Board on the Goodale Estates timeline, closing in December 2021. On a motion by Mr. Fay, seconded by Mr. LaVenture, the board voted to have the Engineering Department draft a letter for: punch list items, entering the maintenance period, and the acceptance process. Yea: Fay, Fowler, Hodge, LaVenture, Russ, and Fenby. Nay: 0. Motion carried.

6. Preliminary/Open Space/Limited Development Subdivision (None)

#### 7. Definitive Subdivision Submissions

A. 342 Sudbury Street, Marlborough, MA 01752

Owner of Land:

The 342 Sudbury Street Trust

Address:

342 Sudbury Street, Marlborough, MA 01752

Name of Engineer:

**Robert Parente** 

Address:

21 Chapin Street., Northboro, MA 01532

Deeds Book:

77825 Page: 110

Mr. LaVenture read the correspondence from Mr. Parente dated October 16, 2021 into the record. On a Motion by Mr. Fay, seconded by Mr. Russ, the Board voted to accept and file the correspondence. Yea: Fay, Fowler, Hodge, LaVenture, Russ, and Fenby. Nay: 0. Motion carried.

Mr. Parente explained the submission includes a three-plan set of a proposed two lot subdivision.

- 1. 40-foot layout of the roadway and lotting plan
- 2. 18-foot roadway (waiver request) plan and profile showing hammerhead turn around (waiver request)
- 3. Site Grading and Drainage Plan

Mr. Parente explained on the north side of the property the plans display a (parcel A) because there is a potential of a Conveyance of a small portion of land. The plan includes a natural buffer zone to protect the privacy of some of the abutters.

Mr. Russ and Mr. Parente discussed providing a grading plan to reassure the Board that the natural buffer zone would remain protected during construction and if there was a way to protect the natural buffer zone in the deed for if the land was to be sold in the future.

On a motion by Mr. Fay, seconded by Mr. Russ, the Board voted to refer the definitive subdivision submission to Engineering for review. Yea: Fay, Fowler, Hodge, LaVenture, Russ, and Fenby. Nay: 0. Motion carried.

November 8, 2021, 7:00 PM was selected for the Planning Board's public hearing on the definitive subdivision for 342 Sudbury Street.

- 8. Signs (None)
- 9. Correspondence (None)

#### 10. Unfinished Business (None)

#### 11. Calendar Updates (None)

On a motion by Mr. LaVenture, seconded by Mr. Russ, the board voted to bring 4D back up on the Agenda. Yea: Elder, Fay, Fowler, Hodge, LaVenture, Russ, and Fenby. Nay: 0. Motion carried.

#### 4. Chair's Business

/kmm

D. Holiday Party discussion

The Board had a discussion on the Holiday Party and picked December 20, 2021.

#### 12. Public Notices of other Cities & Towns

A. Misc. surrounding Cities/Towns Planning Board – Notices of Public Hearings
On a Motion by Mr. Fowler, seconded by Mr. Russ, the Board voted to accept and file the correspondence. Yea:
Fay, Fowler, Hodge, LaVenture, Russ, and Fenby. Nay: 0. Motion carried.

On a motion by Mr. Fowler, seconded by Mr. Russ, the Board voted to adjourn the meeting. Yea: Elder, Fay, Fowler, Hodge, LaVenture, Russ, and Fenby. Nay: 0. Motion carried.

Respectfully submitted,

George LaVenture/Clerk

# MINUTES MARLBOROUGH PLANNING BOARD MARLBOROUGH, MA 101752 ERRYS GEFICE CITY OF MALLBOROUGH

Call to Order 7/1/71 □ FC 1 0 □ 12: 2 0 November 8, 2021

The Meeting of the Marlborough Planning Board was called to order at 7:00 pm in Memorial Hall, 3rd Floor City Hall, 140 Main Street, Marlborough, MA. Members present: Barbara Fenby, Sean Fay, Phil Hodge, George LaVenture, Chris Russ, and William Fowler. Matt Elder was not present at the meeting but was listening in remotely and will be using the certification pursuant to G. L. c. 39, Section 23D ("MULLIN RULE"). Meeting support provided by City Engineer, Thomas DiPersio.

