The Commercial Village Housing Overlay District (herein, also a “CV Housing Overlay”) allows the application of supplemental land use controls within the boundaries of a certain overlay district, subject to City Council approval (hereinafter any reference to City approval shall be deemed to mean approval by the City Council) as an alternative to land use controls that exist in the underlying zoning district(s). The CV Housing Overlay shall be applicable to the property identified as Map 100, Parcels 24, 25, 26, and 15 (including the private way “Atkinson Drive”) and Map 89, Parcels 80-99 City of Marlborough Assessor’s map dated September 21, 2012 (formerly the property shown on Map 100, Parcels 14 and 15 as shown on City of Marlborough Assessor’s Map in effect on May 2006) and as further described on Exhibit “A” annexed hereto. The CV Housing Overlay shall be superimposed on the other zoning districts existing at the time that any land in any said underlying district is also included in the CV Housing Overlay.

Re: Petition for Amendment to Zoning Code and Zoning Map

Dear President and Members:

This Firm and the undersigned represent Marlborough/Northborough Land Realty Trust of 200 Summit Drive, Suite 400, Burlington, Massachusetts 01803 (herein after referred to as Petitioner), owner of land shown on the City of Marlborough Assessor's Map 100, Parcels 24, 25, 26 and 15 (including the private way "Atkinson Way"); and Map 89, Parcels 80-99 (the "Land").

Our client hereby petitions the City Council to amend the Zoning Code and Zoning Map of the City of Marlborough Chapter 650 by adding to Article VI Section 650-35 COMMERCIAL VILLAGE OVERLAY DISTRICT (the "CVOD") in accordance with Exhibit "A" attached hereto.

The enclosed ordinance provides for an age-targeted project that would allow for multi-family residential units with the option to provide supporting accessory mixed-use service components. Unlike the current underlying single-family zoning, the CVOD provides the opportunity for a more generous buffer to the existing neighborhood, improved diversity of housing choice within the City and is more consistent with the City's recent housing studies. Traffic associated with the CVOD would be limited and the impact on the infrastructure of the City including the school system would be minimal given the age targeted nature of any project. We look forward to working cooperatively with the City on the attached ordinance with an objective of enacting a responsive, practical, and creative planning option.

The Land area proposed to be included in the CVOD is currently zoned for single-family housing and a subdivision has been approved by the City, but not yet constructed. The Land is located on the corner of Ames and Forest streets in the southwest quadrant of the City adjacent to Central Steel and across from the Marlborough Technology Park and Avalon apartments. With adoption of the CVOD, the Land provides the opportunity to allow for a transition from the industrially and more densely developed uses to the neighborhood to the northwest.

We are also aware of the recent initiative of the Governor and Legislature in enacting the "Housing Choice Act" Chapter 358 of 2020. Pursuant to this legislation, municipalities are encouraged (and required if an MBTA community) to designate certain areas of the municipality for "as of right" multi-family residential housing to be eligible for certain State discretionary funding. The public policy underlying this initiative is to enhance the supply of adequate affordable housing throughout the Commonwealth. Municipalities that are proactive in developing such districts and housing will be entitled to consideration of certain state discretionary funds for various economic development, transportation, and infrastructure projects. Therefore, we submit it is beneficial to the fiscal interest of the City to consider such opportunities.

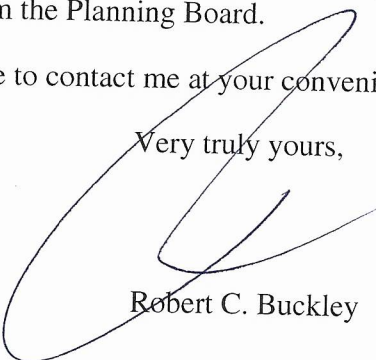

We also believe that the proposed CVOD ordinance could provide a basis for the City, working with the Petitioner, to satisfy the policy objectives embodied in the Housing Choice Act. The location of this proposed project and proposed uses are compatible with surrounding developments and other initiatives that have been undertaken in recent years. The Petitioner is desirous of working with the City to review and adjust this zoning proposal to be responsive to the objectives of both the Petitioner and the City and advance the policy objectives of the Housing Choice Act. This effort would be an example of a public/private partnership in the execution of legislative policy that could support the City in obtaining infrastructure funding which is likely to be available at the Federal and State level in the coming months.

We have annexed hereto for informational purposes: (i) a plan showing the currently approved residential subdivision; and (ii) conceptual plans and renderings showing proposed design and massing and view perspectives from abutting residential properties.

We respectfully request that a public hearing be scheduled on the Petition as provided for in Massachusetts General Laws Chapter 40A Section 5 and give written notice as provided therein to the Planning Board to permit a recommendation from the Planning Board.

If you have any questions, please feel free to contact me at your convenience.

Very truly yours,

Robert C. Buckley
