Reports of Committees:

Councilor Doucette reported the following out of the Urban Affairs Committee:

**City Council Urban Affairs Committee
June 8, 2022
Minutes and Report**

This meeting convened at 6:30 PM and was held in the City Council Chamber and open to the public. The meeting was televised on WMCT-TV (Comcast Channel 8 or Verizon/Fios Channel 34) and was available for viewing using the link under the Meeting Videos tab on the city's website, home page (www.marlborough-ma.gov).

Urban Affairs & Housing Committee voting members present were Chairman Katie Robey, Councilor Doucette, Councilor Landers, Councilor Navin, and Councilor Wagner.

Other Councilors present were Brown, Irish, Oram and Ossing.

Present for the applicant were Jim Lambert, Managing Director Wood Partners; Mike Binette, architect from The Architectural team, Inc.; Phil Cordeiro, Allen & Major Associates, Inc.; and Attorney Brian Falk

Order No. 22-1008572 Application for Special Permit from Attorney Brian Falk, on behalf of Alta Marlborough, LLC (Wood Partners) to build a mixed-use project in the neighborhood business district consisting of 10,074 square feet of ground floor retail and commercial space, 276 dwelling units in addition to an on-site parking garage with 448 spaces to be located at the corner of Lincoln and Mechanic Streets.

The chair called the meeting to order. Attorney Falk gave an update since the close of the Public Hearing on May 9th including the approvals for zoning map and zoning amendments which puts the site entirely within the Neighborhood Business District and offers the council ability to modify aspects of project through the special permit process and a review of the balloon test on May 18. He briefly discussed specific information in the draft Special Permit that was provided to council. This project was given preliminary review by the Site Plan Review Committee (SPRC) on April 26th and if the special Permit is approved, will go back to SPRC for final review, add their conditions and sign off on project.

Details of the \$1M given by city to Marlborough Economic Development Corporation (MEDC) to purchase property vs the land swap detailed in the Special Permit were discussed. Other issues from councilors included request to have applicant pay for a peer review of the Traffic Impact Assessment; use of natural gas for heating and preference for an all-electric building; use of geothermal and solar panels; preference for 15% of affordable units even though this is mixed-use, not multi-family and affordable housing requirements do not apply; request for copy of the land swap agreement with MEDC; and peer review of the fiscal analysis.

The chair went through the comments received from both Conservation Officer Priscilla Ryder and City Engineer Tom DiPersio and then completed its review of petitioner's proposed draft decision for the Grant of a Special Permit.

The applicant will be on the agenda for the SPRC meeting of June 14th and the Urban Affairs will continue this discussion at a meeting on June 15, 2022.

Councilor Doucette moved to adjourn; it was seconded and carried 5-0. The meeting adjourned at 7:58 PM.

Reports of Committee Continued:

City Council Urban Affairs Committee
June 15, 2022
Minutes and Report

This meeting convened at 7:00 PM and was held in the City Council Chamber and open to the public. The meeting was televised on WMCT-TV (Comcast Channel 8 or Verizon/Fios Channel 34) and was available for viewing using the link under the Meeting Videos tab on the city's website, home page (www.marlborough-ma.gov).

Urban Affairs & Housing Committee voting members present were Chairman Katie Robey, Councilor Doucette, Councilor Landers, Councilor Navin, and Councilor Wagner.

Other Councilors present were Brown, Irish, Perlman, and Ossing.

Present for the applicant were Jim Lambert, Managing Director Wood Partners; Mike Binette, architect from The Architectural team, Inc.; Phil Cordeiro, Allen & Major Associates, Inc.; and Attorney Brian Falk.

Continued review of Order No. 22-1008572-Application for Special Permit from Attorney Brian Falk, on behalf of Alta Marlborough, LLC (Wood Partners) to build a mixed-use project in the neighborhood business district consisting of 10,074 square feet of ground floor retail and commercial space, 276 dwelling units in addition to an on-site parking garage with 448 spaces to be located at the corner of Lincoln and Mechanic Streets.

Councilors received comments from Priscilla Ryder from the SPRC June 14 meeting as well as observations and comments on the Fiscal Analysis from John Valade, Principal Assessor. Attorney Falk provided an updated red-line Grant of Special Permit draft decision based on comments from SPRC. The chair read through the changes to conditions which included:

#4 Modification of Plans-SPRC may approve minor amendments that wouldn't increase the total number of bedrooms above 440; #7 Rail Trail Lot-adding Public Amenity/Restroom building" and adding language clarifying when this parcel would be conveyed to city and that SPRC would determine the final design of the Public Amenity/Restroom building and where it would be located;

#10 Neighboring Properties at 91, 103 and 103A Mechanic St. adding in language for SPRC to engage an outside transportation engineer to provide a peer review of applicant's Transportation Impact Assessment with any additional safety improvements reviewed as part of SPRC and added to its conditions; adding in 2 new conditions, one regarding landscaping and one specifying the site will provide all-electric utilities and have a green roof.

Additional amendments agreed to were adding Public Amenity/Restroom to #7 and adding a new #17-regarding compliance with the Land Swap Agreement with Marlborough Economic Development Corporation.

Councilor Doucette moved to approve the Grant of Special Permit as amended by the applicant and further amended at the June 15, 2022, Urban Affairs and Housing meeting; motion was seconded and carried 5-0. This will be reported out at the June 27, 2022, City Council meeting with request to Suspend to refer this to Solicitor to be placed on the July 25, 2022, agenda in proper form.

Councilor Doucette moved to adjourn; it was seconded, and vote carried 5-0. Meeting adjourned at 7:56 pm.

Suspension of the Rules requested – granted.

Re: Order No.22-1008596: Petition of Mass Electric to replace 3 sections of direct buried cable and replace with new primary cable in conduit on Stone Hill Road

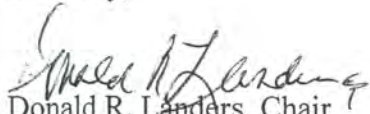

President and Members:

I have attached an order pending in the Public Services Committee, together with comments from the City Engineer. Due to the summer schedule, I respectfully request that we remove this petition from committee to vote for the petition this evening.

By way of information, there was no input from abutters or other residents submitted at the public hearing held on May 23, 2022. In addition, the City Engineer has commented, per the attached email, that he is without objection and has suggested conditions for the City Council's review to be attached to the approval of the petition.

If the item is not approved this evening, I will schedule a meeting of the committee within the next couple of weeks and will ask that the rules be suspended to approve the petition at our August 22 meeting. It would be preferable to approve this evening so the work can commence forthwith.

Sincerely,

Donald R. Landers, Chair

To the City Council:

Regarding the Petition of Massachusetts Electric, to replace three sections of direct buried cable and replace with new primary cable in conduit on Stone Hill Road (Order No. 1008596), I offer the following for your consideration:

- The plans included in the petition show work locations on Turner Ridge Road as well as Stone Hill Road.
- The next phase of the City's sewer and water project will include these roadways, so we are in favor of this project being completed soon.
- The Engineering Division will issue a road opening permit for this work, which will include review and approval of exact conduit locations, pavement repair requirements, etc.

Please contact me with any questions.

RE: Update on Summer Public Service Internship Program & Youthworks

Honorable President Ossing and Councilors,

I'd like to update you on our two summer youth employment programs.

This year we were able to hire 14 college students for the Summer Public Service Internship Program in various departments within the City. Due to today's job market, we had over a half dozen students who dropped out for better paying positions. We will look at the salary rate for next year's program. We have been fortunate with the quality of students and in turn, have been able to give these students greater responsibilities which will reflect well on their resumes.

I'd like to take the opportunity to thank MassHire who funds the Youthworks program and coordinate with Marlborough High School placing nine high school students in Public Housing, Information Technology, Engineering, and Conservation.

In addition, six other MHS students have been working at Doble Engineering, RE/MAX, WMCT-TV, Patriot Ambulance and SMOC Headstart (also funded through the Youthworks program).

Exposing students to public service sectors will give them greater opportunities and potentially allow the City to expand on candidate pools for future openings. We appreciate the continued funding for the Summer Public Service Internship Program.

Please let me know if you have any questions.

Sincerely,

Arthur G. Vigeant

RE: Appointments for Marlborough Cable Trust Board of Directors

Honorable President Ossing and Councilors,

For informational purposes, I am pleased to share that Meredith Harris has been appointed as a trustee to the Marlborough Cable Trust Board of Directors for a three-year term to expire on July 15, 2025 replacing the late Joseph Valarioti.

In addition, Linda Ossing will be re-appointed for a term of three years to expire on January 7, 2025. On behalf of the City, we appreciate's Ms. Ossing's longstanding dedication to the Cable Trust board.

Ms. Harris and her experience will complement the Trust in its continued support of WMCT-TV's mission on providing the residents of Marlborough with a dependable television coverage of local news and events while encouraging and teaching students about television media.

Please let me know if you have any questions.

Dear Chief Giorgi:

The Commonwealth of Massachusetts, State 911 Department would like to thank you for participating in the **FY2023 State 911 Department Emergency Medical Dispatch Grant Program**.

For your files, attached please find a copy of the executed contract for your grant. Please note your contract start date is **July 1, 2022** and will run through June 30, 2023. Please keep in mind that there shall be no reimbursement for costs incurred prior to the effective date of the contract and all goods and services **MUST** be received on or before June 30, 2023.

Please note personnel costs related to EMD quality assurance for full-time employees must be for overtime hours and part-time/per-diem employees are eligible for straight time hours. Reimbursement requests for should be submitted to the Department within **thirty (30) days** of the date on which the cost is incurred. We have made the request for payment forms available on our website www.mass.gov/e911. For any questions related to this process, please contact Angela Pilling at 508-821-7305. Please note that funding of reimbursement requests received more than one (1) month after the close of the fiscal year under which costs were incurred cannot be guaranteed.

If, in the future, you would like to make any changes to the authorized signatory, the contract manager and/or the budget worksheet, please e-mail those proposed changes to 911DeptGrants@mass.gov. Grantees are strongly encouraged to submit final, year-end budget modification requests on or before March 31, 2023.

Sincerely,

RE: Grant Acceptance for FY2023 Healthy Summer Youth Jobs Program

Honorable President Ossing and Councilors:

Enclosed for your review and approval is a grant acceptance in the amount of \$2,500.00 from the Commonwealth of Massachusetts Office of the Attorney General for the Healthy Summer Youth Jobs Program.

These funds will assist the Health Department with temporary summer help and anticipated assistance during college breaks. Currently, the BOH intern is working on promoting activities that contribute to the improvement of water quality in our swimming areas while also advocating for the importance of making healthy lifestyle choices in our community. Additionally, this interning opportunity may serve to foster a future environmental advocate and/or public health leader.

I'd like to thank Attorney General Maura Healy's office for their continued support.

Please let me know if you have any questions.

Sincerely,

Arthur G. Vigeant

SCOPE OF SERVICES
BETWEEN THE MASSACHUSETTS OFFICE OF THE ATTORNEY GENERAL
AND CITY OF MARLBOROUGH

1 INTRODUCTION

This Scope of Services (SOS) is between the Massachusetts Office of the Attorney General (AGO) and City of Marlborough (Grantee) and is in regard to the **FY2023 Healthy Summer Youth Jobs Grant Program RFP (RFP)**.

The entire agreement between the parties (the "Contract") consists of the following documents in the following order of precedence:

1. The Commonwealth Standard Terms and Conditions;
2. The Commonwealth Standard Form Contract;
3. All requirements listed in the **RFP**;
4. City of Marlborough's description in its response to the **RFP** of activities to be conducted; and
5. This SOS (Attachment A).

2 OVERVIEW, EFFECTIVE DATE, AND TERM

This Contract's term (the "Term") begins on **July 5, 2022** (the "Effective Date") and shall terminate on **December 31, 2022** ("Termination Date").

3 AMOUNT OF AWARD AND CONDITIONS

The amount of this award is **\$2,500.00** which reflects the **total award amount** subject to the provisions set forth in this Contract, including but not limited to the following conditions:

- Grantee shall complete Contract materials with original signatures and submit scanned copies to the AGO at AGOGGrants@mass.gov by **July 29, 2022**. Original contract materials with wet ink signatures must be received by mail within 30 days of signature.
- Reimbursement is available only for activities that are conducted from July 5, 2022 through September 2, 2022 and that are consistent with the Grantee's response to the RFP.
- Grantee shall maintain compliance, if applicable, with the statutory requirements set forth in G.L. ch. 12, secs. 8E and 8F, and G.L. ch. 68, sec. 19, including initial registration and filing of annual financial reports with the AGO's Non-Profit Organizations/Public Charities Division. Award will not be disbursed if Grantee is not in compliance.
- This is a reimbursement grant. Funds will be reimbursed after AGO receipt and approval of a final report due on **September 30, 2022**. Failure to submit the final report may affect the AGO's decision to act favorably on future grant applications and may result in a denial of such applications.
- The AGO will monitor the Grantee to ensure that the requirements and objectives of the grant are met.
- The AGO reserves the right to revoke grant award if the Grantee fails to meet grant objectives and/or requirements.

- The AGO may request programmatic documentation or financial records related to programming funded under this Contract at any time in its sole discretion.
- Any proposed changes to program budget or activities shall be submitted in writing and approved in advance by the AGO. Grantee shall request budgetary or programmatic changes by emailing Nathan Gardner at AGOGrants@mass.gov.
- Grantee acknowledges that all documentation submitted to the AGO is subject to the Massachusetts Public Records Law, M.G.L. c. 66, § 10, and M.G.L. c. 4, § 7, cl. 26.
- Grantee attributes the AGO as a funding source or partial funding source for any materials funded by the AGO. Suggested wording for print: "Funding provided by a grant received from the Massachusetts Attorney General's Office." The seal of the Commonwealth of Massachusetts may not be used without permission of the AGO.
- The AGO requests that the Grantee keep it apprised of any upcoming events, including virtual events, that AGO staff could attend by emailing AGOGrants@mass.gov.

4 BUDGET AND USE OF AWARD

Grantee Organization	City of Marlborough
Total Award Amount	\$2,500.00
Youth Salary	\$2,250.00
10% Flexible Fund	\$250.00

The amount allocated for youth salary shall only be used to pay youth salary.