#### 1. Draft Meeting Minutes

#### A. October 18, 2021

On a motion by Mr. Russ, seconded by Mr. Mr. LaVenture, the Board voted to accept and file with minor typo corrections, the October 18, 2021 meeting minutes. Yea: Fay, Fowler, Hodge, LaVenture, Russ, and Fenby. Nay: 0. Motion carried.

#### 2. Chair's Business

#### A. Marlborough Planning Board Subdivision Rules and Regulations - ongoing discussion

Mr. LaVenture updated the Board on discussions he had with City Solicitor Jason Grossfield. Mr. Grossfield indicated there is no required time frame between the approval of the Regulations and the filing, and the Subdivision Rules and Regulations go into effect on September 13, 2021 (the date the Board voted to approve and adopt them). The Planning Board Administrator indicated the Subdivision Rules and Regulations were filed and sent to the Registry of Deeds on November 8, 2021.

#### 3. Approval Not Required (None)

#### 4. Public Hearings

A. City Council: Order #21-1008274C, Proposed Zoning Amendment to Chapter 650 to amend Section 61 Temporary Moratorium for Multi-Family Housing Projects

Chairperson Fenby opened the hearing. Mr. LaVenture read the public hearing legal notice into the record. Chairperson Fenby provided instructions to those in attendance. The hearing was conducted in the following stages: 1) Presentation 2) Those speaking in favor 3) Those speaking in opposition 4) Comments and questions from the Board members.

#### Presentation:

Mayor Arthur Vigeant explained he is asking for this extension on the moratorium because the City is still waiting to get guidelines from the Department of Housing and Community Development (DHCD) for their new housing proposal. DHCD is in the process of setting the ground rules. Mayor Vigeant explained he is hoping to have the guidelines by the end of calendar year and doesn't anticipate coming to the Planning Board again for an extension.

#### Speaking in Favor of the Amendment:

(No one spoke in favor)

Dr. Fenby closed this portion of the Public Hearing.

#### Speaking in Opposition to the Amendment:

City Councilor Michael Ossing, 43 Varley Road, Marlborough, MA 01752 spoke in opposition.

Mr. Ossing, provided a timeline of the history of this moratorium:

- April The Mayor provided the letter asking for the 90-day moratorium.
- June The Planning Board endorsed the 90-day moratorium.

- July The City Council endorsed the 90-day moratorium, and it was extended to October.
- October 4<sup>th</sup> The Mayor provided a letter asking to extend the moratorium to the end of year.
- November 8th Today, five weeks later we still don't have the guidelines from the state.

Mr. Ossing explained there is not adequate time for a multi-family housing project to come to the City Council, hold a public hearing, send it to committee and decide within the three City Council meetings left this year. Based on timing, the ability of the City Council to do its job, and the uncertainly of when this guidance will become available, he encouraged the Planning Board to provide a negative recommendation on the extension. However, if the Board wishes to send a favorable recommendation, he asked the Board to recommend excluding the proposed project at the Campus. The Campus submitted their application in September with anticipation the housing moratorium would end in October. It's now in Urban Affairs for review.

City Councilor Kathleen Robey, 97 Hudson Street, Marlborough, MA 01752 spoke in opposition. Mrs. Robey backed and supported all the points Mr. Ossing addressed.

Dr. Fenby closed this portion of the Public Hearing.

#### Questions and Comments from the Planning Board:

Mr. Fay asked the Mayor respond to Mr. Ossing. Mayor Vigeant explained if there is not adequate time for a multi-family housing project to come into to the City before the end of the year as Mr. Ossing argued then why not approve the moratorium. He did not favor having one complex carved out of the moratorium. Mr. Vigeant reminded the board that single family homes are not included in the moratorium.

Mr. Fay asked the Mayor, is the State asking the City to extend the moratorium? Mayor Vigeant said no.

Mr. Fowler asked Mr. Ossing, is the Campus project the only project that is currently filed with the City? Mr. Ossing said yes.

Mr. LaVenture asked Mr. Ossing, what are the ramifications for the Campus project if a complete moratorium was approved? Mr. Ossing explained, he is not sure of the impact it would cause if they were to have to wait until January for submittal.

Mr. Russ asked Mr. Ossing, is the Campus project currently submitted and being reviewed? Mr. Ossing said no. Mr. Russ asked, at the next meetings can you still review and discuss the project, just not approve it? Mr. Ossing said no, the way the language is in the housing moratorium, there is no submittal of site plan documents to the City.

