Virtual Summer Reading!

This year our Summer Reading programs will be **100% virtual**, but we're still finding ways to celebrate the fairy tale theme and reward kids for reading at home! Through Beanstack, kids and teens can **enter digital raffle tickets for a chance to win real prizes!** Raffle drawings will be on August 24th and prizes will be distributed via Contactless Pickup appointments.

Children (newborns to grade 5)

Participants can be read to or read on their own and collect a virtual badge for each hour of reading that they accomplish. For every three hours of reading, children earn a digital raffle ticket that they can enter into a raffle drawing of their choice. More tickets can be earned by completing bonus activities. Learn more [here](#).

Teens & Tweens (grades 6-12)

Participants can log each book they read to earn one digital raffle ticket. They can go the extra mile to write book reviews, complete activities, and participate in virtual Zoom workshops to earn even more tickets. Learn more [here](#).