The 10% flexible fund encompasses 10% of the total funds awarded. It may be used to pay the following costs:

- Administrative fees; or
- Employer share of payroll tax (not to include employee fringe benefits or non-tax deductions); or
- Additional youth salary; or
- Adaptive COVID-19 equipment/services; or
- Any combination of administrative fees, payroll tax, additional youth salary, and adaptive COVID-19 equipment/services.

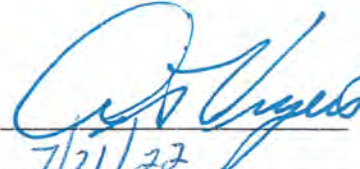

The Grantee is required to maintain records of its allocation of the 10% flexible fund and may be required to provide a breakdown of expenditures under the 10% flexible fund in its final report. Approval of expenditures under the 10% flexible fund shall be at the sole discretion of the AGO.

5 ACCEPTANCE

By signing below, the parties agree to this Scope of Services.

RE: Appointment to Disabilities Commission

Honorable President Ossing and Councilors,

I am pleased to submit for your approval the appointment of Lindsey Jaworek to the Disabilities Commission for a term of three years to expire from date of confirmation.

Ms. Jaworek is a lifelong resident of Marlborough and has expressed an interest in advocating and assisting the disabled in our community. She has been an asset to the Marlborough Economic Development Corp. where she has been currently employed for 16 months handling outreach to the hospitality industry. She also volunteers regularly with numerous non-profits in the City and will add a fresh perspective to our Disabilities Commission.

I've attached Ms. Jaworek's resume for your review.

We anticipate sending another volunteer to the Commission in the coming weeks to fulfill the membership.

Please let me know if you have any questions.

Sincerely,

Arthur G. Vigeant
Mayor

Re: WP Marlborough MA Owner, LLC v. Marlborough City Council (Land Court No. 21 MISC 000451): Revised Special Permit Application on Remand Order

Dear Honorable President Ossing and Councilors:

This letter is to advise regarding next steps with respect to the above-referenced matter, following the Land Court's Order on Joint Motion for Remand ("Remand Order"). The Remand Order returns the matter to the City Council for review of a revised special permit application consistent with the settlement agreement dated May 17, 2022 ("Settlement Agreement").

On July 1, 2022, WP Marlborough MA Owner, LLC submitted to the City Council a request to grant a revised special permit ("Revised Application") and a copy of the Remand Order. In my opinion, the Revised Application is consistent with the terms of the Settlement Agreement, and is ready for City Council consideration.

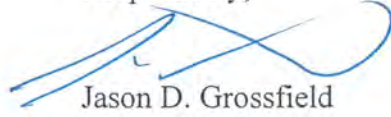

Recommended Next Action: At this time, the City Council may vote to set the public hearing date on the Revised Application and to advertise, in accordance with MGL c. 40A and the Remand Order. Consistent with the Remand Order, the City Council should open the hearing by August 30, 2022.

The Remand Order states the "public hearing shall be for the limited purpose of considering the changes to the previously contemplated draft decision to grant a special permit for the Project" and will incorporate by reference all prior submitted materials and testimony on the special permit application. Enclosed is a table listing those changes and where they appear in the proposed special permit decision in the Revised Application.

Following completion of the public hearing, within twenty-five (25) days of the close of the remand public hearing, the City Council shall file a written decision on remand with the Marlborough City Clerk's office. (i.e. If the public hearing is closed on Aug. 22, 2022, decision shall be filed by: Sept. 16, 2022. If the public hearing is closed on Sept. 12, 2022, decision shall be filed by: Oct. 7, 2022.)

Please contact me if you have any questions or concerns.

Respectfully,

Jason D. Grossfield
City Solicitor

Special Permit Decision, Lincoln & Mechanic Streets, Marlborough

Dear Honorable President Ossing and Councilors:

In accordance with Chapter 650-59(C)(13) of the Marlborough Zoning Ordinance, I provide this letter as to the legal form of the City Council's proposed findings on the above-referenced special permit application as referred to this office. Enclosed is a copy of the proposed decision. I certify that it is in proper legal form.

As discussed by the Urban Affairs Committee, I reviewed the decision for consistency with the Land Swap Agreement referenced in Condition #17, and incorporated revisions to Conditions #7 and #9. The applicant is agreeable to these revisions.

The applicant has proposed an amendment to Condition #15 by letter to the City Council dated July 18, 2022. Should the City Council wish to incorporate the requested change, I have prepared the following motion which is in proper legal form:

Recommended Motion: Move to amend Condition #15 (Green Design) so that it reads as follows: The residential units shall have all-electric utilities, including heat, air conditioning, and hot water, and the Applicant shall use best efforts to provide all-electric utilities in the retail, commercial, and amenity portions of the Use. The Use shall have a green roof, substantially as shown on the Plans.

Lastly, I have reviewed the quantum of vote necessary for the grant of this special permit under the recent amendments to MGL c. 40A, and in my opinion, the vote required is a simple majority. MGL c. 40A, s. 9 was amended to reduce the required vote to a simple majority for certain special permits, including "mixed-use development in centers of commercial activity within a municipality, including ... city centers, other commercial districts in cities..." meeting certain housing affordability requirements. In my opinion, the subject land area is within a commercial district, and Condition #6 (Affordable Units) of the special permit satisfies the requisite affordable housing in order to grant this special permit by only a simple majority vote.

Please contact me if you have any questions or concerns.

Respectfully,

DECISION ON A SPECIAL PERMIT
ORDER NO. 22-1008572

The City Council of the City of Marlborough hereby GRANTS the Application for a Special Permit to Alta Marlborough, LLC (the “Applicant”) for a mixed-use development on various parcels at Lincoln Street and Mechanic Street in the Neighborhood Business Zoning District, as provided in this Decision and subject to the following Findings of Fact and Conditions.

FINDINGS OF FACT

1. The Applicant, Alta Marlborough, LLC, is a Delaware limited liability company with an address of 91 Hartwell Avenue, Lexington, MA 02421.
2. The Applicant is the prospective owner of the property located on or about Lincoln Street and Mechanic Street in Marlborough, MA, being shown on Assessors Map 56 as Parcel 85, and on Assessors Map 69 as Parcels 337, 338, 338A, 339, 339A, 340, 341, 342, 343, 345, and including a portion of the rail spur land shown as “Parcel A – N/F City of Marlborough” on the Plans referenced in paragraph 5 below (the “Site”).
3. In accordance with Section 650-17, Section 650-18(A)(42), and Section 650-39 of the Zoning Ordinance of the City of Marlborough (the “Zoning Ordinance”), the Applicant proposes a mixed-use development at the Site (the “Use”). As shown on the Plans referenced in paragraph 5 below, the Use consists of 276 residential units – 10% of which shall be restricted as affordable – in two attached buildings, 10,074 square feet of ground level retail and commercial space, a parking garage with 448 spaces, an open-air parking lot with 8 spaces, 25 parking spaces parallel to Lincoln Street and Mechanic Street located partially on the Site and partially within the City right of way, landscaped areas, and amenity areas. As shown on the Plans referenced in paragraph 5 below, the Applicant also proposes a parking lot with 22 spaces and a public

amenity / restroom building on a parcel to be conveyed in accordance with the Land Swap Agreement referenced in condition #17 below.

4. The Applicant, by and through its counsel, filed with the City Clerk of the City of Marlborough an Application for a Special Permit (“Application”) for the Use.

5. In connection with the Application, the Applicant submitted a certified list of abutters, filing fees, and a site plan entitled “Alta Marlborough, 283-325 Lincoln Street, Marlborough, MA” by Allen & Major Associates, Inc., with the last revision date of April 1, 2022 (the “Plans”) attached hereto as **“Attachment A.”**

6. In connection with the Application, the Applicant also submitted a Fiscal Impact Analysis dated May 5, 2022 by Fougere Planning & Development, Inc., and a Transportation Impact Assessment dated May 2022 by Vanasse & Associates, Inc.

7. The Application was certified as complete by the Building Commissioner of the City of Marlborough, acting on behalf of the City Planner for the City of Marlborough, in accordance with the Rules and Regulations promulgated by the City Council for the issuance of a Special Permit.

8. The Site is located in the Neighborhood Business Zoning District.

9. The Site has an area of 211,972 square feet +/- (4.87 acres) as shown on the Plans.

10. Pursuant to the Rules and Regulations of the City Council for the City of Marlborough and applicable statutes of the Commonwealth of Massachusetts, the City Council established a date for a public hearing on the Application and the City Clerk for the City of Marlborough caused notice of the same to be advertised and determined that notice of the same was provided to abutters entitled thereto in accordance with applicable regulations and law.

11. The Marlborough City Council, pursuant to Massachusetts General Laws Chapter 40A, opened a public hearing on the Application on Monday, May 9, 2022. The public hearing was held at the Marlborough City Hall, 140 Main Street. The hearing was closed on May 9, 2022.

12. The Applicant, through its representatives, presented testimony at the public hearing detailing the Use, describing its impact upon municipal services, the neighborhood, and traffic.

13. At the public hearing, three members of the public spoke in favor of the Use and one member of the public spoke in opposition to the Use.

14. The Applicant, through its representatives, conducted a balloon test on May 18, 2022, to demonstrate the height of the proposed buildings, with notices of the balloon tests being mailed to property owners listed on the certified list of abutters and being posted on the City website.

15. Pursuant to Massachusetts General Laws Chapter 40A, Section 9, a special permit for the Use requires a simple majority vote because the Applicant proposes a mixed-use development in a center of commercial activity in Marlborough that will restrict 10% of its residential units as affordable.

16. Councilor Donald Landers was absent from the single session of the public hearing on the Application. Prior to the vote on this decision, Councilor Landers filed a written certification as to examination of all the evidence and testimony received at the hearing session as set forth in "**Attachment B**" hereto, made as part of the record of the hearing, in accordance with Massachusetts General Laws Chapter 39, Section 23D.

**BASED ON THE ABOVE, THE CITY COUNCIL MAKES THE FOLLOWING
FINDINGS AND TAKES THE FOLLOWING ACTIONS**

A. The Applicant has complied with all Rules and Regulations promulgated by the Marlborough City Council as they pertain to special permit applications.

B. The City Council finds that the proposed Use of the Site is an appropriate use and in harmony with the general purpose and intent of the Zoning Ordinance of the City of Marlborough when subject to the appropriate terms and conditions as provided herein. The City Council makes these findings subject to the completion and adherence by the Applicant, its successors and/or assigns to the conditions more fully set forth herein.

C. In accordance with Section 650-39.F, the City Council finds that modifications to the dimensional, parking, design, and landscaping requirements applicable to the Use, as shown on the Plans, shall result in an improved design and will not nullify or substantially derogate from the intent or purpose of Section 650-39 of the Zoning Ordinance, because the design integrates the buildings with the existing neighborhood and nearby rail trail, and accommodates convenient parking for members of the public using the Site's retail and commercial spaces.

D. The City Council, pursuant to its authority under Massachusetts General Laws Chapter 40A and the Zoning Ordinance of the City of Marlborough hereby GRANTS the Applicant a Special Permit for a mixed-use development at the Site as shown on the Plans filed, SUBJECT TO THE FOLLOWING CONDITIONS, which conditions shall be binding on the Applicant, its successors and/or assigns:

1. Construction in Accordance with Applicable Laws. Construction of all structures on the Site is to be in accordance with all applicable Building Codes and Zoning Regulations in effect in the City of Marlborough and the Commonwealth of Massachusetts and shall be built according to the Plans as may be amended during Site Plan Review.

2. Site Plan Review. The issuance of the Special Permit is further subject to detailed Site Plan Review by the Site Plan Review Committee, in accordance with the City of Marlborough Site Plan Review Ordinance prior to the issuance of the building permit. Any additional changes, alterations, modifications or amendments, as required during the process of

Site Plan Review, shall be further conditions attached to the building permit, and a final certificate of occupancy shall not be issued until the Applicant has complied with all conditions, provided that the Site Plan Review Committee may authorize the phasing of site work depending upon weather conditions and other factors. Subsequent Site Plan Review shall be consistent with the conditions of this Special Permit and the Plans submitted, reviewed and approved by the City Council as the Special Permit Granting Authority.

3. Modification of Plans. Notwithstanding conditions #1 and #2 above, the Site Plan Review Committee may approve minor amendments to the Plans, so long as said changes do not materially increase the impervious area of the Use, alter traffic flow, increase the size of the buildings, increase the number of residential units, or increase the total number of bedrooms above 440, all as shown on the Plans.

4. Incorporation of Submissions. All plans, photo renderings, site evaluations, briefs and other documentation provided by the Applicant as part of the Application, and as amended or revised during the application/hearing process before the City Council and/or the City Council's Urban Affairs Committee, are herein incorporated into and become a part of this Special Permit and become conditions and requirements of the same, unless otherwise altered by the City Council.

5. Storm Water and Erosion Control Management. The Applicant shall ensure that its site superintendent during construction of the project is competent in stormwater and erosion control management. This individual(s)' credentials shall be acceptable to the Engineering Division of the City's Department of Public Works and the City's Conservation Commission. This individual(s) shall be responsible for checking the Site before, during, and after storm events including weekends and evenings when storms are predicted. This individual(s) shall ensure that no untreated stormwater leaves the Site consistent with the State's and the City's stormwater regulations. This individual(s) shall ensure compliance with the approved sequence of construction plan and the approved erosion control plan. The Applicant shall grant this individual(s) complete authority of the Site as it relates to stormwater and erosion controls.

6. Affordable Units. Ten percent (10%) of the residential dwelling units at the Site shall be made available as rental units at affordable prices to renters (whose annual income does not exceed eighty percent (80%) of the Area median income adjusted for family size as determined by the U.S. Department of Housing and Urban Development) in perpetuity or the longest period allowed by law (the "Affordable Housing Units"). The Affordable Housing Units shall comply with all requirements for inclusion in the Subsidized Housing Inventory ("SHI") of the Commonwealth of Mass. Department of Housing and Community Development ("DHCD"). Prior to obtaining a final certificate of occupancy for any unit within the Use, the Applicant, in coordination with the City and its Community Development Authority, shall file all required submissions to DHCD for inclusion of the Affordable Housing Units on the SHI and shall diligently take all actions necessary to include the Affordable Housing Units on the SHI, including without limitation, preparing and executing a regulatory agreement and declaration of restrictive covenants and/or any other restrictive instrument necessary to ensure compliance with this condition, a marketing plan, and all other required documentation. All costs associated with complying with this condition, including but not limited to, the DHCD process, recording of all

documents with the registry of deeds, and the marketing plan for the Affordable Units shall be borne by the Applicant.