Mr. Fay asked, what would the timeline be if the Campus were to submit at the next meeting? Mr. Ossing explained it is hard to determine without input from the City Council. The Council still needs to approve the master plan and the development agreement, which the council is reviewing at tomorrow's Urban Affairs meeting.

Dr. Fenby closed the public hearing.

B. 342 Sudbury Street, Marlborough, MA 01752 - Definitive Subdivision Plan

Owner of Land:

The 342 Sudbury Street Trust

Name of Engineer:

**Robert Parente** 

Deeds Book:

77825 Page: 110

Chairperson Fenby opened the hearing. Mr. LaVenture read the public hearing legal notice into the record. Chairperson Fenby provided instructions to those in attendance. The hearing was conducted in the following stages: 1) Presentation 2) Those speaking in favor 3) Those speaking in opposition 4) Comments and questions from the Board members.

#### Presentation:

Neal Vigeant (342 Sudbury Street, Marlborough, MA 01752) explained he purchased the 342 Sudbury Street property earlier this year with intentions of making it a rental property and using the land behind it for his family farm operations, for sawmilling, harvesting the soil and a family gathering location. Mr. Vigeant explained, after renovating the property he realized that use would be a nuisance to the surrounding area. His proposed subdivision would create an additional lot. He is asking the Planning Board for waivers to prevent the construction of a public way for the one house. The waivers would allow the entrance to this house appear more of a driveway than a road. The proposed subdivision includes a large buffer zone equal to about an acre of land, which will be recorded in the deed. This buffer zone recorded in the deed would be permanent and would remain unchanged even if the property were to be sold in the future.

Robert Parent went over the submitted plans. The plans display:

- 18-foot-wide paved area with a hammer-head turn around
  - o Providing the proposed Lot 2 with the required frontage
  - This paved area would be owned by the owner of Lot 2 as it would remain private
- New sewer, water, and underground electrical lines
- The proposed Lot 1 with the existing house 1.006 acres
- The proposed Lot 2 2.0127 acres
- An estimated 3,000 sqft footprint for the new house
  - 60 ft off the layout of the cul-de-sac
  - o 120 ft off the stone wall on the Carisbrooke houses
- List of waivers:
  - o Reduce road layout width to 40'
  - o Reduce pavement width to 18'
  - o No sidewalks
  - No curbing
  - To construct the road in accordance with the cross section shown on the profile sheet

Mr. LaVenture read the correspondence dated November 1, 2021, from the City Engineer Thomas DiPersio, Engineering Department into the record.

Mr. LaVenture read the correspondence dated October 8, 2021, from Assistant Chief Jeffrey Gogan, Marlborough Fire Department into the record.

Mr. LaVenture read the correspondence dated November 8, 2021, from Priscilla Ryder, Conservation into the record. See the attached letter.

#### Speaking in Favor of the Amendment:

Paul Ditullio, 86 Boivin Drive, Marlborough, MA 01752 spoke in favor.

Mr. Ditullio explained I think for one house a road is not necessary, the driveway they're asking for would be sufficient. Roads require a lot of maintenance and letting the owner deal with the maintenance for this road would be the best option.

Fred Brewitt, 299 Sudbury Street, Marlborough, MA 01752 spoke in favor.

Mr. Brewitt asked, is there was a maximum length a driveway can be? Mr. DiPersio said no. Mr. Brewitt asked, is there a required set back from the stone wall on the property line, Mr. DiPersio explained there is a 5-foot set back requirement from the property line.

Joe Verri, 128 Prendiville Way, Marlborough, MA 01752 spoke in favor.

Mr. Verri explained he is a direct abutter and the buffer zone would maintain the natural beauty of his backyard.

Mr. Verri expressed his support for the proposed driveway concept in lieu of a full roadway construction.

Dr. Fenby closed this portion of the Public Hearing.

#### Speaking in Opposition to the Amendment:

John Brackett, 45 Harper Circle, Marlborough, MA 01752 spoke in opposition.

Mr. Brackett read the letter he submitted into the record. See agenda packet for complete letter.

Rocco Collura, 368 Sudbury Street, Marlborough, MA 01752 spoke in opposition.

Mr. Collura explained he is not an immediate abutter and supported all the key points in Mr. Brackett's letter.

