### **Re: Fiscal Year 2015 Budget Proposal**

Honorable President Pope and Councilors:

As Mayor of the City of Marlborough, I am pleased to present to you my administration's Fiscal Year 2015 (FY15) budget recommendations in the amount of \$137,443,613.00. This budget represents a 3.98% increase over FY14.

This year's budget recommendations are a reflection of a collaborative effort between myself, our finance team, and each one of our Department Heads. In particular, I wish to recognize the work of our City Auditor, Diane Smith, and Comptroller/Treasurer Brian Doheny, who is eagerly embarking on his first budget since joining the city in September.

For your benefit, I have included a brief narrative on revenue projections, notable budgetary changes, organizational adjustments and other items of significance contained in this year's proposal.

### **Local Aid and Revenue**

Based on the FY15 budget figures released by the Committee on Ways & Means in the Massachusetts House of Representatives, overall local aid to Marlborough increased by 4.7%. However, with \$851,605.00 or an 18% increase in additional assessments for FY15, our net increase in state aid is 1.1% or \$281,019.00. In particular, our charter school assessment increased by \$876,556.00 for a total assessment of \$4,650,156.00.

In terms of local revenue, I anticipate our new growth figures to remain strong at an estimated \$2 million, which is a direct result of our joint efforts to solidify Marlborough as a pro-business, smart growth community.

Despite the underwhelming news on state local aid, our robust economic growth has further strengthened our commercial tax base, resulting in a less than a 3% estimated increase on our property tax levy, or an increase of approximately \$145.30 to the average home.

### **New Positions / Compensation**

Our FY15 budget proposal contains a net increase of two employees on the municipal side. One position will fall under the Department of Public Works where it is Commissioner John Ghiloni's intent to add one position to strengthen his department's financial operations. A full reorganization plan that includes the absorption of the Public Facilities Department into the DPW will be presented to you in the near future.

Working with Comptroller/Treasurer Brian Doheny, we have identified areas of substantial improvement that I believe will be remedied through the addition of one position that will be cross-trained to work in both the Collector's Office and in the Comptroller's Office. We currently have two employees within the Comptroller's Office who receive five weeks' vacation and personal time per year and have accrued more time over the course of their career. Furthermore, with only three employees in the Collector's Office there is a demonstrated need to not only enhance our customer service but to guarantee appropriate staffing levels to ensure we always have at least two people working in the office to help safeguard the many financial transactions that occur. The flexibility gained by cross-training an employee in different offices will be an invaluable management resource.

To that end, there have been several noticeable renovations made to the Collector's Office to strengthen our security protocols while providing a more professional customer service experience. These changes were performed in-house by our craftsmen and have been well received by our customers. I have also authorized the installation of security cameras for added security and protection.

For our nonunion employees, I am including a 2.0% cost of living adjustment (COLA). Subsequently my office has also been working on a salary survey of eleven communities to assess Marlborough's competitive standing on compensation for Department Heads and nonunion positions.

In the near future, I intend on submitting to you an updated nonunion salary ordinance and transfer request that will replace the one last approved by the City Council in June 1989. While much of the ordinance will simply bring the 1989 salaries up to reflect existing rates of pay, it will also include necessary adjustments and increases to key Department Head and nonunion positions throughout the city.

### **Municipal Finance Department**

Once again, the Assessor's Office will be run utilizing the services of Regional Resource Group. This arrangement continues to be very successful and productive. With the recent amendments to the General Code giving the Comptroller/Treasurer administrative oversight of the office, my expectation is that this office will continue operating at maximum efficiency while delivering great customer service to our residents and businesses.

### **Inspectional Services**

In this budget, I am also recommending some proactive investments to address the increasing demand of our building and health inspections.

For the first time in what seems like a long while, our Building Department will operate at full strength. This budget includes \$10,000.00 in additional funding in the Deputy Inspector line item to provide

essential coverage and prompt customer service during times of higher permitting requests and vacations or extended absences. The salary increases in the Assistant Plumbing and Wiring Inspector line items are attributed to the increase in the per inspection fee compensation approved by the Council on February 13, 2014.

This budget also calls for essential funds to assist in the completion of food establishment and restaurant inspections as required by state and federal health regulations. We recently began utilizing the services of a contract inspector to assist in the completion of our biannual inspections required under state regulation *105 CMR 590.000, Chapter X, Minimum Sanitation Standards for Food Establishments*. This action proactively renews our commitment to work with our many great restaurants to ensure they remain in compliance with local, state, and federal regulations.

### **Commencing Year 3 of our Summer Employment Programs**

With your support, I also hope to secure funding for the third year of our Public Service Internship and Youth Employment Programs. Marlborough is truly leading the pack when it comes to a municipally driven program whose goal is showing our local youth and future college graduates what it really means to earn an honest days' pay for an honest days' work. Our Departments have come to appreciate these programs not only because it allows them to tackle the projects they may not have otherwise gotten to but for the satisfaction they receive by teaching someone the ropes and watching them succeed. The high school program runs only for a six week period beginning in mid-July and involves mandatory job readiness skills training for our high school participants. Our college intern program is scheduled to begin in early June.

### **School Department**

The School Department budget represents an increase of 4.5% over their FY14 appropriation. Superintendent Richard Langlois and his team have been working diligently on implementing many changes and reforms throughout our school system. One recent area of success in the Marlborough Public Schools was our receipt of a four year \$1.8 million grant award from the U.S. Department of Labor. The grant will help students develop career skills needed in today's workforce, particularly in the areas of engineering, advanced manufacturing and computer technology, and health sciences.

Budgets are a reflection of not only the fiscal reality around us but of our priorities and values as a community. As I conclude my correspondence, I want to thank you in advance for your partnership and commitment to strengthening our community and for ensuring that our city has both the accountability and resources to be the best we can be.

I have enclosed for you a letter from City Solicitor Don Rider outlining Massachusetts General Law c. 44, § 32 detailing the forty-five day timetable for Council action on the FY15 Budget.

On behalf all our departments, we look forward to working with you!

Sincerely,

**Arthur G. Vigeant**  
**Mayor**