7. Rail Trail Lot and Public Amenity / Restroom Building. Not later than the issuance of a final certificate of occupancy for the Use or 26 months following the issuance of a building permit for the buildings associated with the Use, whichever is sooner, and in accordance with the Land Swap Agreement referenced in condition #17 below, the Applicant shall have both caused the conveyance to the Marlborough Economic Development Corporation of the land shown on the Plans as "Lot 2" and completed the parking lot and public amenity / restroom building as shown on the Plans, retaining an access easement over Lot 2 for the benefit of the Use to be further defined through the Site Plan Review process; provided, however, that the Site Plan Review Committee through the Site Plan Review process may authorize the construction of the public amenity / restroom building at another site in the City, or payment to the City in lieu of such construction. The final design of the public amenity / restroom building shall be determined by the Site Plan Review Committee through the Site Plan Review process, and shall be architecturally interesting and have railroad-related design elements.

8. Parallel Parking Spaces and Sidewalks. Prior to the issuance of a final certificate of occupancy for the Use, the Applicant (at no cost to the City) shall grant to the City and record any easements deemed necessary by the City Engineer in a form acceptable to the City, for the parallel parking spaces and sidewalks along Lincoln Street and Mechanic Street, as shown on the Plans. If the City accepts as public ways any portions of the parallel parking spaces and sidewalks along Lincoln Street and Mechanic Street, the City Council hereby finds that any resulting change in the Site's boundaries and setbacks meet the provisions of Section 650-39.F of the Zoning Ordinance for modified dimensional, parking, design, and landscaping requirements for the reasons set forth in Finding C of this Decision.

9. Jefferson Street Parking Lot. Prior to the issuance of a final certificate of occupancy for the Use or by the date set forth in the Land Swap Agreement referenced in condition #17 below (whichever is sooner), the Applicant shall complete improvements to the City-owned parking lot located at 56 Jefferson Street, which serves the Assabet River Rail Trail, in accordance with said Land Swap Agreement.

10. Neighboring Properties at 91, 103, and 103A Mechanic Street. The Applicant shall install and maintain along the boundary line of the Site adjacent to 91 Mechanic Street a privacy fence with a height of six feet, where permissible under the City Code, and vegetated screening to help minimize the view of the Site from 91 Mechanic Street. The Applicant shall install and maintain along the boundary line of the Site adjacent to 103 and 103A Mechanic Street fencing and vegetated screening to help minimize the view of the Site from 103 and 103A Mechanic Street. Wherever possible, the Applicant shall preserve and maintain existing trees to screen the Site from neighboring properties.

11. Site Access and Safety.

- a. The Site driveway, access easement across the rail trail parking lot, and the vehicle turnaround driveway shall be a minimum of 24 feet in width and designed

to accommodate the turning and maneuvering requirements of emergency vehicles.

- b. For all perpendicular parking spaces, the drive aisle behind the parking should be a minimum of 23 feet in order to facilitate parking maneuvers.
 - c. Vehicles exiting the Site should be placed under stop sign control with a marked stop line.
 - d. All signs and pavement markings to be installed within the Site shall conform to the applicable standards of the Manual on Uniform Traffic Control Devices.
 - e. Sidewalks shall be provided to link the building entrances to the sidewalks along Lincoln Street and Mechanic Street, as shown on the Plans.
 - f. Americans with Disabilities Act (ADA) compliant wheelchair ramps shall be provided for crossing the Site driveway and rail trail parking lot entrance, or the driveway and entrance shall be designed such that the sidewalks along Lincoln Street and Mechanic Street are flush with the driveway and entrance.
 - g. Signs and landscaping installed in the vicinity of the Site driveway and rail trail parking lot entrance shall be designed and maintained so as not to restrict lines of sight.
 - h. Snow accumulations in the vicinity of the Site driveway and rail trail parking lot entrance shall be promptly removed where such accumulations would impede sight lines.
 - i. Accommodations for future Electronic vehicle (EV) charging stations shall be installed in at least 10% of the parking spaces in the parking garage with at least 20 parking spaces having EV charging stations installed upon occupancy of the parking garage.
 - j. At the Applicant's expense, the Site Plan Review Committee may engage the services of an outside transportation engineer to provide a peer review of the Applicant's Transportation Impact Assessment dated May 2022 by Vanasse & Associates, Inc., and shall implement the recommendations of such engineer through the Site Plan Review process. The need for additional safety improvements at the Site's driveways or nearby intersections, such as additional signage, crosswalk markings, traffic calming devices, etc., shall be reviewed as part of the Site Plan Review process.
12. Transportation Alternatives.
- a. The Applicant shall assign a transportation coordinator to coordinate a Transportation Demand Management (TDM) program for the Site.

- b. Information regarding public transportation services, maps, schedules, and fare information shall be posted in a central location and/or otherwise made available to residents and employees at the Site.
- c. A welcome packet shall be provided to residents and employees detailing available public transportation services, bicycle and walking alternatives, and commuter options available.
- d. Commercial tenants shall be encouraged to offer specific amenities to discourage off-site trips, including providing a breakroom equipped with a microwave and refrigerator, offering direct deposit of paychecks, and similar measures to reduce overall traffic volumes and travel during peak-traffic-volume periods.
- e. Work-at-home workspaces shall be provided to support telecommuting by residents of the Site.
- f. Pedestrian accommodations shall be incorporated within the Site and consist of walkways that connect to the existing sidewalks along Lincoln Street and Mechanic Street.
- g. A central maildrop shall be provided within the building for residents.
- h. Secure bicycle parking shall be provided for residents, visitors/patrons and commercial tenants, including weather protected bicycle parking in a bike room located within the garage.

13. Lighting. Exterior lighting at the Site shall be downward facing and shielded to minimize impacts on neighboring properties, with a lighting plan for the Site to be reviewed and further conditioned during the Site Plan Review process. Exterior lighting associated with the retail and commercial spaces at the Site shall be shut off outside of operating hours, except for lighting necessary for security and emergency access.

14. Landscaping. A detailed landscaping plan for the Site shall be reviewed and further conditioned during the Site Plan Review process, and may contain more extensive screening of the Site than is required by the Zoning Ordinance.

15. Green Design. The Use shall provide all-electric utilities, including heat, air conditioning, and hot water. The Use shall have a green roof, substantially as shown on the Plans.

16. Compliance with Applicable Laws. The Applicant shall comply with all municipal, state, and federal rules, regulations, and ordinances as they may apply to the construction, maintenance, and operation of the Use.

17. Land Swap Agreement. The Applicant shall exercise all rights authorized (subject to all conditions herein) by this special permit in a manner that is consistent with that certain Land Swap Agreement dated March 2, 2022 by and between WP East Acquisitions, L.L.C. and

the Marlborough Economic Development Corporation, as may be amended by the parties to said agreement (“Land Swap Agreement”).

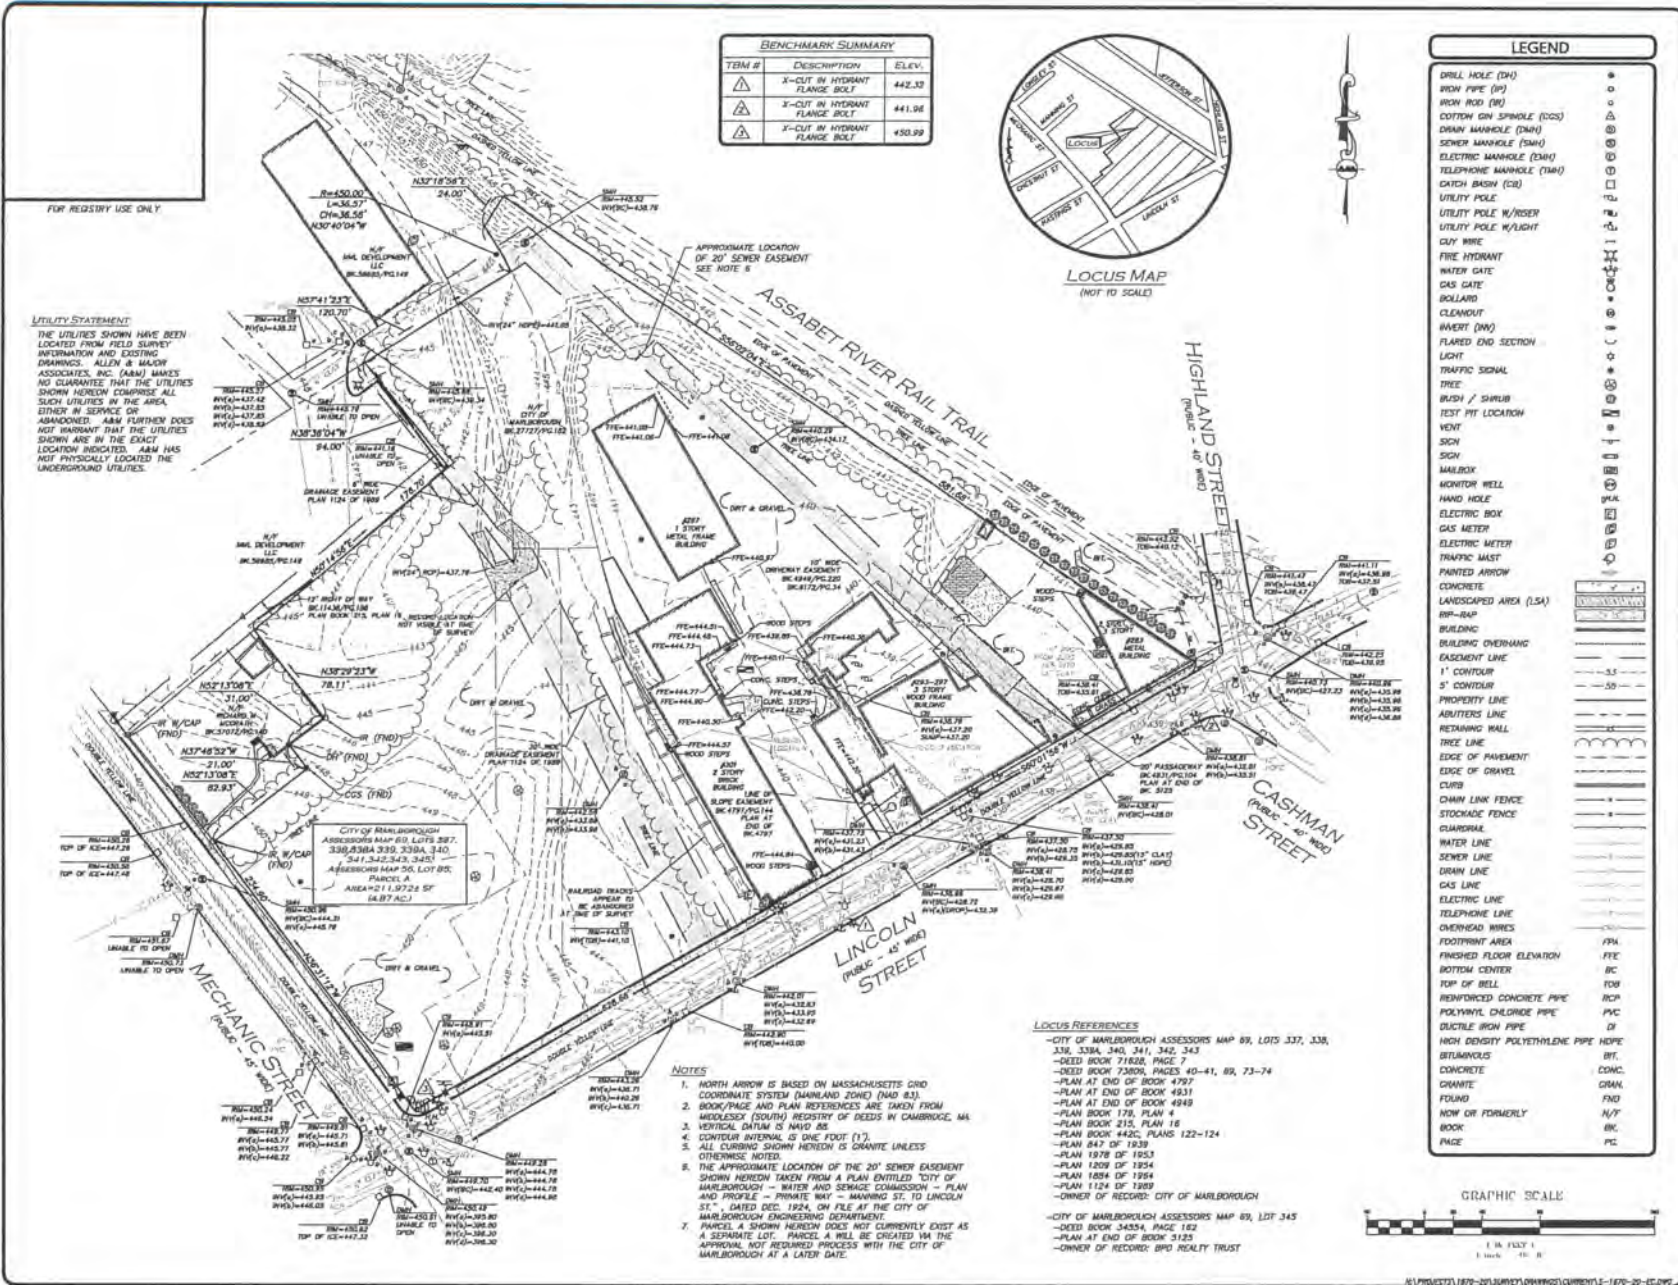

18. Recording of Decision. In accordance with the provisions of Massachusetts General Laws, Chapter 40A, Section 11, the Applicant, at its expense shall record this Special Permit in the Middlesex South Registry of Deeds after the City Clerk has certified that the twenty-day period for appealing this Special Permit has elapsed with no appeal having been filed, and before the Applicant has applied to the Building Commissioner for a building permit. Upon recording, the Applicant shall forthwith provide a copy of the recorded Special Permit to the City Council’s office, the Building Department, and the City Solicitor’s office.