Mr. Collura's biggest concern is what could happen to the neighborhood down the road.

Michelle Feddersohn, 356 Sudbury Street, Marlborough, MA 01752 spoke during the opposition portion of the public hearing and explained she is not in total opposition of the proposed subdivision and addressed concerns on the buffer zone along her property and spoke against the concept of a full roadway construction.

Mr. Vigeant addressed Mrs. Feddersohn's concerns, explaining he met with owners of 356 Sudbury Street and proposed putting back in a buffer zone and selling them about 21,000 sq ft of their grass for \$5.00. So they would own it and be able to keep their yard intact. He offered to put back as much of the natural buffer as possible to try to address their concerns.

Gregory Garson, 36 Harper Circle, Marlborough, MA 01752 spoke in opposition. See the attached letter.

David Moores, 356 Sudbury Street, Marlborough, MA 01752 spoke during the opposition portion of the public hearing and explained he is not opposed to the subdivision but is opposed to a full roadway construction.

Rose Marie Boniface, 24 Harper Circle, Marlborough, MA 01752 spoke in opposition. See the attached letter.

Steve Warren, 49 Harper Circle, Marlborough, MA 01752 spoke in opposition.

Mr. Warren discussed concerns for the brook, the wildlife, and the water/flooding issue within the area.

Lisa Nilan, 368 Sudbury Street, Marlborough, MA 01752 spoke in opposition.

Mrs. Nilan addressed concerns about setting a precedent, potential wind issues because of trees being taken down, flooding and blasting with in the neighborhood.

Dr. Fenby closed this portion of the Public Hearing.

Dr. Fenby addressed questions that have been raised by the public.

- Water flow will be monitored by the Engineering Department, regularly and as part of the City's responsibly as developments occur.
- The brook is monitored by Conservation.
- The issue with the subdivision setting a precedent is something the Planning Board has already reviewed.

#### Questions and Comments from the Planning Board:

Mr. Russ and Mr. Fay addressed concerns on the lack of details on the list of waivers, specifically number 5 and the potential need for curbing or berms to get the water flow to the catch basins.

Mr. Russ explained the plans need more details. The cross section doesn't show underground power or communication and the driveway is undefined, other than "18-feet-wide". There are no dimensions on the hammer-head turn around, which the Fire Department needs to know in order to determine if the their trucks can turn around. Mr. Russ asked if there could be a 20-foot buffer zone on each side between the two properties. Mr. Parente explained there is a recharge area on one lot but there could be a buffer zone on the other. Mr. Russ also explained any tree over 12 inches in diameter needs to be labeled on the plans, as staying, or going and there should be drawings showing trees in the buffer zone as discussed with the 356 Sudbury neighbors.

Mr. Russ asked if the driveway can be considered the legal frontage if it is owned by the property owner. Mr. DiPersio explained if the Planning Board approves it as a "way" it can be used as legal frontage even if it is private.

Mr. Russ addressed concerns on the 3,000 sqft home not fitting in with the character of the neighborhood and asked if home sizes in the area could be provided.

Mr. Vigeant offered a site visit to address concerns.

Mr. Fowler expressed his concerns on the water flow issues, the driveway being a private way and asked if the house could be place in a spot to cause the least amount of removal of trees.

Mr. Vigeant explained the proposed house is a significant distance uphill from this brook. The re-charge basins will prevent the water from the 342 property to make it to the brook.

Mr. Fay addressed the concerns on the buffer zone from the brook really being a "no disturb" zone.

The Board had a discussion on the new rules and regulations and that the 342 Sudbury Street Definitive Subdivision Plan should be held to the new standards, as the new Subdivision Rules and Regulations were approved and adopted on September 13, 2021.

Dr. Fenby closed the public hearing.

#### 5. Subdivision Progress Reports

#### A. Commonwealth Heights Subdivision – ongoing discussion

Dr. Fenby informed the Board Scott Weiss would attend the December 6, 2021 Planning Board meeting.

On a motion by Mr. LaVenture, seconded by Mr. Russ the board voted to accept and file the correspondence. Yea: Fay, Fowler, Hodge, LaVenture, Russ, and Fenby. Nay: 0. Motion carried.

#### B. Goodale Estates - ongoing discussion

Mr. LaVenture read the correspondence from the City Engineer Thomas DiPersio, Engineering Department into the record.

