Councilors,

I have reviewed this petition and the revised design. This is acceptable and preferred over the previous design of a push brace.

Approval should include the attached standard conditions. I have no other issues with the petition.

Please contact me with any questions.

Thank you

## STANDARD CONDITIONS FOR UTILITY PETITIONS

1. Any necessary easements are to be obtained from affected property owners.
2. A street opening permit must be applied for by the proposed contractor performing the work.
3. The contractor performing the work must obtain a street opening bond with the City of Marlborough.
4. The contractor shall provide the Engineering Division preconstruction photos of driveways, sidewalks, lawn areas, and roadway areas impacted by all construction activities.
5. A proper staging area is to be located/acquired before work commences – material and equipment is not to be parked/stockpiled within the city right of way and or private property unless permission is granted in writing by the property owner.
6. The contractor is to ensure residents are always able to enter and exit their driveways (have necessary steel plating on site and accessible).
7. Ensure construction safety controls are established (signage, drums, police details, etc...) and are in accordance with the latest MUTCD standards.
8. Trench backfilling, compacting, temporary, and final paving are to be done in accordance with the City of Marlborough standard trenching details.
9. Trenches are to be paved or completely backfilled and compacted at the end of each work day. Trenches are never to be left unattended.
10. Post construction loaming and seeding are to be done in accordance with the 1995 MHD Standard Specifications sections 751 & 765.
11. Proposed utility pole(s) shall not put any sidewalks or sidewalk ramps into non-compliance with current ADA standards.

**PETITION FOR JOINT OR IDENTICAL POLE LOCATIONS**

To the City Council  
Of Marlborough, Massachusetts

Massachusetts Electric Company d/b/a NATIONAL GRID and Verizon New England, Inc requests permission to locate poles, wires, and fixtures, including the necessary sustaining and protecting fixtures, along and across the following public way:

Manning Street - Install one JO Pole on Manning Street. Beginning at a point approximately ten feet Northeast of the centerline of the intersection of Mechanic Street. Install a new JO Pole 0-5 on Manning Street off of Pole 18 Mechanic Street. Needed to brace P18 with wires going down Manning Street.

Location approximately as shown on plan attached.

Wherefore it prays that after due notice and hearing as provided by law, it be granted a location for and permission to erect and maintain poles and wires, together with such sustaining and protecting fixtures as it may find necessary, said poles to be erected substantially in accordance with the plan filed herewith marked – Manning Street - Marlborough, Massachusetts.

No.# 30672208

Also, for permission to lay and maintain underground laterals, cables, and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as each of said petitioners may desire for distributing purposes.

Your petitioner agrees to reserve space for one cross-arm at a suitable point on each of said poles for the fire, police, telephone, and telegraph signal wires belonging to the municipality and used by it exclusively for municipal purposes.