Re: Update on Votes Act

Honorable President Ossing and Councilors:

As you are all aware the Votes Act ([Chapter 92 of the Acts of 2022](#)) was recently passed which made most of the changes to Election Laws during the pandemic permanent. The following is a summary of the changes:

VOTER REGISTRATION DEADLINE

- ✓ The deadline to register to vote for ANY election has been changed from 20-days prior to the election to 10-days. This will mean that for a Tuesday Election the last day to register to vote will fall on a Saturday. This will impact all state and local elections. The City Clerk's Office will be required to be open from 9:00 AM to 5:00 PM on the last day to register to vote.
- ✓ The Last Day to Register for the State Primary (09/06/2022) will be Saturday, August 27, 2022.
- ✓ The Last Day to Register for the State Election (11/08/2022) will be Saturday, October 29, 2022.

VOTE BY MAIL

- ✓ Vote by mail MUST be available for all State Primaries, State Elections and Presidential Primaries.
- ✓ Vote by Mail is also REQUIRED for all Local Preliminaries/Primaries and Elections unless the City Council opts out. In order to opt out, the Council must hold a Public Hearing and then take a public roll call vote to opt out.
- ✓ Applications for State Primaries and State Elections will be mailed to all registered voters by the Secretary of State's Office prior to each Election.
- ✓ Family members are now allowed to file a Vote by Mail application on a voter's behalf.
- ✓ Any form of written communication requesting a ballot is sufficient.
- ✓ The Secretary of State's Office is required to set up an online portal for voters to apply online.
- ✓ The deadline to apply for either an Absentee or Vote by Mail ballot is now 5 business days prior to the Election.

BALLOT RETURN/PROCESSING

- ✓ For State Primaries ALL ballots MUST be returned to the City Clerk's Office prior to the close of the polls (8:00 PM).
- ✓ For State Elections ballots may be received up to 3-days AFTER the election as long as they are post-marked by Election Day.
- ✓ Advanced removal and processing of ballots will be allowed ahead of Election Day. As in 2020 all advanced removal or processing of ballots must be done in public sessions, and the Elections Division of the Secretary of State's Office will be issuing regulation.
- ✓ Ballots of voters who have died prior to Election Day may still be counted if they are received by the Clerk's Office (hand delivered, in a drop box or postmarked) prior to the voter's death.

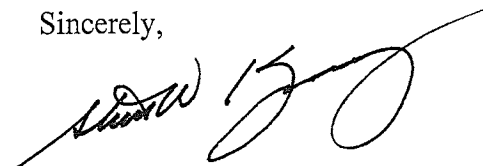

IN-PERSON EARLY VOTING

- ✓ We are REQUIRED to have In-Person Early Voting for all State Primaries, State Elections and Presidential Primaries as well as any Special Elections to fill vacancies for Congress.
- ✓ For State Primaries and Presidential Primaries, Early Voting must begin on the 10th day prior to the Primary and end on the 4th day before the Primary. Early Voting for this year's State Primary will begin on Saturday, August 27, 2022, and end on Friday, September 2, 2022.
- ✓ For State Elections, Early Voting must begin on the 17th day prior to the Election and run through the 4th day before the Election. Early Voting for this year's State Election will begin on Saturday, October 22, 2022, and end on Friday, November 4, 2022.
- ✓ The local elections office is the default site for Early Voting. Changes can be made to locations by a vote of the Board of Registrars.
- ✓ The requirement is to publish notice of locations and the schedule for Early Voting at least 5 business days prior to the start of Early Voting. Notice does not need to be in a newspaper, but must be in the Clerk's Office, any other public building we consider necessary, on the city website and on the Secretary of State's website.
- ✓ Early Voting for Local Elections is an opt-in based on the recommendation of the Board of Registrars and a vote of the City Council.

There are several other changes that will not take effect until after the November 2022, State Election. Our office will monitor these changes and keep both the Council and the residents of Marlborough informed. Again, I would like to thank the staff in the Clerk's Office, Wilson Chu and Melissa Peltier for their dedication to the work that our office does!

I encourage residents to continue to check the city website and other social media outlets for updates as we approach the State Primary and State Election. Thank you for the opportunity to update the Council, and I am available for any questions.

Sincerely,

Steven W. Kerrigan
City Clerk

June 28, 2022

Dear President and Members:

Due to the current economic climate, the Social Security Administration has provided a 5.9% Cost of Living Adjustment (COLA) to its members, without a regulated base. The retirees of the Marlborough Retirement System, at the discretion of the Board, are allotted a 3% COLA on a maximum base of \$12,000.00. The most any retiree can receive on an annual COLA is \$360.00 per year, which equates to \$30.00 per month or \$1.00 per day. It has been 24 years since Marlborough has increased the COLA base.

As a result of the recent inflation, the Marlborough Retirement Board voted to increase our (COLA) base from \$12,000 to \$15,000 in accordance with G.L. c.32, s.103(j). With your approval, this would allow for an additional \$90.00 annually, or \$7.50 monthly for our retirees. The additional cost to the annual payroll would be \$35,459.95. *(Please see attachment #2)* The Board has made substantial progress in its funding plan increasing the assets \$50,117,548.00 over the past 2 years, and we believe now is the time to give a little back to our retirees.

The System's funding ratio is 79% as of January 1, 2021. This is the percentage of assets that the System has on hand to pay for the benefits currently owed to all retirees and vested employees. Most experts view any System funded above 65-70% as being very well funded. The most recent funding schedule has Marlborough fully funded by the year 2028. *(Please see Attachment #3)* The impact to the appropriation is \$750,000.00 for the next 5 years. *(Please see Attachment #4)*

The \$12,000 COLA base was established by Chapter 17 of the Acts of 1997. In 2010, Chapter 188 of the Acts of 2010 allowed Boards, with the approval of their legislative bodies, to increase the COLA base in increments of \$1,000. A \$3,000 increase in the base provides a small increase to our retired members and places the Marlborough retirees in line with retirees throughout Massachusetts. *(Please see attachment #5)*

The Marlborough Retirement Board urges you to approve the Board's adoption of a \$15,000 COLA base. If you have questions, please do not hesitate to contact me or any one of my colleagues on the Board.

Sincerely,

Gregory P. Brewster, Chairman
Marlborough Retirement Board

COLA Base Increase Bullet Points

- The fund has returned 13.8% for the year ending 12/31/2021. Since July of 1988, the fund has returned an average of 8.1% annually. The actuarial rate of return is 7.5 %.
- The market value of the assets of the Marlborough Retirement System as of December 31, 2021 was \$237,555,143. The market value as of December 31, 2017 was \$171,854,791. The market value as of January 1, 2015 was \$144,721,255.
- As of January 1, 2021, the Marlborough Retirement System was 79% funded. Adoption of COLA base increase will not significantly change the funded ratio.
- Adoption of a \$15,000 base will increase retiree payroll by approximately \$ 2,955.00 per month or \$35,459.95 per year.
- An increase in the COLA base of \$3,000 will increase the annual appropriation by an average of \$750,000 for the next five years.
- Past COLA base increases:
 - 1997 - \$12,000
 - 1986 - \$9,000
 - 1985 - \$8,000
 - 1982 - \$7,000

2022 JUL 12 AM 8:43

To the Board of Selectmen
of the Town of Marlborough, Massachusetts

MASSACHUSETTS ELECTRIC COMPANY D/B/A NATIONAL GRID and VERIZON NEW ENGLAND, INC. request permission to locate poles, wires and fixtures, including the necessary sustaining and protecting fixtures, along and across the following public way:

Farm Rd

National Grid to install new P78 to relieve distance of new overhead lines from P75 to P79.

Wherefore they pray that after due notice and hearing as provided by law, it be granted joint or identical locations for and permission to erect and maintain poles and wires, together with such sustaining and protecting fixtures as they may find necessary, said poles to be erected substantially in accordance with the plan filed herewith marked: **MASSACHUSETTS ELECTRIC COMPANY D/B/A NATIONAL GRID and VERIZON NEW ENGLAND, INC.**

Plan No. **30528999** Dated: **5/16/2022**

Also, for permission to lay and maintain underground laterals, cables and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as each of said petitioners may desire for distributing purposes.

Your petitioners agree to reserve space for one cross arm at a suitable point on each of said poles for the fire, police, telephone and telegraph signal wires belonging to the municipality and used by it exclusively for municipal purposes.

Re: Temporary Sign for the 2022 Colonial Faire at the Wayside Inn

Dear Mr. Kerrigan,

The Sudbury Companies of Militia and Minute respectfully request permission to place a temporary sign on city property at the corner of U.S. Rt. 20 and Hagar Road at the Wayside Inn turn from Saturday, September 17, 2022, to Sunday, September 25, 2022.

The Sudbury Companies' petition for placement of the sign is to advertise and give directions to the 2022 Colonial Faire and Muster to be held on Saturday, September 24, 2022. As in years past, the sign will ease traffic flow through this area by providing directions to the event to be held at the Wayside Inn.

The Colonial Faire and Muster celebrates and honors our colonial heritage and patriotic past with several Fyfe and Drum Companies, living history demonstrators, re-enactments, children's games and crafts. The members of the Sudbury Companies, many of whom live in this area, freely give their time and treasure to keep the importance of our first struggle for liberty always before the citizenry through demonstrations, encampments and re-enactments of the events surrounding April, 1775.

Your assistance is very much appreciated. Should you have any questions, please do not hesitate to contact me by phone (925-915-9400) or email (joe.p.t@live.com).

On behalf of The Sudbury Companies of Militia and Minute, I am

Your Obedient Servant,

Central Massachusetts Mosquito Control Project personnel will be in your community to respond to residents' concerns about mosquitoes in their area on the following dates in July:

July 7, 13, 20, 27

Any of the above dates are tentative, and all dates are subject to change due to weather conditions, mosquito populations, mosquito virus activity and/or special event spraying. This program will shut down when cool night time temperatures become predominant in the area. A detailed notice about our spray schedule is posted on the CMMCP phone system after 3:30 p.m. each day, and it is also listed on our website at <http://www.cmmcp.org>, click the "2022 Spray Schedule" button on the right. Please pay attention to the week of July 4th, as this schedule has been modified to ensure all communities are scheduled for service that week due to the Monday holiday.

Requests for service may be recorded by calling the CMMCP office at (508) 393-3055 between 7:00 AM - 3:30 PM, Monday through Friday, or logging on to <http://www.cmmcp.org>. Results of these requests may initiate an application of mosquito insecticides to defined, site-specific areas of town. Such an application may be accomplished by using truck mounted equipment depending on the extent of the application.

Per 333CMR13.03(1)(a): "Wide Area Applications of pesticides and mosquito control applications of pesticides approved by the State Reclamation and Mosquito Control Board shall not be made to private property which has been designated for exclusion from such application by a person living on or legally in control of said property." For more information please check: <http://www.cmmcp.org> and click the "No Spray Info" button on the right.

Please list this information in the local newspapers and on the local cable access channels if possible. Thank you for your assistance.

Re: Alta Marlborough; Order No. 22-1008572;
Proposed Modifications to Condition #15 (Green Design)

Dear Councilor Ossing:

On behalf of my client Alta Marlborough, LLC (Wood Partners), I respectfully submit proposed modifications to Condition #15 of the draft special permit under consideration by the City Council for the Alta Marlborough mixed-use project.

Wood Partners' design team recently expressed concerns that it may not be feasible, given current technology and industry preferences, to have all-electric utilities in the non-residential areas of the project, as suggested by the original version of Condition #15. In particular, small restaurants may not be willing or able to have all-electric commercial kitchens.

We suggest a modification to Condition #15 that would require all-electric utilities in the 276 residential units (over 90% of the project), and require that Wood Partners use best efforts to provide all-electric utilities beyond the residential units, as follows:

15. Green Design. The ~~Use shall provide~~ residential units shall have all-electric utilities, including heat, air conditioning, and hot water, and the Applicant shall use best efforts to provide all-electric utilities in the retail, commercial, and amenity portions of the Use. The Use shall have a green roof, substantially as shown on the Plans.

Thank you for your time and attention to this matter.

Sincerely,

Brian R. Falk

Re: Gulbankian Mobile Home Village;
Application to Amend Special Permit

Dear Councilor Ossing:

Enclosed please find a special permit application submitted on behalf of my client Levon Gulbankian to amend the 1991 special permit for the Gulbankian Mobile Home Village to authorize a new building lot and replace one mobile home with one single family home.

If the special permit amendment is granted, Mr. Gulbankian would also need an approval not required plan endorsement from the Planning Board and common driveway approval from the Site Plan Committee.

Thank you for your time and attention to this matter.

Sincerely,

IN CITY COUNCIL

Marlborough, Mass., _____ 19

ORDERED:

A. FINDINGS OF FACT

1. The applicant has complied with the rules and regulations and the application is properly before the City Council.
2. The application has been reviewed by the Police Chief and Fire Chief and their comments have been incorporated into these findings noted below.
3. Notice of the public hearing was given in accordance the rules and all abutters were certified by the Assessor's Office and given proper notification.
4. Public hearings were held on June 26, 1989 and continued to July 10, 1989.
5. The property is identified as parcels 1 and 3A on plate 86 of the City Assessor's map. The property is located in zoning district "Rural Residential".
6. The property has been continuously used as a Mobile Home Park since 1971 when approval for such use was granted by the City Board of Health.
7. The applicant has brought this application pursuant to the demand of the City Board of Health that a Special Permit be sought for any units in the Gulbankian Mobile Home Village in excess of 150 units. Previous to the Board's decision the applicant had added 30 additional units, 29 of which are presently occupied.
8. The applicant has prepared plans in accordance with the requirements of the zoning ordinance and has submitted its request for a special permit for 68 units, designated as Phases II and III on said plans. Phase I consists of the original 150 units and is meant for informational purposes only. Phase II consists of the 30 units, 29 of which are presently occupied. Phase III consists of 38 units.