On a motion by Mr. LaVenture, seconded by Mr. Russ the board voted to accept and file the correspondence. Yea: Fay, Fowler, Hodge, LaVenture, Russ, and Fenby. Nay: 0. Motion carried.

Mr. DiPersio informed the Board Kevin Gillis would have the requested information for the November 22, 2021 meeting.

- 6. Preliminary/Open Space/Limited Development Subdivision (None)
- 7. Definitive Subdivision Submissions (None)
- 8. Signs (None)
- 9. Correspondence (None)
- 10. Unfinished Business (None)
- 11. Calendar Updates (None)

#### 12. Public Notices of other Cities & Towns

A. Misc. surrounding Cities/Towns Planning Board - Notices of Public Hearings

On a motion by Mr. Russ, seconded by Mr. LaVenture the board voted to accept and file the correspondence under 12. Yea: Fay, Fowler, Hodge, LaVenture, Russ, and Fenby. Nay: 0. Motion carried.

#### 4. Public Hearings (Continued)

A. City Council: Order #21-1008274C, Proposed Zoning Amendment to Chapter 650 to amend Section 61 Temporary Moratorium for Multi-Family Housing Projects

On a motion by Mr. Fay, seconded by Mr. LaVenture, the Board voted to send a favorable recommendation to the City Council on the proposed order 21-1008414 to extend the Temporary Moratorium for Multi-Family Housing Projects through to December 31, 2021.

If the City Council sees fit to approve the Zoning Amendment, the Planning Board suggests the following:

- Request that the Mayor notify the Planning Board and City Council as soon as possible if Mayor anticipates the need for additional extensions of the moratorium;
- Exclude the Campus development that was previously reviewed by the Planning Board in connection with a recommendation for a zoning change; said exclusion to be limited for review purposes only, not approval.

Yea: Fay, Fowler, Hodge, LaVenture, Russ, and Fenby. Nay: 0 Motion carried 6-0.

On a motion by Mr. Fowler, seconded by Mr. Russ, the Board voted to adjourn the meeting. Yea: Fay, Fowler, Hodge, LaVenture, Russ, and Fenby. Nay: 0. Motion carried.

Respectfully submitted,

George LaVenture/Clerk

#### Memorandum

To: Barbara Fenby, Chairwomen

Planning Board

From: Priscilla Ryder, Conservation/Sustainability Officer

Date: November 8, 2021

RE: 342 Sudbury St., Definitive Subdivision Plan

The Conservation Commission is in receipt of and reviewed, at its November 4, 2021 meeting,

the following plan: Definitive Subdivision Plan in Marlborough, MA

Location: 342 Sudbury St. Owner: 342 Sudbury St. Trust Dated: October 15, 2021

Prepared by Robert Parente, P.E.

Sheets: 1-3

The Commission provides the following comments:

Please confirm that any work relative to this project is outside the 100' buffer zone and 200' riverfront area to the adjacent stream which is between this lot and Harper Circle. Based on the GIS map it doesn't appear that there are any wetlands on this lot, just buffer zone. These should be shown on the final plans

- 2. The plans show a 60' area referenced as "Natural Buffer". The Commission agrees that this is a good way to limit impact to adjacent properties. Can this Natural buffer area be well defined on the plan as to what is intended? i.e., no clearing, except for dead or dying trees, keep the undergrowth intact, no building, no sheds, no storage etc. Other buffers in the past have not been clearly defined and enforcement has been difficult. Clearly defining the intent of this natural buffer and adding it to the plan will make this task easier in the future.
- 3. Please ensure that erosion controls are shown on the plan to prevent mud from tracking or flowing into Sudbury St. or onto the adjacent down hill properties. The adjacent stream flows into the Desert Natural area which contains one of our few native trout brooks in this region so all efforts to keep it clean is required.

If you have any questions on the above, please let me know.

Cc: Tom DiPersio, City Engineer

Tin Htway, Building Commissioner

Ed Clancy, Conservation Commission Chairman

RE: Proposed sub-division plan for land located at 342 Sudbury Street, Marlborough, MA 01752

Dear Planning Board Members,

We are writing to you in opposition to the proposed sub-division and development of the land located at 342 Sudbury Street in Marlborough. This land directly abuts our property and the proposed development with be in direct view behind our house in direct opposition to the primary reason we selected this home / location in the first place – the secluded, wooded location surrounded by trees providing a natural barrier and delineation between properties in our neighborhood and adjacent neighborhoods.

