# Weekly Digest

learn, play, and explore from home

## Reopening in Phases

The library is still closed, but we are working hard on a plan to **safely restore our public services**. We will reopen in phases with guidance from state and local government and the Massachusetts Board of Library Commissioners. Stay tuned for updates on our website in the coming weeks. We can't wait to see you again!

### THIS WEEK'S BOREDOM BUSTER

There are over 900 "Tiny Desk Concerts" from NPR just waiting for you. Browse these [video playlists](#) when you need an uplifting musical escape.

### Audiobooks for All!

We hope you are enjoying using the **Libby app** while the library is closed. Remember that you can expand your title selection with a Boston Public Library **eCard**, too. Here are a few more ways to get free audiobooks (with no waiting lists!):

#### AudioBookCloud (all ages)

The Boston Public Library is allowing free access to this collection through August 2020. You don't even need a BPL eCard. Just [click here](#) and scroll down to get started. Begin reading right in your browser or download the app and use the provided log-in info.

#### AudibleStories (children)

Audible is offering free access to **AudibleStories** as long as schools are closed. You can instantly stream hundreds of titles **across eight languages** with "no login, no payments, and no strings attached!" If you have any questions, check the FAQs [here](#).

#### SYNC 2020 (teens)

SYNC is a free summer program for teens 13+. Each week, participants will get a pair of audiobooks on Sora, the student reading app from OverDrive. The pairs are chosen to encourage discussion around a central idea. [Click here](#) to register. Read the FAQs [here](#).
