Power Outage Information

During an Outage

Do not call 9-1-1 to report your power outage or to ask for information, use 9-1-1 only for emergencies. Call your utility company to report the outage and get restoration information.

1. National Grid 1-800-465-1212
2. Eversource 1-800-592-2000

After an Outage

1. Be extra cautious if you go outside to inspect for damage after a storm. Downed or hanging electrical wires can be hidden by snowdrifts, trees or debris, and could be live. Never attempt to touch or move downed lines. Keep children and pets away from them.
2. Do not touch anything near power lines are touching, such as tree branches or fences. Always assume a downed line is a live line. Call your utility company to report any outage-related problem such as downed wires.
3. Throw away any food that has been exposed to temperatures 40° F (4° C) for 2 hours or more or that has an unusual odor, color or texture. When in doubt, throw it out!