IN CITY COUNCIL

Marlborough, Mass., _____ 19

ORDERED:

B. REASONS FOR GRANTING PERMIT

1. The City of Marlborough has a need for elderly and affordable housing.
2. It will be a significant public benefit to provide housing by private construction rather than public contract.
3. The Gulbankian Trailer Park offers a good location and pleasant site for housing.
4. The public requirement for affordable housing will be reduced by the granting of the permit.
5. The granting of the permit will in no way detract from the general area nor from the intent and purpose of the zoning ordinance.
6. Applicant will provide certain concessions to the City and the Commonwealth which give greater access for the public desiring passive recreational use of adjacent Callahan State Park lands.
7. Applicant has agreed to provide occupants of his mobile park a greater period of occupancy in which to relocate should park operations terminate or be discontinued. This is a distinct benefit beyond requirements of Ch. 140 for all park residents and also ensures the City can rely upon meeting its affordable housing quota for a greater period than otherwise.

C. CONDITIONS FOR PHASE II

A special permit is hereby granted for Phase II subject to the following conditions:

1. That Phase II shall be limited to thirty (30) units as depicted on the plan entitled "Existing Condition Plan for Gulbankian Trailer Park."

IN CITY COUNCIL

Marlborough, Mass., _____ 19

ORDERED:

2. That all Mobile Homes/Trailers located in the petitioner's park be marked with a number clearly visible from the park roads. That signs shall be placed so as to give clear directions to all the numbered sections of the extended park. These requirements shall meet the specifications of the Police Chief.
3. That the Applicant shall participate and cooperate with the City of Marlborough and the Commonwealth's Department of Environmental Management (DEM) to develop a parking area and gate for Callahan State Park as follows:
 - a) The applicant shall cooperate with the City and DEM in the detailed design, and implementation of the facilities listed hereafter, for the purpose of assuring improved public access in a safe and convenient manner to Callahan State Park.
 - b) The applicant shall construct, at his expense, a gravel parking area to accommodate twenty-five (25) cars and one (1) bus, for use by patrons of Callahan State Park. The parking lot shall be built to the specifications of the City based on future discussions with DEM, and shall be located within Callahan State Park at a site to be defined by the City and DEM.
 - c) The applicant shall construct, at his expense, a gate, required by the City and State DEM, across Broadmeadow Road for the purpose of controlling access to the State Park and to the parking lot within said Park. The gate shall be installed at the beginning of the gravel section of roadway, near the street light. The gate shall be built to the specification of the City, and the City or State shall maintain said gate. The gate shall be closed and opened by the applicant or his agent, except as may otherwise be agreed by the City and DEM, as follows: to be opened at 8 a.m. and closed no later than a half hour after sunset.

IN CITY COUNCIL

Marlborough, Mass., _____ 19

ORDERED:

- d) The applicant shall regrade the gravel roadway, from the gate to the parking area, to provide a proper slope and an 18 foot width. No trees shall be removed along the roadway.
 - e) Subject to DEM timely agreement on the plan for the parking lot and gate, said gate and parking lot shall be constructed before occupancy of any more mobile home units in the Gulbankian Trailer Park, but in no case more than nine (9) months following the approval of this special permit by the City Council.
4. That a line shall be drawn East to West on the Applicant's plan entitled "Existing Condition Plan of Gulbankian Trailer Park" passing through the most southerly Mobile Home/Trailer shown on said plan. All land north of said line shown as open space shall remain open space. The Applicants Engineer shall draw said line, have it approved by the City Engineer and City Planner on behalf of the Council and file a copy in the City Assessor's Office and City Clerk's Office. The Applicant shall not construct or add any additional units above said line excepting the existing Phase I and any other units granted to the Applicant by this Special Permit.
 5. That a natural buffer of trees, plants and bushes shall be forever retained around the Applicant's Mobile Home Park.
 6. That the erosion problem at the Applicant's park, including the land abutting Valchius and Fafard, shall be corrected by the Applicant subject to approval of the City Engineer.
 7. That the Applicant shall not construct, make or permit a vehicular road or way between his property and the Valchius and Fafard land.

IN CITY COUNCIL

Marlborough, Mass., _____ 19

ORDERED:

8. That the vacant trailer located in Phase II now being used as a Model, shall be designated as an affordable unit as defined in the City of Marlborough Code, Chapter 200, Section 4, Paragraph B, and as defined by Chapter 774 and the regulations to be promulgated in the future by the Executive Office of Communities and Development. Said unit shall be designated so as to count toward the Ten percent (10%) affordable housing stock of the City of Marlborough pursuant to MGL, Chapter 40 B, Section 20.
9. That in the event the Applicant seeks to discontinue the park or to change the use thereof, he shall comply with the relevant provision of MGL, Chapter 140. Notwithstanding all elderly, handicapped, low and moderate income residents of the entire park shall have five years to relocate.
10. That the Applicant shall participate in the cost of a survey to test the pumping capability of the Broadmeadow Road sewer pumping station and shall pay its pro-rated share of all costs of improvement to said Broadmeadow Road pumping station relative to the flow from the Applicant's site along Broadmeadow Road.

D. CONDITIONS FOR PHASE III

A Special Permit is hereby granted to the Applicant for Phase II subject to the following conditions:

1. That the total number of units in Phase III shall be twenty-five (25).
2. That twenty (20) units shall be designated as affordable units as defined in the Code of the City of Marlborough, Chapter 200, Section 4, Paragraph B, and the remaining 5 units shall be for sale at market rates. The affordable units shall be placed on the perimeter of the mobile park, so as to scatter the

 - d) The applicant shall regrade the gravel roadway, from the gate to the parking area, to provide a proper slope and an 18 foot width. No trees shall be removed along the roadway.
 - e) Gate and parking area to be completed by applicant in or within four months from receipt of DEM approval of site location and plans.
4. That a line shall be drawn on the Applicant's plan entitled "Existing Condition Plan of Gulbankian Trailer Park" passing through the most southerly Mobile Home/Trailer shown on said plan. All land north of said line shown as open space shall remain open space. The Applicants Engineer shall draw said line, and file a copy in the City Assessor's Office and City Clerk's Office. The Applicant shall not construct or add any additional units above said line excepting the existing Phase I and any other units granted to the Applicant by this Special Permit unless said permit is modified.
 5. That a natural buffer of trees, plants and bushes shall be forever retained around the Applicant's Mobile Home Park.
 6. That the erosion problem at the Applicant's park, including the land abutting Valchius and Fafard, shall be corrected by the Applicant subject to approval of the City Engineer on or before September 30, 1991.
 7. That the Applicant shall not construct, make or permit a vehicular road or way between his property and the Valchius and Fafard land.
 8. That in the event the Applicant seeks to discontinue the park or to change the use thereof, he shall comply with the relevant provision of MGL, Chapter 140. Notwithstanding all elderly, handicapped, low and moderate income residents of the entire park shall have

five years to relocate.

9. That the Applicant shall pay the sum of \$25,000.00 toward the cost of a survey to test the pumping capability of the Broadmeadow Road sewer pumping station and the cost of improvement to said Broadmeadow Road pumping station. Said payment shall be made by "Gulbankian" immediately upon notification by the City Engineer that said payment is due.

D. CONDITIONS FOR PHASE III

A Special Permit is hereby granted to the Applicant for Phase III subject to the following conditions

1. That the total number of units in Phase III shall be twenty-five.
2. That six (6) units shall be designated as affordable units as defined in the Code of the City of Marlborough, Chapter 200, Section 4, Paragraph B, and the remaining nineteen (19) units shall be for sale at market rates. The affordable units shall be placed on the mobile park, so as to scatter the affordable units. The affordable units shall be of the same general exterior appearance as the other units in the park and the outside amenities provided by the park owner shall be identical to the other units developed in Phase III. A record of ownership of the affordable units shall be supplied annually to the Director of the Housing Division of the City of Marlborough Community Development Authority.
3. That a hydrant system in this area must be installed to meet the requirement of the City Engineer and Fire Chief. All smoke detectors in the trailers shall be ceiling mounts.
4. That all the remaining and relevant conditions of Phase II shall also apply to Phase III.

five years to relocate.

9. That the Applicant shall pay the sum of \$25,000.00 toward the cost of a survey to test the pumping capability of the Broadmeadow Road sewer pumping station and the cost of improvement to said Broadmeadow Road pumping station. Said payment shall be made by "Gulbankian" immediately upon notification by the City Engineer that said payment is due.

D. CONDITIONS FOR PHASE III

A Special Permit is hereby granted to the Applicant for Phase III subject to the following conditions

1. That the total number of units in Phase III shall be twenty-five.
2. That six (6) units shall be designated as affordable units as defined in the Code of the City of Marlborough, Chapter 200, Section 4, Paragraph B, and the remaining nineteen (19) units shall be for sale at market rates. ORDER ON JOINT MOTION FOR REMAND

This action is an appeal pursuant to General Laws Chapter 40A, § 17, of an August 23, 2021 decision of the City Council of the city of Marlborough, as special permit granting authority, denying the Plaintiff's application for a special permit to construct a 140-unit multi-family dwelling residential project at 339 Boston Post Road East, Marlborough, Massachusetts (the "Project"). On May 26, 2022, the parties filed a Joint Motion To Remand And To Stay Proceedings. Having considered the motion, it is hereby ORDERED as follows:

1. This matter is remanded to the city of Marlborough City Council (the "SPGA") to conduct a public hearing for the purpose of considering the Plaintiff's revised special permit

application, taking public comments on the revisions, and deliberating on Plaintiff's revised special permit application.

2. Within twenty (20) days of issuance of this order, Plaintiff shall submit to the SPGA a request to grant a proposed decision on a special permit for the Project, including the form of the proposed decision, consistent with the settlement agreement between the parties, and the SPGA as then presently constituted may consider and determine whether to grant the proposed decision.

3. Remand of this matter requires re-opening of the prior public hearing in accordance with G. L. c. 40A. The hearing shall incorporate by reference all materials and testimony previously submitted to the SPGA during the SPGA's prior public hearing relating to Plaintiff's initial special permit application for the project.

4. The SPGA shall hold the public hearing on the revised special permit application by August 30, 2022. The remand public hearing shall be for the limited purpose of considering the changes to the previously contemplated draft decision to grant a special permit for the Project. The SPGA shall first publish and post notice of, and send notice to parties in interest, all in accordance with G. L. c. 40A, § 11. Plaintiff shall not be required to submit a filing fee, but Plaintiff shall reimburse the city for the cost of publication and mailing of notice of the re-opened remand public hearing.

5. The SPGA shall complete the public hearing, and file a written decision on remand with the Marlborough City Clerk's office within twenty-five (25) days of the close of the remand public hearing.

6. This Court hereby stays this action and retains jurisdiction of this matter. Within twenty (20) days after the filing of the SPGA's new decision with the City Clerk, the parties

shall either file a stipulation of dismissal with prejudice with the Court if the revised proposed decision is granted consistent with the settlement agreement, or if said decision is not granted, seek a lift of the stay in this matter.

SO ORDERED.

**DECISION ON A SPECIAL PERMIT
ORDER NO. 20-1007995B**

The City Council of the City of Marlborough hereby GRANTS the Application for a Special Permit to WP Marlborough MA Owner, LLC (the "Applicant") to build and operate a 140-unit multifamily dwelling residential project at 339 Boston Post Road East, as provided in this Decision and subject to the following Findings of Fact and Conditions.

FINDINGS OF FACT

1. The Applicant, WP Marlborough MA Owner, LLC, is a Connecticut limited liability company with an address of 9 West Broad Street, Suite 800, Stamford, CT 06902.
2. The Applicant is the prospective owner of the property located at 339 Boston Post Road East, Marlborough, Massachusetts, being shown as Parcel 35 of Assessor Map 72, and Parcels 24, 26, 26A, and 28 on Assessors Map 73 (the "Site").
3. In accordance with Article V, Section 650-17 and Section 650-18(4), of the Zoning Ordinance of the City of Marlborough (the "Zoning Ordinance"), the Applicant proposes to build and operate a 140-unit multifamily dwelling residential project at the Site, in three buildings, with 280 on-site parking spaces, open areas, walking paths, and residential amenities (the "Use" or "Project").
4. The Site is located in the Business and Residence A-2 Zoning Districts.
5. The Site has an area of 25.7 acres +/- as shown on the Plans referenced in paragraph 7 below.

6. The Applicant, by and through its counsel, filed with City Clerk of the City of Marlborough an Application for a Special Permit (“Application”) for the Use.

7. In connection with the Application, the Applicant submitted a certified list of abutters, filing fees, a Fiscal Impact Analysis dated January 3, 2019 by Fougere Planning & Development, Inc., a Transportation Impact Assessment dated January 12, 2019 by Vanasse & Associates, Inc., and the following plans: a detailed site plan entitled “Preliminary Site Development Plans for Walcott Heritage Farms” by Allen & Major Associates, Inc., comprised of Sheets 1 through 6 with the last revision date of December 16, 2020 (the “Plans”), attached hereto as **“Attachment A.”**

8. By Notice of Decision dated August 23, 2021, and filed in the Office of the City Clerk of Marlborough on August 24, 2021, the Marlborough City Council denied the Applicant’s Application.

9. On September 10, 2021, the Applicant filed an appeal of the Decision of the Marlborough City Council denying the Application in the action entitled *WP Marlborough MA Owner, LLC v. Marlborough City Council, et al.* (Land Court No. 21 MISC 000451) (the “Appeal”). During the Appeal, a settlement was reached between the Applicant and the Marlborough City Council which agreed upon a remand for the purposes of considering the Application subject to certain changes agreed upon between the Applicant and the Marlborough City Council, and pursuant to that Settlement Agreement, the Applicant and the Marlborough City Council filed a Joint Motion to Remand in the Appeal on or about May 26, 2022.

10. In the Appeal, the Massachusetts Land Court entered a certain Order on Joint Motion for Remand dated May 31, 2022 which remanded to the Marlborough City Council the matter which ordered the Marlborough City Council to conduct a public hearing for the purpose of considering the Applicant’s revised special permit application (the “Remand Order”).

