

Property Layout

29 Pleasant Street

Built in 1962 as the City of Marlborough's first 667-1 State Elderly Project, 29 Pleasant Street is the oldest CDA property. It was recently updated with an investment of over 10 million Dollars. The residential buildings were gutted to the exterior walls and each apartment fully renovated. There are thirty-eight (38) one (1) bedroom age in place senior apartments and two (2) one (1) bedroom handicapped accessible apartments. Parking is limited to twenty-eight (28) spaces including (5) handicapped spaces.