Furthermore, we believe that the proposed development will have the following impacts on our neighborhood and our property directly, detailing further why we are opposed to the subdivision and subsequent development plans:

- Our property and that of the surrounding neighbors who have abutting properties to the one located at 342 Sudbury Street contains protected wetlands that encompass the vast majority of the back portion of our properties
- Traversing these wetlands is an active stream with wildlife that requires protection
- The active stream is a tributary to a larger body of water which is a protected trout stream, again, with wildlife that requires protection
- The proposed development would cause irreparable damage to this fragile wetlands
  eco-system and the downstream eco-systems that are fed and supported by our stream
   an eco-system that a lot of wildlife have come to depend upon (e.g. turkeys, deer,
  coyotes, fisher cats, squirrels, chipmunks, rabbits, owls, hawks and many, many more) –
  there has not been a proper environmental impact assessment for this proposal
- Given the elevation of the proposed development which is located on a rise above the
  wetlands and stream traversing these wetlands the waterflow would be severely
  impacted by the removal of trees, the disturbing of the land structures and the
  development of new buildings (and supporting infrastructure) on land above the
  wetlands
- Irrespective of the damage to the wetlands (which is a certainty), the location of the
  proposed development would necessitate the removal of most if not all of the old
  growth timber in the wooded areas, which would alter the canopy of the wooded area
  and change the structure of the vegetation in this natural buffer zone these trees
  could not be moved or replaced
- The removal of this old growth timber would also have two additional (and significant) impacts to our property:

- 1. The winds that come through the area sometime quite severely would have no natural buffers to prevent them from slamming into our trees that are closer to our home, significantly raising the risk of a catastrophic collapse of a 'killer tree' (one that is large enough to take out any of the homes it is near, and potentially killing us as occupants) we have seen this happen with the removal of a large area of trees by one of the neighbors on Harper Cir, causing us to have to spend significant amounts of money on tree removal
- 2. The water that flows from the elevated portion of our property, the portion that abuts the proposed sub-division and development, is contained by the trees and foliage that are in the wooded zone. The removal of these trees and foliage will cause significant amounts of water to flow down to and beyond the creek / stream that traverses the property and raises the flood risk on our property. Again, we have seen evidence of this occurring as a direct result of the removal of trees and foliage between 10 Harper Cir & 24 Harper Cir, causing significant flooding onto the land at 24 Harper Cir.
- Given the lack of proper infrastructure in place to support the new sub-division and subsequent development, and the fact that we went thru a recent 2+ year 'intrusion' to put in sewers in our development, this new home would not comply with the required infrastructure and could tax our newly implemented infrastructure unduly
- The final point I will make is around the impact of our ability to enjoy our property free from intrusion and interference from on-lookers we purchased our property because of the natural seclusion that it came with. This seclusion also came with a 'buffer zone' in the back the area that abuts the proposed sub-division and development of a wetlands area that we were told could not be developed. The proposed development would place a home in open view of our backyard, in direct opposition to the natural seclusion we sought and paid for more than 15 years ago and that our neighbors equally sought out and paid for when they purchase homes in this neighborhood.

In conclusion, we are opposed to the sub-division and development because of the environmental impacts it will cause, the intrusion on our right to enjoy our property without interference from our neighbors, and the unnecessary need for another home, without proper infrastructure, to be added to this area.

Thank you for allowing us to provide input into your decision-making and we hope you will vote to decline the request.

Sincerely,
Gregory Garson & Allison Crouse

24 Harper Circle Marlborough, MA 01752 November 8, 2021

RE: Proposed Subdivision 342 Sudbury Street, Marlborough. MA 01752

Dear Planning Board Members:

We purchased our current home at 24 Harper Circle in July 1985 and were the third family to move into the Carisbrooke development in January 1986. From all of the lots that were available, we carefully chose our private wooded lot on a small cul de sac, Harper Circle. We have lived here for almost 37 years and have witnessed many events and changes in our neighborhood during this time.

As a direct abutter, there are many reasons that we oppose the proposed subdivision at 342 Sudbury Street, but we will focus on four primary concerns.