11. Pursuant to the Remand Order, the Applicant submitted to the Marlborough City Council a request on July 1, 2022 that the Marlborough City Council grant the Application, as amended, consistent with the Settlement Agreement reached between the Applicant and the Marlborough City Council (collectively, the “Revised Application”).

12. The Remand Order required the Marlborough City Council to hold the public hearing on the revised special permit application by August 30, 2022. The Remand Order required that the remanded public hearing process be for the limited purposes of considering the changes to the previously contemplated draft decision to grant a special permit for the Project.

13. During the remanded public hearing process, the Appeal has been stayed by the Remand Order.

14. The Application was certified by the Building Commissioner of the City of Marlborough, acting on behalf of the City Planner for the City of Marlborough, as having complied with Rule 7 of the Rules and Regulations promulgated by the City Council for the issuance of a Special Permit.

15. Pursuant to the Rules and Regulations of the City Council for the City of Marlborough and applicable statutes of the Commonwealth of Massachusetts, and pursuant to the Remand Order, the City Council established a date for a public hearing on the Revised Application and the City Clerk for the City of Marlborough caused notice of the same to be advertised and determined that notice of the same was provided to abutters entitled thereto in accordance with applicable regulations and law.

16. The Marlborough City Council, pursuant to Massachusetts General Laws Chapter 40A, opened a public hearing on the Revised Application on August 22, 2022. The public hearing was held at the Marlborough City Hall, 140 Main Street. In accordance with the Remand Order, the public hearing incorporated by reference all materials and testimony previously submitted to the Marlborough City Council during the prior July 20, 2020 public hearing relating to the Application. The hearing was closed on August 22, 2022.

17. The Applicant, through its representatives, presented testimony at the public hearing detailing the Use, describing its impact upon municipal services, the neighborhood, and traffic, pursuant to the Remand Order.

**BASED ON THE ABOVE, THE CITY COUNCIL MAKES THE FOLLOWING
FINDINGS AND TAKES THE FOLLOWING ACTIONS**

A. The Applicant has complied with all Rules and Regulations promulgated by the Marlborough City Council as they pertain to special permit applications.

B. The City Council finds that the proposed Use of the Site is an appropriate use and in harmony with the general purpose and intent of the Zoning Ordinance of the City of Marlborough when subject to the appropriate terms and conditions as provided herein. The City Council makes these findings subject to the completion and adherence by the Applicant, its successors and/or assigns to the conditions more fully set forth herein.

C. The City Council, pursuant to its authority under Massachusetts General Laws Chapter 40A and the Zoning Ordinance of the City of Marlborough hereby GRANTS the Applicant a Special Permit to build and operate a 140-unit multifamily dwelling residential project as shown on the Plans filed, SUBJECT TO THE FOLLOWING CONDITIONS, which conditions shall be binding on the Applicant, its successors and/or assigns:

1. Construction in Accordance with Applicable Laws. Construction of all structures on the Site is to be in accordance with all applicable Building Codes and Zoning Regulations in effect in the City of Marlborough and the Commonwealth of Massachusetts, and shall be built according to the Plans as may be amended during Site Plan Review.

2. Compliance with Applicable Laws. The Applicant, its successors and/or assigns agrees to comply with all municipal, state, and federal rules, regulations, and ordinances as they may apply to the construction, maintenance, and operation of the Use.

3. Site Plan Review. The issuance of the Special Permit is further subject to detailed Site Plan Review by the Site Plan Review Committee in accordance with the City of Marlborough Site Plan Review Ordinance prior to the issuance of the building permit. Any additional changes, alterations, modifications or amendments, as required during the process of Site Plan Review, shall be further conditions attached to the building permit, and no occupancy permit shall be issued until the Applicant, its successors and/or assigns, has complied with all conditions. Subsequent Site Plan Review shall be consistent with the conditions of this Special Permit and the Plans submitted, reviewed, and approved by the City Council as the Special Permit Granting Authority.

4. Incorporation of Submissions. All plans, photo renderings, site evaluations, briefs, and other documentation provided by the Applicant as part of the Revised Application, the Application, and as amended or revised during the application/hearing process before the City Council and/or the City Council's Urban Affairs Committee, are herein incorporated into and become a part of this Special Permit and become conditions and requirements of the same, unless otherwise altered by the City Council. The final architectural design of the Site shall be reasonably consistent with the Plans submitted by the Applicant. The final exterior features of the Site, including landscaping, shall be maintained in good condition and shall be reasonably consistent with the Plans submitted and representations made to the City Council.

5. Storm Water and Erosion Control Management. The Applicant, its successors and/or assigns, shall ensure that its site superintendent during construction of the project is competent in stormwater and erosion control management. The Applicant shall also hire an independent Erosion Control Expert, with credentials acceptable to the Engineering Division of the City's Department of Public Works and the City's Conservation Commission. This individual(s) shall be responsible for checking the Site before, during, and after storm events including weekends and evenings when storms are predicted. This individual(s) shall ensure that no untreated stormwater leaves the Site consistent with the State's and the City's stormwater regulations. This individual(s) shall ensure compliance with the approved sequence of construction plan and the approved erosion control plan. The Applicant, its successors and/or assigns, shall grant this individual(s) complete authority of the Site as it relates to stormwater and erosion controls.

6. Lighting. Exterior lighting at the Site shall be downward facing and shielded to minimize impacts on neighboring properties, with a lighting plan for the Site to be reviewed and further conditioned during the Site Plan Review process.

7. Affordable Units. Twenty percent (20%) of the dwelling units at the Site shall be made available as rental units at affordable prices to renters (whose annual income does not exceed eighty percent (80%) of the Area median income adjusted for family size as determined by the U.S. Department of Housing and Urban Development) in perpetuity or the longest period allowed by law (the "Affordable Housing Units"), in accordance with the provisions of Section 650-26 of the Zoning Ordinance and this condition. The Affordable Housing Units shall comply with all requirements for inclusion in the Subsidized Housing Inventory ("SHI") of the Commonwealth of Mass. Department of Housing and Community Development ("DHCD"). Prior to obtaining a certificate of occupancy for any unit within the Use, the Applicant, its

successors and/or assigns, in coordination with the City and its Community Development Authority, shall file all required submissions to DHCD for inclusion of the Affordable Housing Units on the SHI and shall diligently take all actions necessary to include the Affordable Housing Units on the SHI, including without limitation, preparing and executing a regulatory agreement and declaration of restrictive covenants and/or any other restrictive instrument necessary to ensure compliance with said Zoning Ordinance and this condition, a marketing plan, and all other required documentation. All costs associated with complying with this condition, including but not limited to, the DHCD process, recording of all documents with the registry of deeds, and the marketing plan for the Affordable Units shall be borne by the Applicant, its successors and/or assigns.

8. Site Access and Roadway Improvements.

- a. The Use shall access Route 20 with a single driveway entrance located directly opposite Village Drive. The Applicant shall provide an emergency access driveway off of Route 20 on the western side of the Site, with an access or gating system approved during Site Plan Review.
- b. The Applicant, its successors and/or assigns, shall coordinate with the City and the Massachusetts Department of Transportation to ensure that development of the Use does not conflict with planned improvements to Route 20 in the vicinity of the Site. The final design and configuration of the Site's access driveways shall incorporate the latest design of the planned MassDOT improvements to Route 20 and shall be approved by both MassDOT and the Engineering Division of the Department of Public Works.
- c. In addition to the planned improvements to Route 20, the Applicant shall, in coordination with MassDOT and the Engineering Division of the Department of Public Works, make the following traffic calming improvements in the vicinity of the Site:
 - (i) A radar speed sign on the southern side of Route 20 to the west of Victoria Lane;
 - (ii) A radar speed sign on the northern side of Route 20 to the east of Village Drive; and
 - (iii) Rectangular rapid flashing beacons at the proposed crosswalks over Route 20 in the vicinity of the Site.
- d. Prior to the issuance of a building permit, the Applicant, its successors and/or assigns, shall provide a payment to the City in the amount of \$200,000 to be used by the City Council or its designee towards the study, design, and construction of a traffic signal at the intersection Route 20, Village Drive, and the Site's main entrance; provided however, that if the Massachusetts Department of Transportation does not authorize said traffic signal within three (3) years

following the issuance of a final certificate of occupancy for the Use, then the funds may be used by the City Council or its designee for the study, design, and construction of comparable transportation safety improvements in the vicinity of the Site, for beautification improvements along Route 20 in the vicinity of the Site, or another project designed to improve transportation and aesthetics along Route 20 in the vicinity of the Site.

- e. Within six (6) months after the issuance of the final certificate of occupancy for the Project, the Applicant shall make a written request to MassDOT asking MassDOT to reconsider the traffic signal at the intersection of Route 20, Village Drive, and the Site's main entrance based upon traffic data reflecting the actual full occupancy of the Project.
 - f. Within six (6) months after the issuance of the final certificate of occupancy for the Project, the Applicant agrees to have its traffic engineer update its traffic analysis, and make and provide written recommendations to the Marlborough City Council as to the best use of the \$200,000 paid pursuant to Condition 8D above for traffic safety and improvements in the area of the Site and Village Drive, taking into consideration the full occupancy of the Project and ongoing improvements in the area made by MassDOT.
9. Transportation Alternatives.
- a. Prior to the issuance of a building permit, the Applicant, its successors and/or assigns, shall provide a payment to the City in the amount of \$20,000 to be used by the City Council or its designee to study and/or fund shared transportation options, including but not limited to a shuttle service, to provide access between the Site and its neighboring residential properties and Downtown Marlborough.
 - b. Prior to applying for a building permit for the Use, the Applicant, its successors and/or assigns, shall submit a request to the MetroWest Regional Transit Authority to add a bus stop in the vicinity of the Site and its neighboring residential properties.
 - c. Prior to the issuance of a building permit, the Applicant, its successors and/or assigns, shall provide a written summary of a program sponsored for the Site's residents to encourage shared trips and carpooling to reduce vehicle trips to and from the Site, and shall submit an annual report on this program to the Building Commissioner on or before January 30th during each year that the Use remains in operation.
10. Open Space.
- a. The Applicant, its successors and/or assigns, shall grant a conservation restriction to the City's Conservation Commission or its designee over areas of the Site identified as "CR Area 1", "CR Area 2", and "CR Area 3" (including any area

outlined in red) shown on the plan attached as "**Attachment B**" (the "Restricted Land"). The form of the conservation restriction over the Restricted Land shall be approved by the City Solicitor and the City Conservation Officer prior to the issuance of a building permit. The Conservation Restriction must be approved by the Conservation Commission, the City Council, and finally signed by the Mayor before being approved by the State Secretary of Energy and Environmental Affairs. The conservation restriction must be granted and recorded prior to the issuance of a certificate of occupancy for any unit within the Use, or at a later time agreed to in writing by the City Conservation Officer. The Conservation Restriction will allow for the mowing and management of portions of CR Area 1 to enhance wildlife habitat and meadows as approved by the Conservation Commission, and shall allow for the passive recreational use of CR Area 1 by the Site's residents.

- b. Prior to the issuance of a building permit, the Applicant, its successors and/or assigns, shall provide a payment to the City in the amount of \$20,000 to be used by the City Council or its designee to study and/or fund a recreational trail for pedestrians along the City-owned sewer land adjacent to the Site, to provide public access and connections between Route 20 and the Site's neighboring residential properties and Kane School.

11. Issuance of Building Permit. Construction of the project shall not begin until April 14, 2023. Issuance of a building permit shall be conditioned such that construction of the project may not begin until April 14, 2023.

12. Charging Station. The Applicant agrees to increase the number of charging stations at the Project from the original two (2) to four (4) charging stations.

13. Sewer Pump Station Improvements. Prior to the issuance of a building permit, the Applicant, its successors and/or assigns, shall provide a payment to the City for its Department of Public Works or its designee, not to exceed \$35,000, to be used by the City for the installation of an in-line sewage grinder at the Boston Post Road pump station in the vicinity of the Site.

14. Snow Removal. Snow removed from driveways, parking areas, and walkways at the Site may not be stored in a manner that creates a shortage of on-site parking for residents. If on-site snow storage creates a shortage of on-site parking for residents, the Applicant, its successors and/or assigns, shall have stockpiled snow removed from the Site.

15. Other Approvals. The Applicant, its successors and/or assigns, shall comply with an order of conditions from the City's Conservation Commission and a floodplain special permit from the City's Zoning Board of Appeals.

16. Recording of Decision. In accordance with the provisions of Massachusetts General Laws, Chapter 40A, Section 11, the Applicant, its successors and/or assigns, at its expense shall record this Special Permit in the Middlesex South Registry of Deeds after the City Clerk has certified that the twenty-day period for appealing this Special Permit has elapsed with

no appeal having been filed, and before the Applicant has applied to the Building Commissioner for a building permit. Upon recording, the Applicant shall forthwith provide a copy of the recorded Special Permit to the City Council's office, the Building Department, and the City Solicitor's office.

Call to Order

June 14, 2022

1. Michelle Bodin-Hettinger called the regular meeting of the Marlborough School Committee to order at 7:32 p.m. at 17 Washington Street, Marlborough, MA. Members present included Daniel Caruso, Katherine Hennessy, Earl Geary, Heidi Matthews, and Denise Ryan. Also present were Superintendent Bergeron, Director of Finance and Operations, Douglas Dias, the Assistant Superintendent of Teaching and Learning, Mary Murphy, and the Assistant Superintendent of Student Services and Equity, Jody O'Brien. Additionally, MEA Representative Eileen Barry was present.

This meeting is being recorded by local cable, WMCT-TV, and is available for review.

2. **Pledge of Allegiance:** Michelle Bodin-Hettinger led the Pledge of Allegiance.

3. Presentation:

A. 1,000 Books Before Kindergarten

The School Committee recognized nine students who have read 1,000 books before kindergarten: Maya Rivera, Mrig Lothe, Megh Lothe, Luke Cato, Gianna Sinni, Vincenzo DeVito, Arina Rikhi, Drew DeSaulniers, and Victor Silva. Each student received a book to further encourage reading.

B. Eagle Scout Project at Richer School

Superintendent Bergeron shared that Jackson Clemons, a Junior at MHS, selected Richer School as the recipient of his community-based service project to earn the ranking of Eagle Scout. His project involved creating picnic tables for Richer School dedicated to the Kindergarten classes. Jackson spoke about his project.

