NOTICE OF PUBLIC
HEARING

In accordance with Massachusetts General Laws (MGL), Chapter 87, Public Shade Tree Law, Section 3 (Cutting of Public Shade Trees; Hearing; Damages), the Town of Marlborough Tree Warden will hold a public hearing regarding an application for National grid to remove public shade trees on **October 12, 2023, at 6:00PM** at Marlborough town hall, 140 Main St, Marlborough MA 01752. Any person interested or wishing to be heard on this matter should appear at the time and place designated.

The program included a tree-by-tree hazard assessment of public and private trees, along three-phase lines which serve the community. The work is recommended to remove hazard trees for additional clearance in order to reduce tree outage problems affecting large numbers of customers served by these main lines. National Grid's arborists have identified seven (7) town trees for removal along town roads, and ten (10) town trees for pruning. Town trees located within the public way that are designated for removal have been marked with a small red ribbon and posted with a notice of public hearing in the field. Trees designated for pruning have been marked with a small blue ribbon.

The roads with town trees affected by the program are Steven St, Hosmer St, East Main St, Hildreth St and Church St. A complete list of town trees designated for removal or pruning including information about the location, size and species of the affected trees and the reason for work proposed, is available at the town's website at Marlborough-ma.gov
