

# Property Layout

## 29 Pleasant Street

### Notes:

Built in 1961 as the City of Marlborough's 667-1 State Elderly Project, 29 Pleasant Street is the oldest CDA property. Each building runs on fuse panels that need to be upgraded to circuit breakers as units are rehabilitated. This property has a brand new heating system with high efficiency boilers located in the basements of each building. There are a total of forty two (42) units located at this property, all one (1) bedroom units. Parking is limited to twenty-eight (28) spaces including five (5) handicapped spaces.