The committee moved up agenda item 9F.

Jackson Clemons – Eagle Scout project. Richer Elementary School received picnic tables from Jackson Clemons through his Eagle Scout project valued at approximately \$1,200.00.

Motion made by Mrs. Matthews, seconded by Mrs. Bodin-Hettinger to approve this donation.

Motion passed 6-0-0.

4. Committee Discussion/Directives: None.

5. Communications: None.

6. Superintendent's Report:

Superintendent Bergeron requested that the district hires an additional 1.0 FTE 1st grade teacher for Kane Elementary School. This would involve removing \$69,602 from the FY23 salary reserve account. He included current enrollments and projections for next year for each elementary school as well. Mr. Bergeron asked the School Committee for permission to post this job listing. The budget transfer would then be voted on at the first meeting in the fall.

Motion made by Mrs. Hennessy, seconded by Mrs. Bodin-Hettinger to suspend the rules to vote on this request.

Motion passed 6-0-0.

Motion made by Mrs. Hennessy, seconded by Mrs. Bodin-Hettinger to allow the district to post this teacher position.

Motion passed 6-0-0.

Superintendent Bergeron stated that it is in the best interest of Goodnow and Richer Elementary School to open up five school choice seats in both Kindergarten and 1st grade (10 total); a few Goodnow students would be able to permanently attend Richer. If more than five students request this school choice option, then the committee would explore their options. Students would be able to take an existing Richer bus or be dropped off by their parent(s)/guardian(s). These school choice seats would enable families to sort out their childcare needs. He asked the committee for feedback on this matter.

Mrs. Matthews expressed her concern about the potential issues that could arise.

Superintendent Bergeron explained the communication process to Goodnow families.

Mrs. Ryan recommended that the word 'permanent' be replaced with a different phrase.

Mrs. Hennessy expressed her support for this idea.

Mr. Caruso questioned whether the district could project how many Goodnow families would request this switch.

Superintendent Bergeron explained that aside from childcare concerns, location is an incentive for families. Some neighborhoods are closer to Richer, but students were still placed at Goodnow.

Superintendent Bergeron mentioned the potential to use a lottery system if there was an abundance of applicants. He expressed the plan to target students entering 1st grade and Kindergarten.

The district will move forward with contacting Goodnow families about this opportunity and the Policy Sub-Committee will look at amending the school choice policy that is currently in effect.

The Superintendent reflected on the MHS Class of 2022 graduation. He thanked all of the individuals involved in the preparation and execution of the ceremony.

School Committee members shared their thoughts and feedback on graduation as well.

Superintendent Bergeron updated the committee on the Alumni Project. He outlined the graduate records that were entered into the MPS database as well as the remaining work to be done. Mr. Bergeron mentioned that GG+A (Grenzbeck, Glier, and Associates) plans to meet with school and city officials to devise a giving plan moving forward. Mr. Bergeron is looking for two School Committee members to volunteer to Zoom with a GG+A representative. He thanked Olivia Taralli for her data entry work.

A. Assistant Superintendent of Teaching & Learning

Mrs. Murphy, the Assistant Superintendent of Teaching and Learning, reported that the district will be surveying all students in grades 3-11 and all MPS employees through Panorama Surveys later this week. This new survey tool gathers and processes feedback in four areas: student voice, school climate, teacher and staff voice, and family and community engagement. Families will receive a survey to complete in July. The district leadership team will be trained by Panorama on July 20th.

Mrs. Murphy announced that Christopher Henry is the new Director of Instructional Technology.

Mr. Henry spoke about his appointment.

Mrs. Murphy introduced Mr. Turcotte, the Supervisor of Wellness, to address the committee about naming the Adventure Course “The Marlborough Public School’s Kenneth Reynolds Adventure Course” to recognize the former MPS teacher and coach. Mr. Turcotte addressed the committee about this naming process and Mr. Reynolds. He requested that Mr. Reynolds be honored in the fall with a small ceremony and a plaque.

Motion made by Mrs. Hennessy, seconded by Mrs. Bodin-Hettinger to suspend the rules.

Motion passed 6-0-0.

Motion made by Mrs. Hennessy, seconded by Mr. Caruso to name the Adventure Course “The Marlborough Public School’s Kenneth Reynolds Adventure Course.”

Motion passed 6-0-0.

7. Acceptance of Minutes:

A. Minutes of the May 24, 2022 School Committee Meeting

Mr. Caruso noted that his vote in the roll call to enter Executive Session should be excluded as he was absent.

Motion made by Mrs. Matthews, seconded by Mrs. Bodin-Hettinger to approve the minutes as amended.

Motion passed 7-0-0.

8. Public Participation:

Mary Ellen Klein, an MHS English teacher and advisor for the Student Advisory Committee and Student Council, publicly acknowledged Hattie Parker's contributions as the Student Advisory Representative. Jessica Rosenzweig will be the new Student Advisory Representative for the upcoming school year.

Jessica spoke about this new responsibility.

It should be noted that members of the public may provide comment via email before the meeting to superintendent@mps-edu.org. Public participation is a time for your comments to be heard by the committee; it is not a question-and-answer session.

9. Action Items/Reports

A. Festival of Music Trip

Jonathan Rosenthal, the K-12 Supervisor of Music, requested that the MHS Music Department attends Festivals of Music in Boston, MA in April of 2023 for either one or two nights, which will be decided later on. Fundraising projects would be organized to help finance the trip. The financial plan is outlined in this agenda item.

Motion made by Mrs. Matthews, seconded by Mrs. Bodin-Hettinger to approve this request.

Motion passed 6-0-0.

B. MHS Football Overnight Trip

Superintendent Bergeron requested that the MHS Football team spends Friday evening, August 26th, 2022 at the Eagle Hill School in Hardwick, MA to practice with the Wachusett Regional High School football team.

Motion made by Mrs. Matthews, seconded by Mrs. Bodin-Hettinger to approve the MHS Football overnight trip.

Motion made by Mrs. Matthews, seconded by Mrs. Bodin-Hettinger to approve the MHS Soccer out of state day trip.
 Motion passed 6-0-0.

D. Student Advisory change of dates for meetings

Student Advisory Committee members requested to change the dates for their meetings for the FY23 school year. Mrs. Hennessy shared the two policies that address this issue. SAC members requested to start the meetings in October and hold them every other month but move the June meeting to May.

Motion made by Mrs. Matthews, seconded by Mrs. Bodin-Hettinger to send this request to the Policy Sub-Committee.
 Motion passed 6-0-0.

E. Superintendent Evaluation

Mrs. Bodin-Hettinger shared that the Superintendent Evaluation is not yet complete.

Motion made by Mrs. Matthews, seconded by Mrs. Bodin-Hettinger to table the Superintendent Evaluation.
 Motion passed 6-0-0.

Chairman Vigeant arrived at 8:15 pm.

F. Acceptance of Donations and Gifts

Blackbaud Giving Fund-Bose Corporation. Kane Elementary School received \$30.00 from Blackbaud Giving Fund-Bose Corporation.

Motion made by Mrs. Matthews, seconded by Chairman Vigeant to approve this donation.

Present: Edward Clancy-Chairman, John Skarin; Allan White, David Williams, Karin Paquin, William Dunbar, and Dennis Demers. Priscilla Ryder - Conservation Officer was also present.

Absent: none

Approval of Minutes: The minutes of May 19, 2022, and June 2nd, 2022, were reviewed and on a motion by Mr. White second by Mr. Clancy, to approve. The Commission voted unanimously 7-0.

Public hearings:

Notice of Intent

192 Robin Hill St. - Hillside School

Chris Anderson from Hannigan Engineering was present representing Hillside School. He noted that based on the last meeting he has revised the plans. The changes include-modifications to the wetland line as discussed, details and operation and maintenance plan for the rain garden, updates to the plan based on the City Engineers and Fire Dept. review a SWPPP will be needed. The Commission noted that everything has been adequately addressed and there were no comments from the public, so the hearing was closed. The Commission reviewed a draft set of conditions and made some changes. On a motion by Mr. White, second by Mr. Clancy to approve the Order of Conditions as written and amended, the Commission voted unanimously 7-0 to approve.

Request for Determination of Applicability

878 Concord Rd. - Marcio Oliveria

Mr. Oliveria was present and explained that he had done some clearing in the yard, and he was unaware of the wetland until Ms. Ryder explained. He is filing for a permit now to level the back yard, staying away from the 30' no disturb wetland buffer zone and re-do the driveway making it slightly bigger than it is now. Ms. Ryder noted that she had walked the site and seen the wetland. The Commission noted they had no objections as long as the fill is clean, the 30' no disturb buffer zone is marked and the stumps in the 30' buffer zone are left in place. The other stumps can be removed as desired. There being no further questions or discussion the hearing was closed. On a motion by Mr. White second by Mr. Clancy to issue a negative determination with standard conditions and those noted above. The Commission voted unanimously to approve 7-0. The Commission also wanted to walk the site to understand better the lay of the land and agreed to do a site visit on Thursday June 23rd at 5:00 PM

Notice of Intent

Ken's Foods – I D'Angelo Dr.

Scott Goddard and Tom Schutz of Goddard Consulting, Dale MacKinnon of Guerriere and Halnon and Mark Shaye of Ken's Foods were present. Mr. Goddard went through a presentation showing the wetland resource areas including bordering vegetated wetlands, river front area and buffer zone. There will be some alteration to the buffer zone and riverfront area. He explained that they would like to split

the project up into two phases – Phase 1 would be the front parking lot expansion which includes a drainage cul-tech system expansion. A very small section of this work is within the buffer zone. Phase 2 would include the building expansion, and reconfiguration of the loading docks and expansion of the back parking lot. This work will impact the buffer zone and some of the 30' no disturb buffer zone as well. They outlined compliance with the river front area standards. Mr. MacKinnon explained the drainage design and changes and adjustments to the existing systems to accommodate the new impervious surfaces to be added. He discussed the infiltration system. He also noted that they received a variance for lot coverage from the Zoning Board of Appeals.

Mr. Shaye noted that business is very good for Ken's foods which is the reason expansion of this facility is necessary. They also need to bring the facility up to standards and upgrade clean rooms etc. They started this planning last year when the Commission had a 20' wetland set back and now have adjusted to the 30' wetland setback. Unfortunately, they were not able to stay out of the 30' no disturb buffer zone and are hoping the Commission can allow for this encroachment, and they are willing to discuss mitigation etc. The Commission asked about snow storage and no dumping in the wetlands, wall design, construction methods dewatering if needed, mitigation or restoration that could be provided to mitigate the impact to the 30' buffer zone. After some discussion the Commission noted they would like to do a site visit before making any decisions. A site visit was set for June 29th at 8:30 AM. Councilor Ossing asked that the Commission look favorably upon this project as Ken's foods provides big tax revenues to the city. The applicant asked if there was a way to advance phase 1 since that is easier, before finalizing phase 2. It was determined that if they filed for a Request for Determination for Phase 1 that could be permitted at the next meeting. Phase 2 will require several more meetings before it is finalized. It was agreed that a Request for Determination of Applicability (RDA) would be filed for the phase 1 work, to allow that to be permitted first. The hearing was continued to the July 7th meeting.

Request for Determination of Applicability – (continued from 6/2/2022 - review draft conditions)

55 Clinton St. – Carlos Costa

Mrs. Costa was present and explained they have removed a lot of trash already but there is still a lot left to remove. Once removed they will level the back yard and enlarge the end of the driveway for a turn around and basketball hoop. The Commission asked about the stumps of trees cut near house, which will be ground out and removed; whether walls will be needed since there are grade changes, no walls anticipated at this time. They noted that if fill is brought in it must be clean fill and that the 30' buffer zone will be marked when the project is complete. Erosion controls shall be added on the down slope section to prevent sediment from travelling into the wetland. Since specific details on the driveway are not ready, the Commission determined that as long as the driveway is outside the 30' buffer including all grading, and if it is staked out prior to constructed and reviewed by the Conservation Officer to ensure it is outside the 30' buffer and does not exceed lot coverage requirements. Invasive plant removal was discussed as well. There being no further comments or questions the hearing was closed. A motion was made to issue a Negative Determination with conditions as noted above, to stake driveway and allow for the project to be built in phases to include, deck, yard cleanup and regrading and driveway repaving. The Commission voted unanimously 7-0 to approve.

Request for Determination of Applicability (continued from 6/2/2022 – review draft conditions)

204 Farm Rd. – Rich Deals, LLC

Mr. David Dowd was present. He explained the planting plan provided and the Commission reviewed and discussed the results of the site visit and the slight deviation of the 30' no disturb buffer zone line which narrows where the existing driveway turnaround is located. There was discussion about this being marked in the field and shown on a plan and procedure. There being no further questions the

hearing was closed. The Commission reviewed a set of draft conditions and discussed changes and clarification, including that the arborvitae need to be moved off the sewer easement. On a motion to issue a Negative Determination with conditions as reviewed and amended by Mr. White second by Mr. Clancy, the Commission voted unanimously 7-0 to approve.

Certificate of Compliance:

- DEP 212-1226 86 Roosevelt St.- Ms. Ryder noted that all conditions for this project have been met and the site inspected, a full Certificate of Compliance was recommended. On a motion to issue a full Certificate of Compliance by Mr. Skarin second by Mr. Clancy, the Commission voted unanimously 7-0 to approve.
- DEP 212-1211 293 Lakeshore Dr. - Ms. Ryder noted that she has inspected the site, all is stable and in order. She will hold the Certificate until the markers are in place but recommended a full certificate be issued. On a motion to issue a full Certificate of Compliance by Mr. Skarin second by Clancy, the Commission voted unanimously 7-0 to approve.
- DEP 212-1233 192 Reservoir St. - Ms. Ryder indicated that she has done a site inspection along with Mr. Dunbar. All conditions have been met, markers are in place, information about the invasive plants on site will be sent to the owners so they can manage them and keep what is native and good. On a motion to issue a full Certificate of Compliance by Mr. Skarin second by Clancy, the Commission voted unanimously 7-0 to approve.

