Public Meeting on July 20, 2021 at 7 PM
New Fire Station Discussion

Marlborough, MA – Mayor Arthur Vigeant, Fire Chief Kevin Breen and Ward Three Councilor Christian Dumais will hold a public meeting on **July 20th at 7 pm** in Memorial Hall at City Hall to answer any questions residents may have on the proposed site selection for a new west side fire station.

The City held a virtual meeting in April for residents to discuss the parceled area from the purchase of 481 Elm Street and the geographical benefits associated with the proposed location. This second meeting is being held for those interested who were not able to attend the April meeting. Additional information was shared from the Fire Station Committees' report supporting this location with regards to projected response time improvements, programming facets of a new fire station, ongoing growth and build-out projections driving this important project. This information will be shared again.

The public is welcome to attend this forum, voice any concerns and have questions answered.

For more information, please contact the Mayor's Office at 508-460-3770.