- 1. Water flowage and drainage is of utmost concern to us. Our section of the development is very wet with a high water table and wetland areas. The Carisbrooke developers designed an elaborate flowage and drainage system with underground pipes, culverts, detention ponds, and open brooks. Our backyard contains both a drainage easement and a flowage easement, and an open brook. Our land floods with heavy rains and we have seen times when the brook water has risen so high that it has met our inground pool water. Following any rain, our backyard cannot be mowed for many days because it is too wet. More recently in heavy rains, water is flowing swiftly along the foundation of our home and we are forced to use a pump to divert it from our basement.
- 2. The proposed subdivision lot is on a significant elevation above our lot. The construction of the proposed new home, as well as its inherent removal of trees and other vegetation, will inevitably cause increased runoff of water onto our property, exacerbating the wet conditions we already have.

- 3. Further, we would suspect that the proposed subdivision lot has ledge that may need to be blasted. Our lot has ledge and we had to blast to put in our inground pool. We are concerned about potential damage to our pool. Four years ago when the City's contractors blasted to install sewerage on our street, the blasting caused a crack in our pool which needed to be repaired.
- 4. Lastly, we are concerned about the **environmental and conservation impacts** of the proposed subdivision. The brook on our property flows into a protected Sudbury Valley Trustees trout stream. Runoff from the proposed construction threatens the brook and stream beyond. Removing decades old trees and other natural vegetation impacts the ecological balance in the area and increases the flood risk on our property.

No matter what buffer zones are created to "appease abutters", the approval of this subdivision will forever change the homes and properties of those of us who purchased and expected to continue to enjoy private, wooded homesites without increased water and drainage problems, preventable environmental impacts, and loss of privacy. We urge you not to approve this subdivision.

Very truly yours,

James G. Boniface

Rose Marie Boniface

# MINUTES MARLBOROUGH PLANNING BOARD MARLBOROUGH, MA 01752 RECEIVED UTIY CLERK'S OFFICE CITY OF MARLBOROUGH

Call to Order

2021 DEC 10 P 12: 20

November 22, 2021

The Meeting of the Marlborough Planning Board was called to order at 7:00 pm in Memorial Hall, 3rd Floor City Hall, 140 Main Street, Marlborough, MA. Members present: Barbara Fenby, George LaVenture, Chris Russ, Matthew Elder and William Fowler. Sean Fay was not present at the meeting but was listening in remotely. Meeting support provided by City Engineer, Thomas DiPersio.

#### 1. Draft Meeting Minutes

A. November 8, 2021

On a motion by Mr. LaVenture, seconded by Mr. Russ, the Board voted to accept and file the November 8, 2021 meeting minutes with minor typo corrections. Yea: Elder, Fowler, LaVenture, Russ, and Fenby. Nay: 0. Motion carried.

- 2. Chair's Business (None)
- 3. Approval Not Required (None)
- 4. Public Hearings (None)
- 5. Subdivision Progress Reports
  - A. Goodale Estates ongoing discussion

Mr. LaVenture read the November 17, 2021 correspondence from Kevin Gillis into the record.

Mr. LaVenture read the November 22, 2021 correspondence from Code Enforcement Officer, Pamela Wilderman into the record. – See attached.

Mr. Gillis provided an update, he explained the final coat of paving is finished, the trees have been installed, the as-built plans have been distributed and the monuments are in place. Mr. Gillis explained he is requesting the bonds be reduced to the 10% contingency warranty amount for the one-year period.

On a motion by Mr. LaVenture, seconded by Mr. Russ, the Board voted to accept and file the correspondence and to refer the bond reduction request to Engineering. Yea: Elder, Fowler, LaVenture, Russ, and Fenby. Nay: 0. Motion carried.

Mr. Gillis and the City Engineer, Thomas DiPersio had a discussion regarding specifications on the one-year maintenance period and the street acceptance process.

- B. Commonwealth Heights Subdivision no discussion
- 6. Preliminary/Open Space/Limited Development Subdivision (None)
- 7. Definitive Subdivision Submissions
  - A. 342 Sudbury Street, Marlborough, MA 01752 Definitive Subdivision Plan ongoing discussion

Owner of Land:

The 342 Sudbury Street Trust

Name of Engineer:

**Robert Parente** 

Deeds Book:

77825 Page: 110

Mr. LaVenture read the November 19, 2021 correspondence from John Garside, Board of Health into the record. Mr. LaVenture read the November 22, 2021 correspondence from Priscilla Ryder, Conservation into the record.