Discussion:

- 541 Pleasant St. – violation discussion – Mr. Sampaio was not present. The Commission discussed this violation and the need for compliance. Mr. Sampaio had sent an e-mail noting that he had cut 27 large trees, the Commission discussed whether 27 trees was adequate to restore the wetland and buffer zone that have been impacted. After some discussion, it was determined that Mr. Skarin and Ms. Paquin would attend a site visit with Ms. Ryder and Mr. Sampaio to review what is re-growing and provide a recommendation for review at the next meeting.
- Ft. Meadow – Cattails removal at boat house for kayak dock - The Commission reviewed a request made by the Ft. Meadow Commission to remove some cattails that are growing next to the dock at the boathouse on Reservoir St. The Commission granted permission allowing for the cattails to be cut at the base under water (which should “drown” the plants). Ms. Ryder will convey
- The Grove – kayak dock - Ms. Ryder noted that the cost of putting in a handicapped friendly dock and kayak/canoe cradle would be \$11,000, and for a fully ADA accessible launch would be \$20,000. After some discussion the commission suggested that only a short dock section be added and not the kayak cradle at this time. The expense is great, and we should wait to see how the other launch works over at the boathouse which the Recreation Department will be installing this summer. It was voted unanimously to just add the dock this year and wait on the launch until more information is known.
- Ft. Meadow – updated map from June 6th treatment - Ms. Ryder showed the Commission the actual treatment area maps for the lake which was more precise than the “treatment map” posted around the lake.
- 38 Vega Rd. - Violation – Ms. Ryder asked the Commission their recollection of the wetlands and drainage along Vega Rd. – the homeowner at 38 Vega Rd. has cleared their back yard that abuts a drainage easement/wetland area. The work is outside the 30’ buffer zone but within the 100’ buffer zone. The Commission asked that the owner be notified to file a Request for Determination of Applicability (RDA) and appear before the Commission.
- Summer Intern – Ms. Ryder noted that Brian O’Leary will be this summer’s intern and will start work on June 27th.

Next Conservation Commission meetings: July 7th and July 21st, 2022

Adjournment

There being no further business, on a motion to adjourn by Mr. White second by Mr. Clancy, the Commission voted unanimously to adjourn at 9:36 PM

7:00 PM - Meeting called to order at the Marlboro Town Hall

In attendance

- Marlborough Commissioners Lee Thomson, Paul Gould and agent Carl Blatchley
- Hudson Commissioner Gary Pelletier and agent JP Onate

Minutes

- Minutes from the August 19, 2021, meeting were reviewed and approved by Commissioners Lee Thomson, Gary Pelletier and Paul Gould as written

Incidents

- None

Boat Launch & Recreation Department

- The boat launch is now closed, the commission will begin removal of the buoys.
- The attendants have been providing a copy of the safety rules to those who launch boats. JP Onate suggested that these be translated into Spanish and Portuguese. JP will do this over the winter.

Buoys & Dock Supplies

- As buoys are removed and inspected the commission will assess the need for buoy replacement and dock supplies.

Water Level

- During August, the lake received a great deal of rain such that there are now 3-4 inches of water flowing over the spillway. The lake level remains ideal.

Jet skis and Wake boats

- No issues.

Algae and Weeds

- Solitron, the weed treatment contractor, completed a post treatment survey showing many weeds were missed during their June treatment. The contract calls for an early survey, treatment, post treatment survey and retreatment as needed. Solitron's post treatment survey was late this year, and no retreatment has been done. Lee Thomson will discuss options with them including

Minutes

- Minutes from the September 16, 2021 meeting were reviewed and approved by the commissioners as written

Boat Launch & Recreation Department

- The launch will be open on April 23, 2022 in support of the early fisherman program. Water for the washing of boats will be turned on and the hose installed before that date.
- The commission will begin installation of the buoys in preparation of the launch opening.
- The material left from snow plowing has been removed from the ramp.

Jet skis and Wake boats

- The Commission is trying to determine if the small ponds on both sides of RT 85 are too small for jet skis. This topic needs more study and discussion by the members.

Algae and Weeds

- Solitron, the weed treatment contractor, will perform a survey and treatment this May before the beaches are open. Lee Thomson will discuss with the appropriate committees the potential for increased costs associated with a new evasive species found last year.

Buoys & Dock Supplies

- As buoys are inspected and installed the commission will assess the need for replacement and associated supplies. A new buoy will be added in the narrows.

Call to Order

May 23, 2022

The Meeting of the Marlborough Planning Board was called to order at 7:00 pm in Memorial Hall, 3rd Floor City Hall, 140 Main Street, Marlborough, MA. Members present: Barbara Fenby, Sean Fay, Phil Hodge, George LaVenture, Chris Russ, and William Fowler. Absent: Matthew Elder

1. Draft Meeting Minutes

A. May 9, 2022

On a motion by Mr. LaVenture, seconded by Mr. Russ, the Board voted to accept and file the May 9, 2022, meeting minutes with minor revisions. Yea: Fay, Fowler, Hodge, LaVenture, Russ, and Fenby. Nay: 0. Motion carried. 6-0.

2. Chair's Business

A. Open Meeting Law Guidance

i. Correspondence from Assistant City Solicitor, Jeremy McManus, Legal Department

Mr. LaVenture read the May 3, 2022, correspondence from Mr. McManus into the record.

On a motion by Mr. LaVenture, seconded by Mr. Russ, the Board voted to accept and file the correspondence.

Yea: Fay, Fowler, Hodge, LaVenture, Russ, and Fenby. Nay: 0. Motion carried. 6-0.

The Board determined they would continue to conduct their site visit walk throughs individually and or in groups of two.

3. Approval Not Required (None)

4. Public Hearings

A. 7:05 PM Referred from City Council, Order #22-1008571: Proposed Zoning Amendment to Chapter 650 to amend Section 39 Neighborhood Business District.

i. Legal Notice

ii. Slide Presentation

iii. Zoning standards for recommendation

Chairperson Fenby opened the hearing. Mr. LaVenture read the public hearing legal notice into the record. Chairperson Fenby provided instructions to those in attendance. The hearing was conducted in the following stages: 1) Presentation 2) Those speaking in favor 3) Those speaking in opposition 4) Comments and questions from the Board members.

Presentation:

Brian Falk (Mirick O'Connell, 100 Front Street, Worcester, MA 01608) went over the slide presentation and explained the proposed amendment would authorize the City Council to modify by special permit the dimensional parking and landscape requirements for mix use development projects in the Neighborhood Business District. Giving City Council and property owners the flexibility to address issues that are unique to particular sites in this district and not having to go to the Zoning Board of Appeals for a variance. The language proposed is almost identical to language already existing in three of the City's existing overlay districts. For the project currently before the Council, the main basis for this is, the 25-foot setbacks along both Lincoln Street and Mechanic Street are difficult to accommodate and the current zoning ordinance prohibits parking in the front setback.

Speaking in Favor:

No one spoke in favor.

**MINUTES
MARLBOROUGH PLANNING BOARD
MARLBOROUGH, MA 01752**

Speaking in Opposition:

No one spoke in opposition.

Dr. Fenby closed this portion of the Public Hearing.

Questions and Comments from the Planning Board:

Mr. Russ and Mr. Falk discussed the clarification on the term design.

City Council President, Michael Ossing (43 Varley Rd, Marlborough, MA 01752) explained City Council typically prefers these types of requirements under their jurisdiction, which allows the Council to tailor the special permit to benefit the City. Verse the Developer going through the Zoning Board of Appeals process.

Dr. Fenby closed the Public Hearing.

The Board went over the zoning standards for their recommendation. While reviewing the standard "Does the proposed change benefit the City or provide a use not permitted elsewhere?" Dr. Fenby expressed reservations and explained the Board prefers developers to not submit proposals like this.

Mr. Russ asked about what other projects would this proposed zoning amendment benefit. Mr. Fay explained sometimes it's hard to separate the proposed zoning amendment from the proposed project it is associated with and generally the Board doesn't want to decrease setbacks and allow for parking within a front setback, but this proposed zoning amendment for this proposed project has a significant benefit to the City.

The Board determined they have reservations on whether or not the proposed change is in keeping with the intent and purposed of the City's zoning by-laws and Mr. Fay argued this change is consistent with recent past changes to the City's Zoning By-Laws.

On a motion by Mr. Fay seconded by Mr. LaVenture, the Board voted to make a favorable recommendation to the City Council for the Proposed Zoning Amendment to Chapter 650 to amend Section 39 Neighborhood Business District . Yea: Fay, Fowler, Hodge, LaVenture, Russ, and Fenby. Nay: 0. Motion Carried. 6-0.

The Board provided the following reasons in reaching its recommendation:

- The proposed Zoning Amendment changes are in keeping with the character of the neighborhood that the Board envisions;
- The proposed Zoning Amendment will have minimal negative impact on the neighbors;
- The proposed Zoning Amendment will provide an opportunity to redevelop a parcel that has been problematic for the City for many years.

Traffic Commission Minutes

The Regular Meeting of the Traffic Commission was held on Monday, May 2, 2022, at 10:00 am. (The meeting was also recorded and is available to view online at the City of Marlborough's website (www.marlborough-ma.gov). Members present: Chairman - Police Chief David Giorgi, Fire Chief Kevin Breen and City Clerk Steve Kerrigan. Also present: City Engineer Tom DiPersio, Ashley Miller also from the Engineering Department, Sgt. Ronnie Ney and Officer Andy Larose from the MPD Traffic Services Unit, City Councilor Katie Robey and local resident Maria Rivera.

Minutes taken by Karen Lambert, MPD Records Clerk.

Chief Giorgi started recording the meeting at 10:02 a.m. and began by welcoming everyone and making introductions.

1- Minutes

The minutes of the Traffic Commission meeting of Wednesday, March 30, 2022:

TO APPROVE. All in Favor - Accept and Place on File.

Chief Giorgi asked to take the New Business Items out of order as Maria Rivera was in attendance for 2b.

2 - New Business

2b) Request for flashing pedestrian crossing light & Dead-End sign on Gikas Lane.

Ms. Rivera explained that there are 10 houses on Gikas Lane with 17 children, many of whom are young. Families regularly use the crosswalks at the foot of Gikas Lane and Hudson Street to get their children off the school bus and to access the Rail Trail. She said that it is "a dangerous crossing point without additional safety" She is requesting 1)

repainting the crosswalks 2) a flashing light for pedestrians and 3) a Dead-End Street sign. She feels that a flashing light would be the best bet for safety. When cars are coming down Hudson Street from the hospital, it is a blind turn, and they are often going faster than the speed limit.

Officer Larose pulled up an aerial photo for reference. Tom DiPersio advised that when the subdivision was put in, they were supposed to cut back the vegetation on the turn. It may need to be done again. He also noted that there are no Advance Warning signs for the crosswalk, and there should be at this location. Mr. DiPersio explained that there is not enough volume to trigger the warrant for a flashing pedestrian light.

Ms. Rivera said that the morning bus comes down the hill from the hospital and the afternoon bus is on the other side. The road is divided so people are less likely to realize that they should still be stopping for the school bus. Kids could be running across the street and cars fly past the bus.

There are also protected wetlands on the corner. Mr. DiPersio said that they would work with the Conservation Commission on cutting back the vegetation to clear the corner for safety reasons and they will add the advance warning signs for the crosswalk. Officer Larose asked if there could be two advance warning signs coming from the hospital, one at the turn and one further down closer to Gikas. The crosswalk will also be repainted.

Ms. Rivera is also requesting a dead-end sign as people seem to come up Gikas Lane by mistake, maybe thinking it is Hudson Street. They come full speed without realizing it is a cul-de-sac.

Ms. Rivera also asked about the type of crosswalk, if there was a way to make it stand out more. Mr. DiPersio advised that the ladder style crosswalk is used based on volume. They will have to see if it fits here.

MOTION was made, seconded, duly VOTED to REFER to ENGINEERING to repaint the crosswalks (in the format determined suitable for the area), clear the brush and install advance warning signs. They will also look at the request for the Dead-End sign.

2a) Review of Elm Street speed limits.

Councilor Robey had asked Engineering to look at the speed limits in this area as there are signs for 25 mph and 30 mph across from each other in the area of the 495 bridge and it is confusing. Ashley Miller looked into the regulated speed zones and advised as to the locations and that the signs appear to be correct.

It is 25 mph going up the hill toward Pleasant Street and 30 mph going down the hill. Ms. Miller advised that the speed regulation was created in 1974. It is not clear as to why it was created but the speed limit does go from 25 to 30 and back to 25 toward Boundary Street. The 25-mph section is from Mechanic St. to 367 Elm. Then it goes to 30 mph from 367 to 649 Elm and the remainder of Elm Street is 25 mph.

MOTION was made, seconded, duly VOTED to REFER to accept and place on file. No further action needed.

2c) Request for On Street Parking Permit @ 194 Chestnut St.

Chief Giorgi advised that he has spoken to the applicant. She is handicapped and lives on the third floor and parking is in the back of the house. She is requesting a spot in the front of the house. Mr. Kerrigan asked if there is room in the road. Ms. Miller brought up a photo of the area for reference. She also checked the regulation and confirmed that parking is allowed here. Mr. Kerrigan asked what happens during the winter parking ban. Chief Giorgi advised that there is a notice on the application regarding the winter parking ban. This is not an exemption, and the vehicle would have to be moved. Violators may be ticketed and/or towed.

MOTION was made, seconded, duly VOTED to APPROVE the parking spot.

3-Old Business**3a) Issues with the turn movement at intersection of Boston Post Road West & Ames Street**

Update: Ms. Miller advised that she has sent a few emails to MADOT but has not received a reply yet. She will continue to follow up.

3b) Parking Issues on Cotting Ave.

Update: The Traffic Commission has already voted to remove the 30-minute parking area from Cotting Ave. Chief Giorgi advised that he needs the specific language from Engineering to create the regulation. He will get it from Ms. Miller and create the regulation for the next meeting.

3c) 30-minute parking regulation review.

Update: Chief Giorgi advised that he needs the specific language from Engineering to create the regulation. He will get it from Ms. Miller and create the regulation for the next meeting.

Chief Giorgi asked if anyone had any other issues they would like to discuss.

None noted.

That there being no further business of the Traffic Commission held on this date, the meeting adjourned at 10:21 am.

Respectfully submitted,
