learn, play, and explore

Summer in the City!

We may be slowing things down at the library in order to prepare for the move into our beautiful new building, but summertime fun is just heating up here in the city of Marlborough! Throughout the season you'll find a variety of family-friendly activities, including a weekly **farmer's market**, **concerts on the common**, and your choice of several **parks and walking trails**. Cool off at one of our **splash pads** or **wading pools**, or enjoy a day of sand and sun at Marlborough's own **Memorial Beach**. Visit the **Marlborough Recreation Department** site for information on summer camps, sports leagues, a calendar of events and more. Explore all Marlborough has to offer this season, and get ready for summer in the city!

Fri & Sat: 9am - 5pm

Audiobook Appreciation

Audiobooks can be controversial, with some viewing them as "cheating." This couldn't be further from the truth! Audiobooks can benefit everyone, of all ages and abilities. For early or struggling readers, they increase word exposure and improve vocabulary, enhance comprehension, and help develop grade-level content knowledge. For those with vision impairment or other disabilities, audiobooks provide accessibility. And for just about anyone, audiobooks can be convenient, portable, relaxing, and fun, especially on those long summertime family road trips! If you haven't tried audiobooks yet, what are you waiting for? Stop by the library and pick up a CD Audiobook by your favorite author. Or, visit the app store to download the free **Libby app** to your smartphone or other device, and start listening right away using your library account! Visit our **digital catalog** to explore our entire collection of electronic audiobooks.

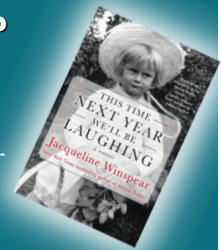

Holiday Hours

We will be closed on
Tuesday, July 4th,
in observance of
Independence Day.

July Adult Book Club Tuesday 7/11, 6pm
