## NOTICE

Dear City of Marlborough Residents & Businesses,

**The City of Marlborough Water and Sewer Rates for fiscal year 2024 (July 1, 2023 → June 30, 2024) are as follows:**

**In City Water Rate: \$7.87 per 100 cubic feet (748 gallons)**

**In City Sewer Rate: \$8.41 per 100 cubic feet (748 gallons)**

**Out of City Water Rate: \$8.26 per 100 cubic feet (748 gallons)**

**Out of City Sewer Rate: \$8.83 per 100 cubic feet (748 gallons)**

The City of Marlborough is responsible for the supply, treatment, and distribution of drinking water to City customers and the collection and treatment of sewer from City customers. The City is committed to providing quality, safe, and reliable drinking water services at the lowest possible costs as well as maintaining a complex sewer collection and treatment system. The City maintains and operates the water and sewer systems 365 days a year and incurs costs to do so. Rate payers enable the City to:

- Meet all State and Federal drinking water and sanitary system regulatory requirements.
- Fund water and sewer related replacement capital and renewals.
- Fund operating expenses including staffing, chemicals, supplies, and power.

Questions regarding these rates may be directed to the City's Department of Public Works Water and Sewer Division at (508)624-6910 EXT:33400

Sincerely,  
City of Marlborough
