Motion to Approve Updated Parking Policy

WHEREAS, the Marlborough Community Development Authority (MCDA) seeks to implement new parking policies. New parking policies will be enforced at each 667 property (29 Pleasant Street, 397 Bolton Street and 240 Main Street).

WHEREAS, the new parking policy requires each resident to have a parking sticker placed on their vehicle. Each tenant must fill out a vehicle information form in order to receive a parking sticker.

WHEREAS, the parking procedures vary from each property. Main street tenants are able to utilize both the Newton Street parking garage and the Windsor Street parking lot on a first-come, first serve basis. Similarly, all parking at 29 Pleasant Street is on a first-come, first serve basis. However, Bolton Street tenants will be assigned individual parking spaces that coordinate with the numbers painted on the pavement.

THEREFORE, the MCDA will enforce this policy for each tenant in possession of a vehicle. Failure to adhere to the new parking procedures could result in a fine or towed vehicle, which will be determined on a case by case basis.