Mr. LaVenture read the November 19, 2021 correspondence from City Engineer, Thomas DiPersio, Engineering Division into the record.

The Board decided to waive the reading of the three letters from abutters:

- John and Ann Bracket (45 Harper Circle) in opposition.
- Rose Marie Boniface (24 Harper Circle) in opposition.
- Christie Herlihy-Starr and William Starr (98 Prendiville Way) in favor.

Mr. LaVenture asked Mr. Vigeant and Mr. Parente if they have had the opportunity to review the September 13, 2021 revisions to the Subdivision Rules and Regulations and if the current plans submitted follow the new requirements.

Mr. Parente explained he believes the 342 Sudbury Street definitive subdivision was submitted under the old Subdivision Rules and Regulations.

Mr. LaVenture emphasized with several key points that the new rules and regulations were approved and adopted on September 13, 2021. At the November 8, 2021 Planning Board meeting the Board decided any definitive plan submitted since September 13, 2021 would be held under the new rules and regulations.

Mr. Vigeant asked if he could have a waiver of the arborist portion of the new rules and regulations explaining the forest is a pine forest vs a hardwood forest.

Mr. Russ addressed several concerns/questions:

- Existing conditions plan needs to show all the trees on the property.
  - O Asking, are there other trees you are planning to remove?
- Are you planning on doing any site work on lot 1?
  - o Mr. Vigeant explained lot 1 is staying the way it is.
- Are you planning on developing lot 2 yourself?
  - Mr. Vigeant explained if everything goes as planned, yes.
- Are you clearing lot 2 other than the buffer zone?
  - o Mr. Parente explained they have to.
- Providing some natural vegetation such as oak trees and maple trees to the property line area for the abutters
   Mooers and Feddersohn.
- Does the Planning board allow the 18-foot-wide roadway with the berms or go to the proposed 20-foot?
  - o Mr. DiPersio explain the 18-foot width is adequate and coincides with keeping it minimal.
- The cultec system proximity to the 200-foot river front buffer.
  - o Mr. Parente explained he can move it closer to the cul-de-sac radius moving it further away from the river front.
- Existing conditions plan doesn't show the retaining wall on the right-of-way.

On a motion by Mr. Elder, second by Mr. LaVenture the Board voted to refer the 342 Sudbury Street definitive subdivision to legal for written guidance on which version of the rules and regulations the board can use. Yea: Elder, Fowler, LaVenture, Russ, and Fenby. Nay: 0. Motion carried.

The Board had a discussion and requested Mr. Vigeant provide a by-right plan for the next meeting.

Mr. DiPersio explained he has reviewed the flooding information that was provided and is in the process of reviewing the original subdivision plans for the Carisbrooke homes.

Rose Marie Boniface (24 Harper Circle, Marlborough, MA 01752) and Gregory Garson (36 harper Circle, Marlborough, MA 01752) addressed concerns on the flooding issues.

Mr. DiPersio explained he doesn't think the 342 Sudbury Street development would make the flooding issue worse. The infiltration systems they have for the new pavement will not change anything regarding the runoff. The storm water system will catch the water and the soil will be able to infiltrate it. He explained it is Mr. Parente's design challenge to show that the development on the lot won't make the runoff more in volume or velocity, which the Engineering Division will review.

Mr. DiPersio addressed holding the 342 Sudbury Street subdivision to the new rules and regulations and requested the Board members to determine which aspects of the changes were most important for this subdivision.

Mr. Vigeant and the Board members had a discussion regarding a site visit.

On a motion by Mr. Elder, seconded by Mr. LaVenture, the board voted to accept and file all correspondence. Yea: Elder, Fowler, LaVenture, Russ, and Fenby. Nay: 0. Motion carried.

- 8. Signs (None)
- 9. Correspondence (None)
- 10. Unfinished Business (None)
- 11. Calendar Updates (None)
- 12. Public Notices of other Cities & Towns (None)

On a motion by Mr. Fowler, seconded by Mr. Elder, the Board voted to adjourn the meeting. Yea: Elder, Fowler, LaVenture, Russ, and Fenby. Nay: 0. Motion carried.

Respectfully submitted,

George LaVenture/Clerk
