Motion to Authorize the MCDA to deed its lot located adjacent to the Marlborough Public Library to the City of Marlborough in consideration for an easement to the MCDA sufficient in size for the Bolton Street Parking Lot Expansion per DHCD Modernization project FISH #170030

Fort Hill Engineering Inc., the DHCD selected engineering firm that is designing the Bolton Street Parking Lot expansion, has deemed that it is necessary that additional land is required for such expansion. The easement would be on land owned by the City of Marlborough. The City of Marlborough will grant such easement for consideration of the lot owned by the MCDA adjacent to the City of Marlborough Public Library.
